Villareal 60" Single Bath Vanity

Brand: VINNOVA | Model: 701660-WP-GW-NM

PRODUCT OVERVIEW

The Villareal 60" Single Bath Vanity by VINNOVA is a meticulously crafted piece designed to enhance any bathroom space. Constructed from richly-grained solid hardwood, this vanity blends traditional farmhouse design with the contemporary appeal of natural stone. It features rustic details such as barn door-inspired cabinet sides and wooden slats on the lower open shelving, offering a unique medley of textures and tones. The Weathered Pine Wood finish complements a wide range of room decors, making it a focal point in your guest or master bath.

KEY FEATURES

- Constructed of imported solid oak and plywood for superior durability and long-lasting beauty.
- Available in beautiful Classical Grey or Weathered Pine finish to complement any room décor.
- 5 soft-closing, sturdy dovetail drawers with full extension glides provide spacious, concealed storage for toiletries and more.
- 0.8"-thick, composite White stone top lends a clean, elegant look, featuring 45-degree chamfered water retaining edges all around with backsplash.
- Bright white, farmhouse-style sink has a deep basin and blends seamlessly with the stone vanity top.
- Matte Black-finish hardware adds a touch of classic style and stunning contrast against the textured wood.
- Lower open shelving provides ample room for storing rolled towels and displaying decorative items.

SETUP & INSTALLATION

Assembly of the Villareal 60" Single Bath Vanity is required. It is recommended that installation be performed by two adults due to the weight and size of the unit. Ensure all components are present before beginning assembly.

Pre-Installation Checklist:

- Verify all parts are included and undamaged.
- Ensure adequate space for installation and proper ventilation.
- Confirm plumbing rough-ins are correctly positioned for the vanity's dimensions.
- Gather necessary tools (e.g., screwdriver, wrench, level, sealant).

General Installation Steps:

1. **Unpack and Inspect:** Carefully remove all packaging materials and inspect the vanity for any shipping damage.
2. **Assemble Base (if required):** Follow the included assembly instructions for the vanity base. This typically involves attaching legs and structural supports.
3. **Position Vanity:** Carefully move the vanity base into its final position, ensuring it is level.
4. **Install Countertop and Sink:** Place the stone countertop onto the vanity base. The farmhouse-style sink is integrated into the top. Ensure proper alignment and secure as per specific instructions.
5. **Connect Plumbing:** Connect the water supply lines and drain to the sink and faucet (faucet not included). Ensure all connections are watertight.
6. **Install Drawers:** Insert the soft-closing drawers into their respective glides.
7. **Final Adjustments:** Check all drawers and doors for smooth operation. Clean any dust or debris from the installation process.

OPERATING INSTRUCTIONS

The Villareal 60" Single Bath Vanity is designed for straightforward daily use.

Sink Usage:

- The integrated farmhouse-style sink is suitable for all standard bathroom sink uses.
- Ensure the drain stopper is properly seated when filling the basin.

Drawer and Storage Use:

- The five soft-closing dovetail drawers provide ample storage for toiletries and personal items. Gently push the drawers to engage the soft-close mechanism.
- The full extension glides allow for complete access to the contents of each drawer.
- The lower open shelving is ideal for storing rolled towels, decorative baskets, or other bathroom essentials.

CARE & MAINTENANCE

Proper care will ensure the longevity and beauty of your Villareal vanity.

Wood Finish Care:

- Wipe down wood surfaces regularly with a soft, damp cloth.
- Avoid using abrasive cleaners, harsh chemicals, or ammonia-based products, as these can damage the wood finish.
- Promptly wipe up any water spills to prevent water spots or damage to the wood.
- For deeper cleaning, use a wood-safe cleaner as directed by the product manufacturer.

Stone Top and Sink Care:

- Clean the composite stone top and ceramic sink with a mild, non-abrasive cleaner and a soft cloth or sponge.
- Avoid harsh chemicals, acidic cleaners, or abrasive scrubbing pads, which can scratch or dull the surface.

- Rinse thoroughly with clean water after cleaning and dry with a soft cloth to prevent water spots.
- For stubborn stains on the stone top, consult a professional stone cleaning guide or product.

Hardware Care:

- Wipe matte black hardware with a soft, dry cloth.
- Avoid using chemical cleaners on hardware, as they may strip the finish.

TROUBLESHOOTING

Here are some common issues and their potential solutions:

Problem	Possible Cause	Solution
Drawers not closing softly or smoothly	Obstruction in glides; glides need lubrication; drawer overloaded.	Check for obstructions. Clean glides. Apply silicone lubricant to glides. Reduce drawer load.
Water spots on stone top	Hard water residue; not drying surface after use.	Wipe dry after each use. Use a stone-safe cleaner for hard water stains.
Minor scratches on wood finish	Surface abrasion.	For minor scratches, use a wood repair marker or furniture polish designed for the finish. For deeper scratches, professional repair may be needed.
Sink draining slowly	Partial clog in drain.	Remove and clean the drain stopper. Use a plumbing snake or a chemical drain cleaner (follow product instructions carefully). If problem persists, consult a plumber.
