3. SETUP AND ASSEMBLY

This product requires assembly. Please follow the included assembly instructions carefully. Ensure all parts are present before beginning. It is recommended to assemble the desk in the room where it will be used.

3.1 Dimensions and Configuration

Desk dimensions: 19.7"D x 59"W x 35.4"H (L-shape configuration).

3-tier Storage Space

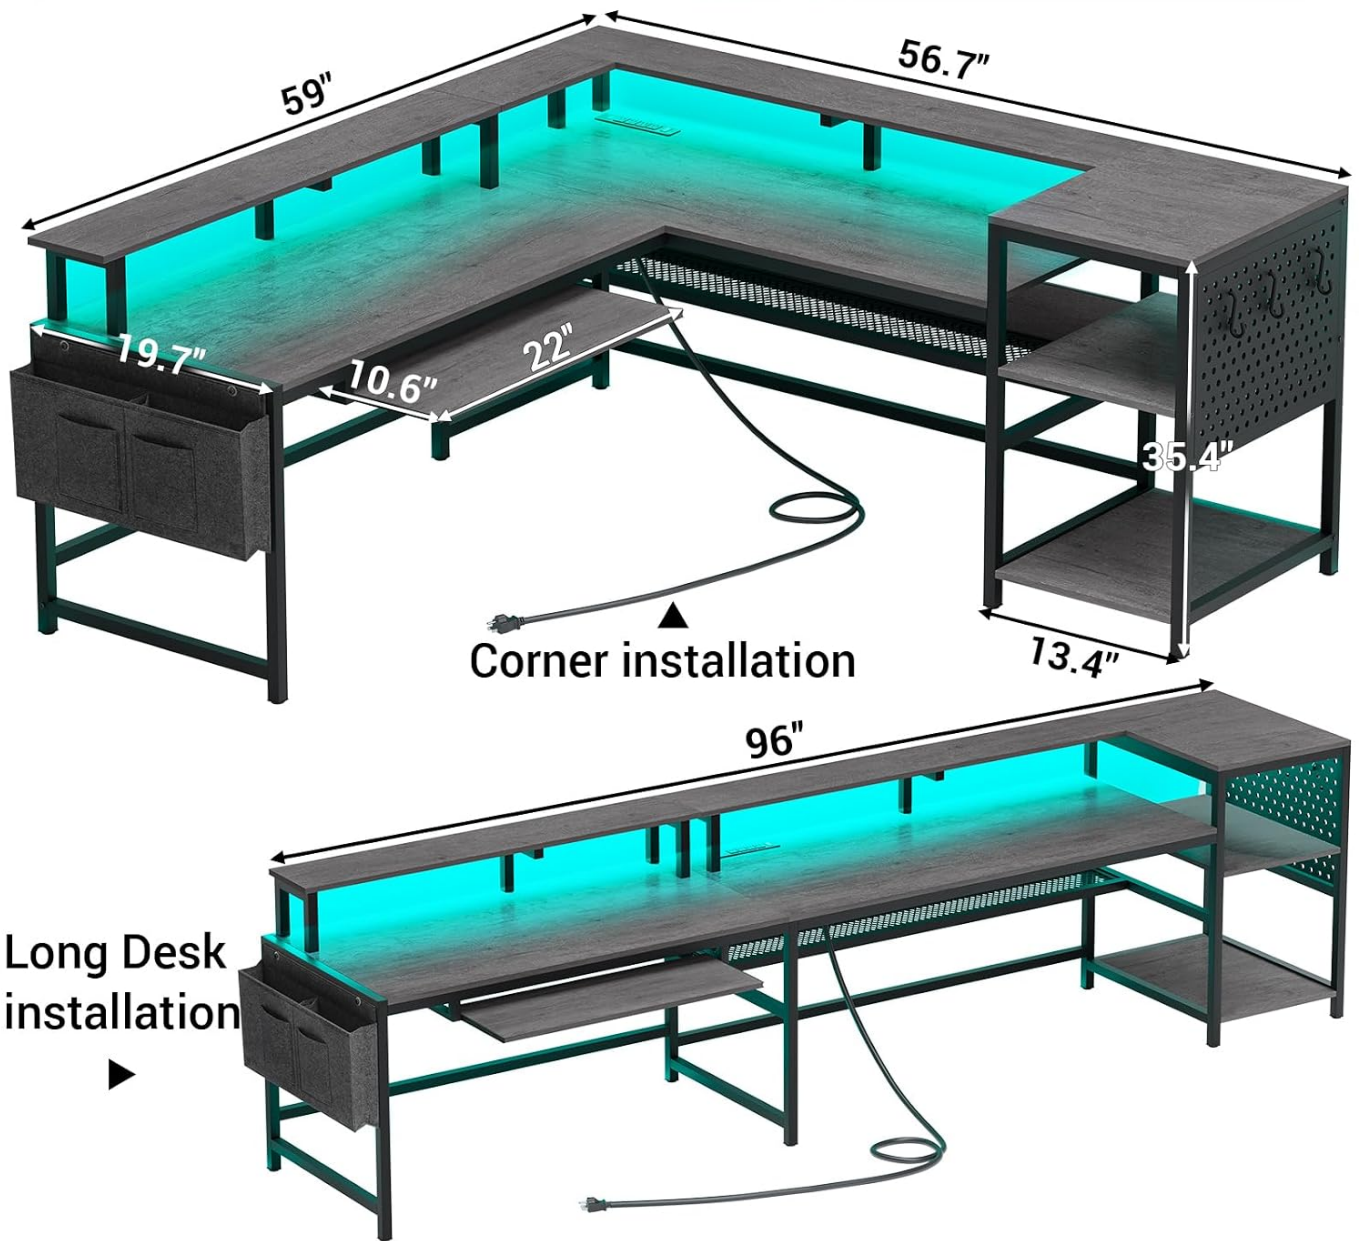

Under Desk Bookshelf

The desk can be assembled as an L-shaped corner desk or a 96-inch long desk.

