## ERT GROUP MPCCAPAM7571

# Instruction Manual

ERT GROUP Mobile Phone Case for Samsung A34 5G

## PRODUCT OVERVIEW

---

This manual provides instructions for the ERT GROUP Mobile Phone Case, model MPCCAPAM7571, designed for the Samsung Galaxy A34 5G. This case is an officially licensed Marvel product, featuring a Captain America 021 pattern.

The case is constructed from Thermoplastic Polyurethane (TPU), offering flexibility and resistance to wear. It is designed to provide protection against damage and dirt while maintaining the phone's functionality.

### Key Features:

- **Official Licensing:** Original and officially licensed Marvel product, confirmed by official Marvel representatives.
- **Flexible TPU:** The mobile phone case is made of thermoplastic polyurethane (TPU), which guarantees colorful graphic details. The smartphone shell made of TPU is characterized by high elasticity and abrasion resistance.
- **Protective Design:** Features raised edges made of high-quality, flexible thermoplastic polyurethane (TPU), which ensures a perfect fit for your phone and protects and cushions it in the event of a fall.
- **Precise Fit:** Designed for a perfect fit on the Samsung Galaxy A34 5G, ensuring all buttons are accessible and functional.
- **Quality Assurance:** REACH-certified materials, processed for color depth and image clarity.

## WHAT'S IN THE BOX

The product package contains the following item:

- 1 x ERT GROUP Mobile Phone Case for Samsung A34 5G

## SETUP

To install the mobile phone case:

1. Ensure your Samsung Galaxy A34 5G is clean and free of dust or debris.
2. Align the phone with the case, starting with one of the top corners.

3. Gently press the phone into the case, ensuring all edges and corners are securely seated within the case's frame.
4. Verify that all ports, buttons, and camera lenses are correctly aligned with the case's cutouts.

## OPERATING INSTRUCTIONS

The ERT GROUP phone case is designed to allow full functionality of your Samsung Galaxy A34 5G while providing protection.

- **Button Access:** The case features precise cutouts and covers that allow for normal operation of all physical buttons (power, volume).
- **Port Access:** All charging ports and speaker grilles remain accessible.
- **Camera Protection:** Raised edges around the camera module help protect the lenses from direct contact with surfaces.
- **Wireless Charging:** The case material and design allow for inductive (wireless) charging without needing to remove the case.

## MAINTENANCE

---

To maintain the cleanliness and appearance of your phone case:

- **Cleaning:** Dust or stains can be removed with a soft, damp cloth. Avoid abrasive cleaners or solvents, as these may damage the material or print.
- **Storage:** When not in use, store the case in a cool, dry place away from direct sunlight to prevent material degradation.

## TROUBLESHOOTING

---

If you encounter any issues with your phone case, consider the following:

- **Case Fit:** If the case does not seem to fit correctly, ensure it is designed specifically for the Samsung Galaxy A34 5G. Re-align the phone and gently press it into the case to ensure all edges are seated.
- **Dirt Accumulation:** If dirt or dust accumulates between the phone and the case, remove the case and clean both the phone and the inside of the case thoroughly before re-installing.
- **Wireless Charging Issues:** Ensure the phone is correctly centered on the wireless charging pad. If issues persist, try removing the case to confirm it is not interfering with the charger.
