WOLTU MB6101ws

WOLTU Dressing Table User Manual

Model: MB6101ws

Introduction

Thank you for choosing the WOLTU Dressing Table with LED lights. This product is designed to provide a functional and elegant space for your daily beauty routine. This manual contains important information regarding the assembly, operation, and maintenance of your new dressing table. Please read it thoroughly before beginning assembly or use, and keep it for future reference.

Safety Instructions

To ensure safe use and prevent damage, please observe the following safety guidelines:

- Always assemble the product on a clean, soft surface to prevent scratches.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload drawers or the tabletop. Refer to specifications for weight limits.
- Keep electrical components (LED bulbs, USB connector) away from water and moisture.
- Use the provided anti-tipping kit to secure the dressing table to a wall, especially if children or pets are present. This prevents accidental tipping.
- Do not attempt to modify the product or its electrical components.

Package Contents

Before assembly, please verify that all components are present and undamaged. If any parts are missing or damaged, please contact WOLTU customer support.

- Dressing Table Panels (Tabletop, Side Panels, Back Panel, Drawer Panels)
- Mirror with integrated LED frame
- 10 LED Bulbs with USB connector
- Drawer Runners and Hardware
- Assembly Hardware (Screws, Dowels, Cam Locks, etc.)
- Anti-tipping Kit
- Assembly Manual

Setup and Assembly

Assembly of the WOLTU Dressing Table is designed to be straightforward. Follow the steps below carefully. It is recommended to have two people for assembly.

Step-by-Step Assembly

1. **Unpack and Identify Parts:** Lay out all panels and hardware on a soft, clean surface. Compare them with the parts list in the included assembly manual to ensure everything is accounted for.
2. **Assemble the Main Frame:** Attach the side panels to the tabletop and bottom crossbar using the provided screws and dowels. Ensure all connections are secure.
3. **Install Drawer Runners:** Secure the silent metal drawer runners to the inner side panels of the table frame. Ensure they are level and aligned.
4. **Assemble Drawers:** Construct the two drawers by attaching the front, back, and side panels. Insert the drawer bottoms. Attach the corresponding drawer runners to the assembled drawers.
5. **Insert Drawers:** Carefully slide the assembled drawers into the table frame, ensuring they glide smoothly on the runners.
6. **Attach Mirror:** Secure the mirror unit to the tabletop using the designated fasteners. Ensure it is stable and upright.
7. **Install LED Bulbs:** Attach the 10 LED bulbs around the mirror frame. They can be mounted using either the 3M stickers or suction cups provided. Connect the USB cable to a suitable power source (e.g., USB wall adapter, power bank).
8. **Secure with Anti-Tilt Kit:** For added safety, attach the anti-tilt device to the back of the dressing table and secure it to a wall stud or appropriate wall anchor.

Operating Instructions

LED Light Operation

The dressing table is equipped with 10 adjustable LED bulbs to provide optimal lighting for makeup application and skincare. The lights feature 3 lighting modes and adjustable brightness.

- **Power On/Off:** Press the touch switch on the USB connector to turn the lights on or off.
- **Change Lighting Mode:** Briefly press the touch switch to cycle through the 3 lighting modes (e.g., cool white, warm white, natural light).
- **Adjust Brightness:** Press and hold the touch switch to continuously adjust the brightness level. Release when the desired brightness is reached.

Drawer Usage

The two spacious drawers provide ample storage for your cosmetics, jewelry, perfumes, and other accessories. The silent metal runners ensure smooth and quiet operation.

- Gently pull the drawer handles to open.
- Push the drawers firmly to close them completely.
- Avoid placing excessively heavy items in the drawers to ensure smooth operation and prevent damage to the runners.

Care and Maintenance

Proper care will help maintain the appearance and longevity of your WOLTU Dressing Table.

- **Cleaning:** Wipe the surface with a dry, soft cloth. For stubborn marks, a slightly damp cloth can be used, followed

immediately by a dry cloth. Avoid abrasive cleaners or harsh chemicals.

- **Spills:** The tabletop is water-repellent. In case of spills, wipe them immediately to prevent staining or damage.
- **Scratch Resistance:** While the surface is scratch-resistant, avoid dragging sharp or heavy objects across it to prevent damage.
- **LED Bulbs:** The LED bulbs are designed for long life. If a bulb needs replacement, contact customer support for compatible replacements.
- **General Care:** Keep the dressing table away from direct sunlight and extreme temperature changes to prevent warping or discoloration.

Troubleshooting

If you encounter any issues with your WOLTU Dressing Table, please refer to the table below for common problems and their solutions.

Problem	Possible Cause / Solution
LED lights do not turn on.	• Ensure the USB cable is securely connected to both the bulbs and a working power source. • Try a different USB power adapter or port. • Check if the touch switch is functioning correctly.
Drawers are difficult to open or close.	• Check if the drawer runners are properly aligned and installed. • Ensure no objects are obstructing the drawer's path. • Verify that the drawer is not overloaded. • Check if all assembly screws for the drawers and runners are tightened.
Table feels wobbly or unstable.	• Ensure all assembly screws are fully tightened. • Verify that the table is placed on a flat, level surface. • Utilize the anti-tipping kit to secure the table to the wall.
