INTRODUCTION

The T-fal 9-in-1 Toaster Oven Air Fryer Combo is a versatile appliance designed to simplify your cooking experience. It integrates multiple cooking functions into a single unit, providing efficient and healthy meal preparation. This manual provides essential information for the proper setup, operation, and maintenance of your appliance.

SETUP

Unboxing and Initial Placement

Carefully remove all packaging materials and accessories from the appliance box. Place the toaster oven air fryer combo on a stable, heat-resistant, and level surface. Ensure adequate clearance around the appliance for proper ventilation. The unit's dimensions are approximately 16.14 inches (Depth) x 13.7 inches (Width) x 12.6 inches (Height).

Power Requirements

The appliance operates at 1800 Watts and requires a 3-prong dedicated grounded power outlet. Avoid connecting other high-wattage appliances to the same circuit to prevent overloading.

Included Accessories

The following accessories are included with your appliance:

- Air Frying Basket: Used for air frying foods, allowing hot air to circulate evenly.
- Wire Rack: Suitable for baking, toasting, and broiling.
- Food Tray: Can be used for baking or as a drip tray during air frying.
- Crumb Tray: Located at the bottom of the oven, it collects crumbs and drips for easy cleaning.

OPERATING INSTRUCTIONS

The T-fal 9-in-1 Toaster Oven Air Fryer Combo features intuitive knob controls for selecting cooking functions, temperature, and time.

Cooking Functions

This appliance offers 9 preset cooking functions:

- **Air Fry:** For crispy results with little to no oil.
- **Air Broil:** Combines air frying with broiling for a crispy exterior.
- **Air Bake:** For even baking with air circulation.
- **Broil:** For grilling and browning.
- **Bake:** Standard oven baking.
- **Toast:** For perfectly toasted bread and bagels.

- **Warm:** Keeps food warm without overcooking.
- **Reheat:** Gently reheats leftovers.
- **Bagel:** Optimized for toasting bagels.

Figure 3: Visual representation of the 9 cooking functions.

Temperature and Time Settings

The adjustable temperature range is from 175°F to 450°F. The timer can be set for up to 1 hour. The appliance features Extra Crisp technology, which optimizes heat and airflow for superior crisping without preheating.

Figure 4: Diagram illustrating the Extra Crisp technology for optimal airflow.

Capacity and Efficiency

The 21-quart capacity is designed to serve up to six people. It can accommodate a whole roasted chicken up to 7 pounds, 6 slices of bread, a 12-inch pizza, or 13 cookies. The no-preheating feature contributes to time and energy savings compared to traditional ovens.

MAINTENANCE AND CLEANING

Regular cleaning ensures the longevity and optimal performance of your T-fal Toaster Oven Air Fryer Combo. The crumb tray, wire rack, and air frying basket are designed for easy removal and cleaning. Always ensure the appliance is unplugged and cooled down before cleaning.

Cleaning Procedure

- **Crumb Tray:** Slide out the crumb tray from the bottom of the oven and discard any accumulated crumbs. Wash with warm, soapy water and dry thoroughly.
- **Air Frying Basket, Wire Rack, Food Tray:** These accessories can be washed with warm, soapy water. For stubborn food residue, soak them before cleaning. Ensure they are completely dry before reinserting.
- **Interior:** Wipe the interior surfaces with a damp cloth and mild detergent. Avoid abrasive cleaners or scouring pads that could damage the non-stick coating or stainless steel finish.
- **Exterior:** Clean the exterior with a soft, damp cloth. Do not immerse the appliance in water.

TROUBLESHOOTING

If you encounter issues with your T-fal Toaster Oven Air Fryer Combo, consider the following general troubleshooting steps:

- **Appliance Not Turning On:** Ensure the power cord is securely plugged into a grounded outlet. Check your household's circuit breaker.
- **Uneven Cooking:** Ensure food is spread evenly in the basket or on the rack. For larger items, consider rotating them halfway through the cooking cycle.
- **Smoke from Appliance:** A small amount of smoke may occur during initial use. If excessive smoke occurs, unplug the unit immediately. Ensure the crumb tray and interior are clean and free of food debris or grease buildup.
- **Food Not Crispy:** Ensure the air frying basket is not overloaded. A light coating of oil can also help achieve crispier results.

For persistent issues not resolved by these steps, refer to the Warranty & Support section for further assistance.

SPECIFICATIONS

Brand	Tefal
Model Name	FW601D50
Color	Stainless Steel
Product Dimensions	16.14"D x 13.7"W x 12.6"H
Special Feature	Temperature Control
Material	Stainless Steel
Control Type	Knob Control
Door Style	Dropdown Door
Included Components	Crumb Tray, Wire Rack
Power Source	AC adapter
Number of Shelves	1
