### 3. PACKAGE CONTENTS

---

Upon opening the package, please verify that all components are present. The kit includes:

- Over 2010 building block parts, typically sorted into numbered bags.
- Colorful paper instruction manual for step-by-step assembly.
- Fabric sails and ropes for rigging.

If any parts are missing or damaged, please refer to the "Troubleshooting and Support" section for assistance.

### 4. ASSEMBLY INSTRUCTIONS (SETUP)

---

Follow the included colorful paper instruction manual carefully for the assembly process. The instructions are designed to guide you through each step of constructing the pirate ship model.

1. **Preparation:** Clear a spacious, well-lit work area. Open the numbered bags one at a time as indicated in the instruction manual.
2. **Step-by-Step Assembly:** Refer to the detailed illustrations and instructions in the paper manual. Pay close attention to the orientation and placement of each block.
3. **Component Identification:** The instruction manual will guide you on identifying specific parts. Note that some colors in the instructions might require careful differentiation.
4. **Connecting Blocks:** YESHIN building blocks are made of high-quality ABS and carbon fiber materials. Ensure a firm connection for stability.
5. **Sails and Rigging:** Attach the fabric sails and ropes as directed in the final stages of assembly to complete the ship's authentic appearance.
