SETUP

Battery Installation

The toy requires 2 AAA batteries (included). To install or replace batteries:

1. Locate the battery compartment on the toy.
2. Using a small screwdriver, open the battery compartment cover.

3. Insert 2 AAA batteries, ensuring correct polarity (+/-).
4. Replace the cover and tighten the screw securely.

Note: Batteries are included for demonstration purposes and may need to be replaced soon after purchase for optimal performance.

OPERATING INSTRUCTIONS

The Bright Starts Giggle & Glow Elephant Toy is designed for interactive play. Follow these simple steps to engage your baby:

1. **Activation:** Gently shake the toy to activate its musical and light-up features. The elephant's cheeks will light up, and it will produce silly sounds and giggles.
2. **Grasping:** The Oball design with numerous finger holes makes it easy for small hands to grasp and hold the toy from any angle.
3. **Rattle Feature:** The peanut-shaped rattle inside the elephant's belly creates sounds when shaken, encouraging cause-and-effect learning.
4. **Tactile Stimulation:** Encourage your baby to explore the crinkly ears for additional tactile stimulation.