Choose the Assembly Method as Required

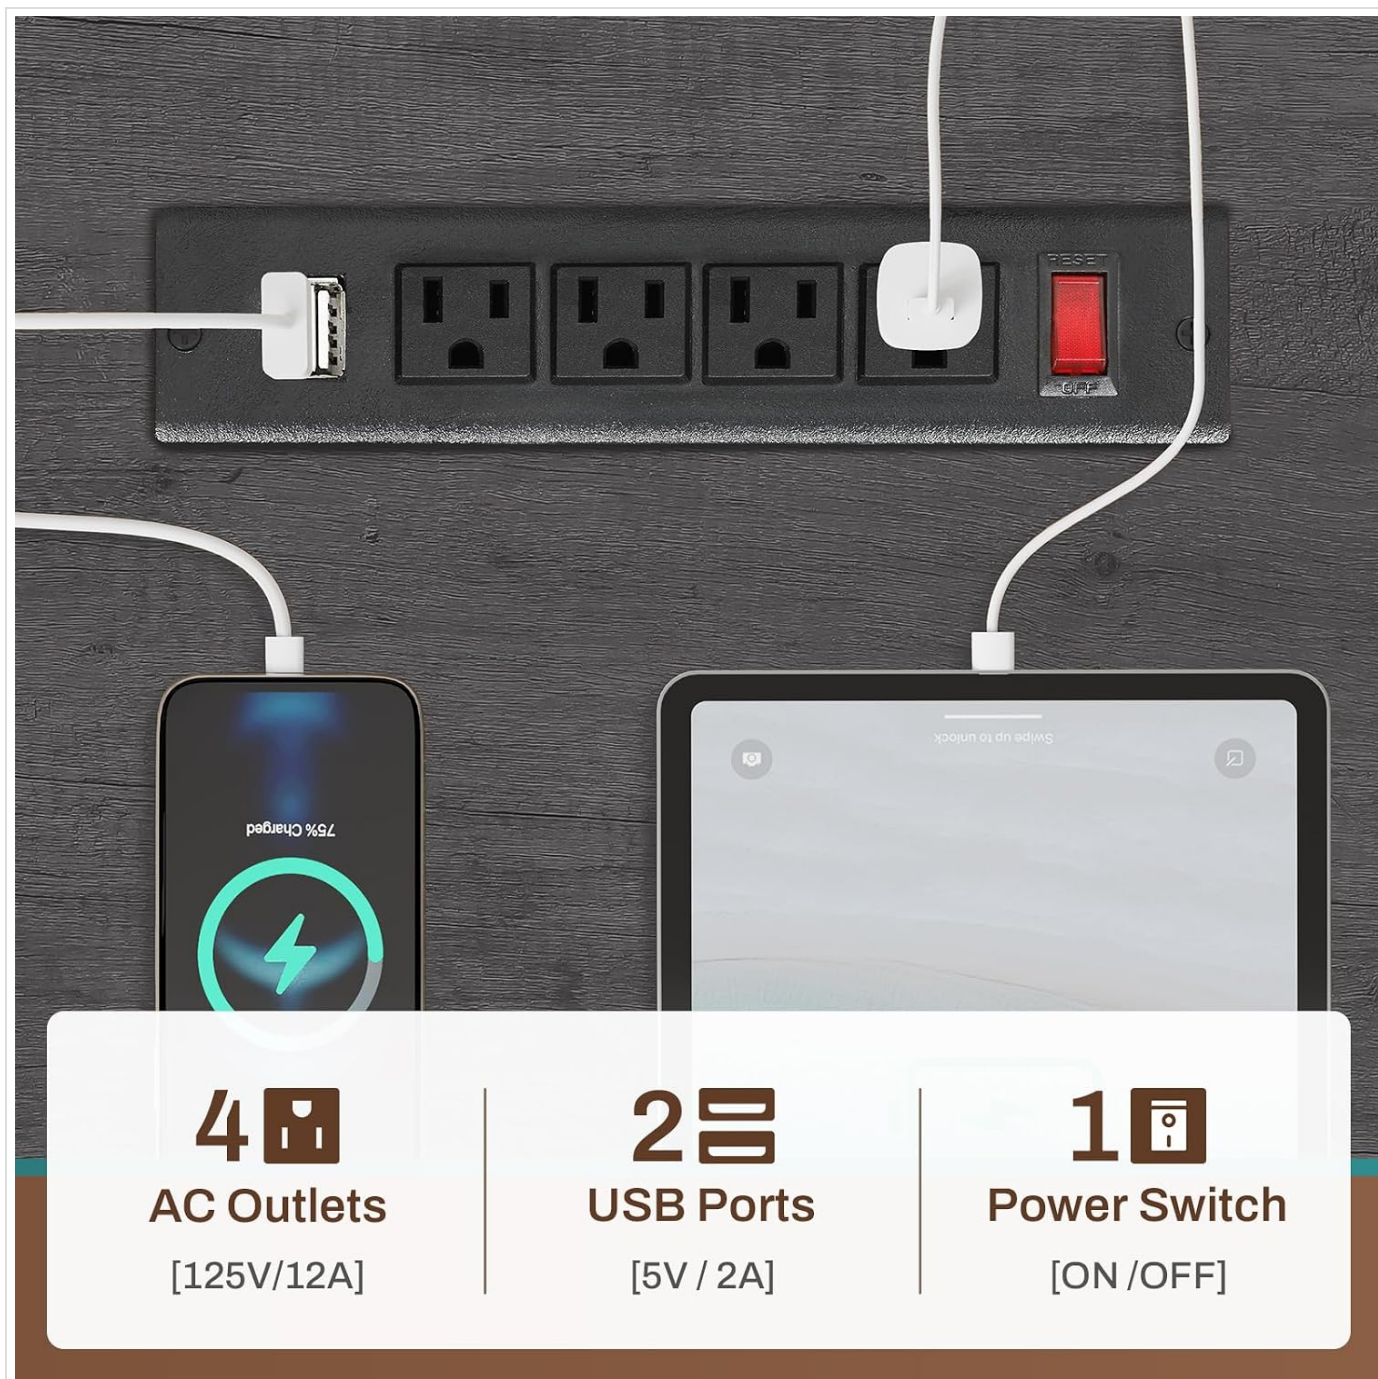

The reversible design allows the 3-tier storage unit to be placed on either the left or right side.

