Uliyati Fabric Filing Cabinet with Charging Port

Uliyati Fabric Filing Cabinet with Charging Port

USER MANUAL

Product Overview

The Uliyati Fabric Filing Cabinet is a versatile and mobile storage solution designed for home and office environments. It features two spacious fabric drawers suitable for A4 or letter-sized documents, an open shelf for additional storage, and a sturdy wooden top panel. A key feature is the integrated charging station, equipped with two AC outlets and two USB charging ports, allowing convenient power access for electronic devices and office equipment.

The cabinet is constructed with a high-quality wear-resistant fabric exterior and a metal steel frame, ensuring durability and stability. Internal wooden boards provide support for the drawers, preventing deformation. Four 360-degree swivel casters allow for easy mobility, with two front casters featuring locking mechanisms to secure the cabinet in place.

Setup and Assembly

This filing cabinet is designed for straightforward assembly. It can typically be assembled by one person within 30 minutes. Please follow the included assembly instructions carefully to ensure proper construction and stability.

1. Unpack all components and verify against the parts list provided in the assembly guide.
2. Assemble the metal frame structure according to the step-by-step diagrams.
3. Attach the four 360-degree casters to the base of the frame. Ensure the two front casters with locking mechanisms are correctly positioned.
4. Insert the wooden boards into the fabric drawers to provide structural support.
5. Place the assembled drawers into their designated slots within the frame.
6. Secure the top wooden panel and connect the power cord for the charging station.

Built-in Charging Station

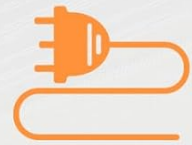

Say goodbye to messy wires

2 AC Outlets
125V/12A

2 USB Ports
5V/2A

Power Cord
4.9 Feet

After assembly, position the cabinet in your desired location. Engage the brakes on the two front casters to prevent unintended movement.

Operating Instructions

Using the Drawers

The two fabric drawers are designed to accommodate both A4 and letter-sized documents. Utilize hanging file folders for organized storage. The drawers feature easy-pull handles for smooth operation.

Suitable for Different File Sizes

Image: A drawer pulled open, illustrating its capacity for both A4 and letter-sized hanging files.

Integrated Charging Station

The top panel of the cabinet includes a built-in charging station. This station provides two standard AC outlets (125V/12A) and two USB ports (5V/2A). Connect printers, laptops, or other office electronics to the AC outlets, and charge mobile phones or other USB-powered devices via the USB ports. The power cord is 4.9 feet long, offering flexibility in placement.

Mobility and Stability

The four 360-degree casters allow the cabinet to be easily moved around your space. To secure the cabinet in a fixed position, push down the levers on the two front casters to engage their brakes.

Maintenance

To ensure the longevity and appearance of your Uliyati Fabric Filing Cabinet, follow these maintenance guidelines:

- **Cleaning the Fabric:** For light dust, use a soft brush or vacuum cleaner with a brush attachment. For spills, gently blot with a clean, damp cloth. Avoid harsh chemicals or abrasive cleaners, which may damage the fabric.

- **Cleaning the Metal Frame and Wooden Top:** Wipe with a soft, damp cloth. Dry immediately to prevent water spots.
- **Caster Maintenance:** Periodically check the casters for any accumulated dust or debris that might hinder smooth movement. Clean as necessary.
- **Power Unit:** Ensure the power cord and outlets are free from dust and moisture. Do not overload the outlets beyond their specified capacity.

Troubleshooting

If you encounter any issues with your filing cabinet, please refer to the following common troubleshooting tips:

- **Drawers are difficult to pull out or push in:** Ensure the internal wooden boards are correctly seated within the fabric drawers. Check for any obstructions inside the drawer or along the drawer's path. Verify that the cabinet is on a level surface.
- **Cabinet does not roll smoothly:** Check the casters for tangled hair, lint, or debris. Clean the wheels thoroughly. Ensure the caster brakes are disengaged when attempting to move the cabinet.
- **Charging station not working:** Verify that the power cord is securely plugged into a functional wall outlet. Check if the wall outlet itself is receiving power. Ensure devices are properly connected to the AC outlets or USB ports.
- **Cabinet feels unstable:** Re-check all assembly screws and connections to ensure they are tightened securely. Ensure the cabinet is placed on a flat, stable surface. Engage the caster brakes for added stability.

If problems persist after attempting these solutions, please contact customer support.

Specifications

Image: Detailed dimensions of the Uliyati Fabric Filing Cabinet, including overall size and drawer capacity.

Feature	Specification
Brand	Uliyati
Model	Fabric Filing Cabinet with Charging Port
Color	Black
