# Je Joue Vesta Vibrating Butt Plug User Manual

Model: Vesta (88587)

## 1. INTRODUCTION

### Product Overview

The Je Joue Vesta is a premium vibrating butt plug designed for a fulfilling experience. Crafted from soft, body-safe silicone, it features a weighted feel, smooth surface, and tapered tip for comfortable insertion. This device is compatible with various lubricants and is designed for both solo and partner use.

Equipped with Je Joue's signature low-frequency motor, the Vesta delivers deep, rumbling vibrations. It offers five distinct speeds and seven unique patterns, providing a wide range of sensations from gentle hums to intense pulses. The device is whisper-quiet, waterproof, and travel-ready, making it suitable for use in various settings. It also includes a Bluetooth remote control for flexible operation.

## 3. GETTING STARTED

### 3.1 Unboxing and Initial Inspection

Carefully remove the Je Joue Vesta from its packaging. Inspect the device for any visible damage or defects. Ensure all components, including the device, charging cable, and remote control (if applicable), are present.

Figure 2: Contents of the Je Joue Vesta package, showing the device, its box, a small instruction booklet, and a USB charging cable.

### 3.2 Initial Charge

Before first use, fully charge your Je Joue Vesta. Locate the charging port on the device, typically a small magnetic or covered port. Connect the provided USB charging cable to the device and plug the other end into a USB power source (e.g., computer, USB wall adapter). The indicator light will typically show charging status and turn solid when fully charged. Refer to the small instruction booklet for specific charging light indicators.

### 3.3 First Cleaning

Clean the device thoroughly before its first use. Refer to the 'Care and Maintenance' section for detailed cleaning instructions.

## **4. OPERATING INSTRUCTIONS**

### **4.1 Powering On/Off**

To power on the Je Joue Vesta, press and hold the power button (usually located on the base of the device) for a few seconds until the vibrations begin. To power off, press and hold the power button again until the vibrations cease.

### **4.2 Changing Vibration Modes and Speeds**

Once powered on, short presses of the power button will cycle through the 5 speeds and 7 patterns. Experiment with each setting to find your preferred sensation.

### **4.3 Using the Bluetooth Remote Control**

The Je Joue Vesta can be controlled via its Bluetooth remote. Ensure the remote is charged (if applicable) and paired according to the separate remote instructions (if provided). The remote allows for convenient control of vibration speeds and patterns from a distance.

## 5. CARE AND MAINTENANCE

## 5.1 Cleaning

The Je Joue Vesta is waterproof and easy to clean. After each use, wash the device thoroughly with warm water and a mild, toy-safe soap. Rinse completely and pat dry with a lint-free cloth. Do not use harsh chemicals, alcohol-based cleaners, or abrasive materials, as these can damage the silicone.

## 5.2 Storage

Store the device in a clean, dry place away from direct sunlight and extreme temperatures. Avoid storing it with other toys made of different materials, especially those containing PVC or phthalates, as this can cause damage to the silicone over time. Use the original packaging or a dedicated storage pouch for best preservation.

# 6. TROUBLESHOOTING

## 6.1 Device Not Turning On

- Ensure the device is fully charged. Connect it to the charger and wait for the charging indicator to confirm.
- Press and hold the power button firmly for the recommended duration (typically 2-3 seconds).

## 6.2 Weak Vibrations

- The battery may be low. Recharge the device fully.
- Ensure the device is clean and free from debris that might impede vibration.

## 6.3 Bluetooth Remote Not Connecting

- Ensure both the device and the remote are charged.

- Refer to the remote's specific instructions for pairing procedures.
- Ensure there are no obstructions or excessive distance between the device and the remote.

If you continue to experience issues, please refer to the 'Warranty and Support' section for contact information.
