Mibro sol-me3

Mibro 3 True Wireless Bluetooth Earbuds User Manual

Model: sol-me3 | Brand: Mibro

INTRODUCTION

This manual provides comprehensive instructions for the Mibro 3 True Wireless Bluetooth Earbuds. It covers essential information regarding setup, operation, maintenance, troubleshooting, and product specifications to ensure optimal performance and longevity of your device. The Mibro 3 earbuds offer a perfect blend of style and functionality, featuring an attractive design, long battery life, an LED display, and impressive sound quality.

PRODUCT OVERVIEW

Familiarize yourself with the components of your Mibro 3 True Wireless Bluetooth Earbuds.

Figure 1: Mibro 3 True Wireless Bluetooth Earbuds and Charging Case. This image displays the white earbuds, one removed from the charging case and one partially visible, alongside the sleek white charging case which features a clear lid and an LED display showing '98', indicating battery percentage.

Components:

- **Earbuds:** Left and Right True Wireless Earbuds.
- **Charging Case:** Portable case for charging and storing earbuds, with an integrated LED display.
- **Charging Cable:** (Typically USB-C, though not specified) For charging the case.
- **Eartips:** (Various sizes, though not specified) For comfortable fit.

SETUP

1. Initial Charging

1. Place both earbuds into the charging case.
2. Connect the charging cable (not included in product details, but standard) to the charging port on the case and a power source.
3. The LED display on the charging case will indicate the charging status. Ensure the case and earbuds are fully charged before first use.

2. Pairing with a Device

1. Open the charging case. The earbuds will automatically enter pairing mode (indicated by a flashing light on the earbuds, if applicable).
2. On your device (smartphone, tablet, computer), enable Bluetooth.
3. Search for "Mibro 3" or a similar name in the list of available Bluetooth devices.
4. Select "Mibro 3" to connect. Once connected, a voice prompt or indicator light will confirm successful pairing.
5. If pairing fails, place the earbuds back in the case, close the lid, wait a few seconds, and then repeat the steps.

OPERATING INSTRUCTIONS

Power On/Off

- **Power On:** Open the charging case, and the earbuds will automatically power on and connect to the last paired device. Alternatively, press and hold the touch control area on both earbuds for 2-3 seconds.
- **Power Off:** Place the earbuds back into the charging case and close the lid. They will automatically disconnect and power off. Alternatively, press and hold the touch control area on both earbuds for 5 seconds.

Touch Controls (Typical Functions)

The Mibro 3 earbuds feature intuitive touch controls. Specific functions may vary slightly, but common operations include:

- **Play/Pause:** Single tap on either earbud.
- **Next Track:** Double tap on the right earbud.
- **Previous Track:** Double tap on the left earbud.
- **Answer/End Call:** Single tap on either earbud during an incoming call.
- **Reject Call:** Press and hold on either earbud for 2 seconds during an incoming call.
- **Activate Voice Assistant:** Triple tap on either earbud.
- **Volume Control:** (If supported) Tap and hold on the right earbud to increase volume, tap and hold on the left earbud to decrease volume.

Wearing the Earbuds

Gently insert the earbuds into your ear canal. Rotate them slightly until they fit snugly and comfortably. Ensure the microphone is pointing towards your mouth for optimal call quality.

Maintenance

Cleaning

- Use a soft, dry, lint-free cloth to wipe the earbuds and charging case.
- For stubborn dirt, slightly dampen the cloth with water or a mild, non-abrasive cleaner.
- Do not use harsh chemicals, alcohol, or abrasive materials.
- Regularly clean the eartips and the mesh covers to prevent wax buildup, which can affect sound quality.

Storage

- Always store the earbuds in their charging case when not in use to protect them and keep them charged.
- Store the device in a cool, dry place, away from direct sunlight, extreme temperatures, and humidity.

Battery Care

- Avoid fully discharging the battery frequently.
- Charge the device regularly, even if not in frequent use, to maintain battery health.
- Do not expose the device to extreme heat or cold, as this can degrade battery performance.

Troubleshooting

If you encounter issues with your Mibro 3 earbuds, try the following solutions:

Problem	Possible Solution
Earbuds not pairing with device.	<p>Ensure Bluetooth is enabled on your device.</p> <p>Place earbuds back in the case, close, then reopen to re-enter pairing mode.</p> <p>Forget "Mibro 3" from your device's Bluetooth settings and try pairing again.</p> <p>Ensure earbuds and case have sufficient charge.</p>
Only one earbud is working.	<p>Ensure both earbuds are charged.</p> <p>Place both earbuds back in the case, close the lid, and then take them out together.</p> <p>Try resetting the earbuds (refer to manufacturer's specific reset instructions if available, otherwise a full re-pairing often works).</p>
No sound or low volume.	<p>Check the volume level on both your device and the earbuds.</p> <p>Ensure earbuds are properly connected to your device.</p> <p>Clean any debris from the earbud mesh.</p>
Charging case not charging.	<p>Check the charging cable and power adapter.</p> <p>Ensure the charging port on the case is clean and free of debris.</p> <p>Try a different charging cable or power source.</p>
