AGARO 34051

AGARO Alpha Desktop Fan with Light (Model 34051) - User Manual

Your guide to optimal use and care.

1. INTRODUCTION

Thank you for choosing the AGARO Alpha Desktop Fan with Light. This manual provides essential information for the safe and efficient operation of your new fan. Please read it thoroughly before use and retain it for future reference.

2. PRODUCT FEATURES

- **Compact Design:** 6-inch diameter for wide airflow.
- **4 Speed Settings:** Offers Low, Medium, High, and Super High wind speed levels for varied cooling needs.
- **Oscillation:** Features a swing button to oscillate the fan up to 120 degrees for broader coverage.
- **Brushless Motor:** Ensures ultra-quiet operation, with noise levels below 20dB even at high speeds, suitable for working and sleeping environments.
- **Integrated LED Light:** Includes a 3-intensity reading light for added utility.
- **USB Rechargeable:** Equipped with a USB-powered rechargeable battery.
- **Extended Battery Life:** Provides up to 11 hours of operation on low speed and up to 3 hours on high speed.

3. PACKAGE CONTENTS

Ensure all items are present upon unboxing:

- AGARO Alpha Desktop Fan with Light (Model 34051)
- USB Cable
- User Manual

4. SETUP

1. **Unboxing:** Carefully remove the fan and all accessories from the packaging.
2. **Placement:** Place the fan on a stable, flat surface in your desired location (e.g., desk, bedside table).
3. **Initial Charge:** Before first use, fully charge the fan using the provided USB cable. Connect the USB cable to the fan's charging port and a compatible USB power source (e.g., computer, USB wall adapter). The charging indicator lights will show the charging status.

5. OPERATION

5.1 Power On/Off and Speed Control

1. **Power On:** Press the 'ON/OFF' button on the base of the fan to turn it on. It will start at the lowest speed setting.
2. **Adjust Speed:** Repeatedly press the 'SPEED' button to cycle through the 4 speed settings: Low, Medium, High, and Super High. Indicator lights will show the current speed.
3. **Power Off:** Press the 'ON/OFF' button again to turn the fan off.

Customized Cooling

4 adjustable speed

5.2 Oscillation Function

1. **Activate Oscillation:** Press the 'SWING' button on the base to activate the 120-degree oscillation feature. The fan head will begin to move from side to side.
2. **Deactivate Oscillation:** Press the 'SWING' button again to stop the oscillation. The fan will remain in a fixed position.

Swing it. Tilt it.

5.4 Charging the Fan

When the battery is low, the fan's performance may decrease. Connect the provided USB cable to the charging port on the fan's base and to a 5V USB power adapter or a computer's USB port. The indicator lights will show charging progress. A full charge provides up to 11 hours on low speed or 3 hours on high speed.

6. MAINTENANCE

Regular maintenance ensures optimal performance and longevity of your fan.

- **Cleaning:** Disconnect the fan from the power source before cleaning. Use a soft, damp cloth to wipe the exterior surfaces. Do not use abrasive cleaners or immerse the fan in water.
- **Dust Removal:** Periodically use a soft brush or compressed air to remove dust from the fan blades and grille.
- **Storage:** When not in use for extended periods, store the fan in a cool, dry place, away from direct sunlight and extreme temperatures.

7. TROUBLESHOOTING

Problem	Possible Cause	Solution
---------	----------------	----------

Problem	Possible Cause	Solution
Fan does not turn on	Battery is depleted	Charge the fan using the USB cable.
Weak airflow	Low speed setting or low battery	Increase the speed setting or charge the fan.
Light does not work	Light function is off or battery is low	Press the 'LIGHT' button to turn it on/adjust intensity. Charge the fan.
Fan makes unusual noise	Obstruction in fan blades or internal issue	Turn off and unplug the fan. Check for any obstructions and remove them carefully. If the issue persists, contact customer support.

8. SPECIFICATIONS

Feature	Detail
Brand	AGARO
Model Name	34051
Product Dimensions	16.6D x 14.5W x 22H Centimeters
Item Weight	450 Grams
Blade Length	4 Inches
Number of Speeds	4
Oscillation	120 Degrees
Noise Level	20 Decibels (max)
Power Source	Battery Powered (USB Rechargeable)
Light Type	LED (3 Intensities)
Material	Plastic
Included Components	USB Cable

9. WARRANTY AND SUPPORT

This product comes with a standard brand warranty. For detailed information regarding warranty terms, replacement policies, or any other support inquiries, please refer to the product detail page on the retailer's website or contact AGARO customer service directly.
