SETUP AND ASSEMBLY

The BIGEARN Flowers Building Set is designed for an immersive building experience. It includes two separate instruction manuals (A and B) to facilitate dual building, allowing two individuals to work on the set simultaneously. This enhances the fun and provides a great bonding activity.

Follow the step-by-step instructions provided in the manuals. The pieces are organized into numbered bags to simplify the assembly process. Ensure you use the correct pieces for each step as indicated in the manual.

Its vibrant colors and intricate design make it a visually appealing addition to any room. The set is not intended for active play once assembled, but rather for display.

MAINTENANCE

To maintain the appearance of your flower building set, follow these guidelines:

- **Cleaning:** Gently dust the assembled model with a soft brush or cloth. Avoid using harsh chemicals or abrasive materials, as these may damage the plastic.
- **Storage:** If disassembling for storage, keep all pieces organized in sealed bags to prevent loss and damage. Store in a cool, dry place away from direct sunlight to prevent color fading.
- **Handling:** Handle the assembled model with care to prevent pieces from detaching.

TROUBLESHOOTING

Missing Pieces

In the rare event of missing pieces, please refer to the manufacturer's support information provided in the warranty section. It is recommended to check all packaging thoroughly before contacting support.