4. OPERATING INSTRUCTIONS

4.1 Power Outlets

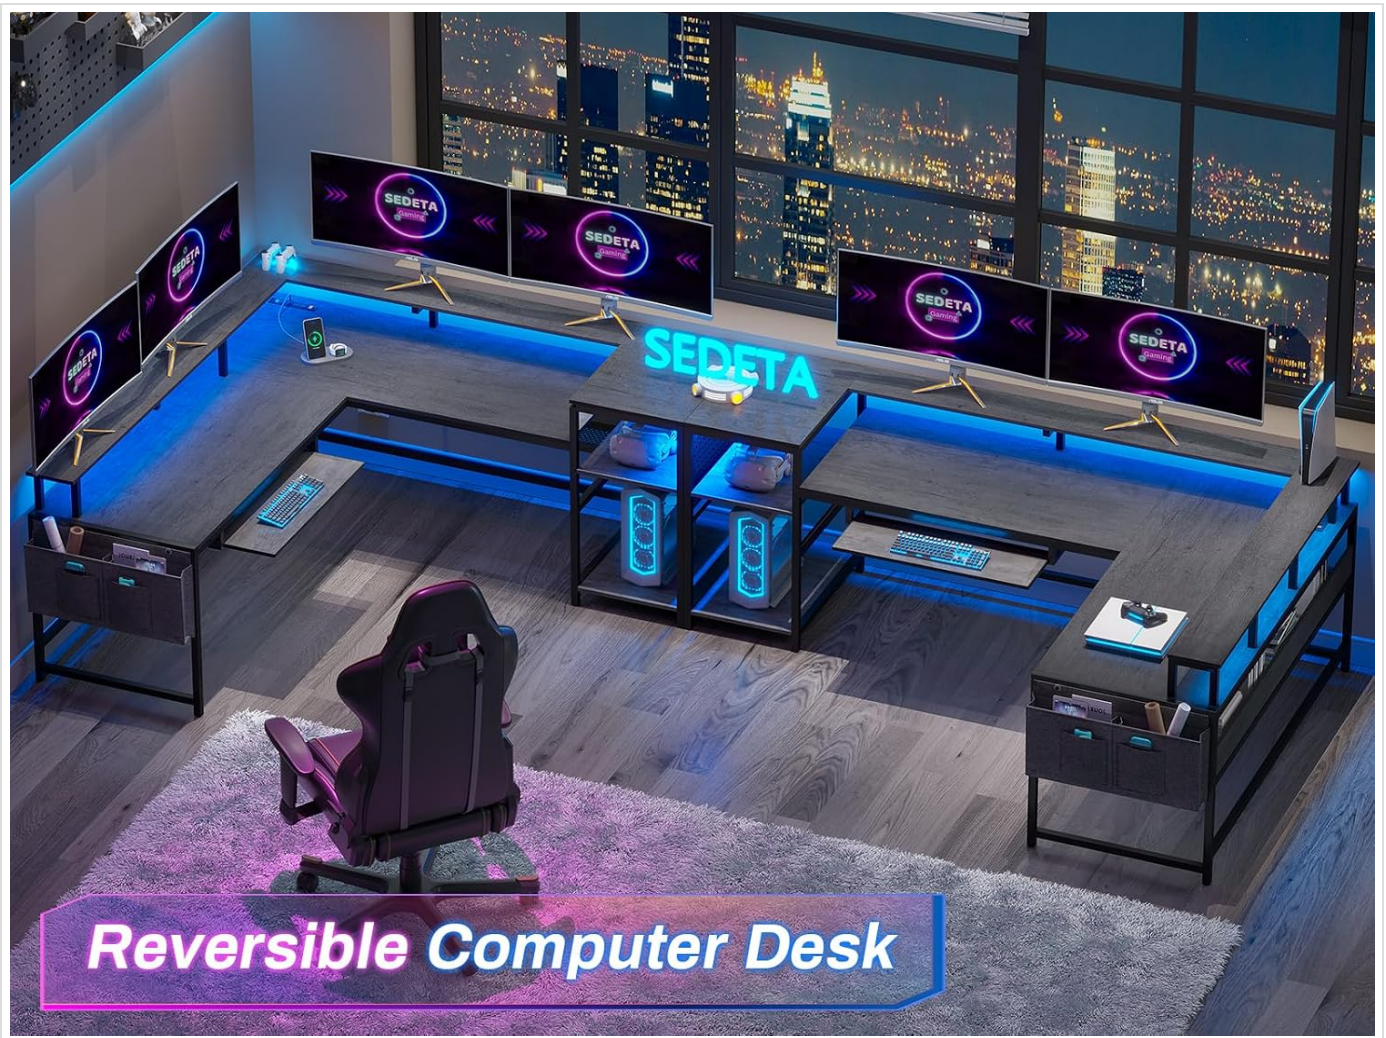

The desk includes a built-in power strip with 4 AC outlets and 2 USB ports. Use the integrated on-off switch to safely control power to connected devices.

The recessed power strip provides convenient access to power for your devices.

4.2 LED Lighting

The RGB LED lights can be controlled via a remote or a dedicated mobile application. Explore over 60,000 colors and 29 flashing modes. The music sync function allows the lights to change with the rhythm of sound and music.

The LED lights add an aesthetic and functional element to your workspace.

4.3 Keyboard Tray

The 21.7-inch keyboard tray is designed to accommodate most 108-key or 87-key keyboards along with a mouse, providing an ergonomic typing position.

The pull-out keyboard tray offers additional desk space.

4.4 Storage Features

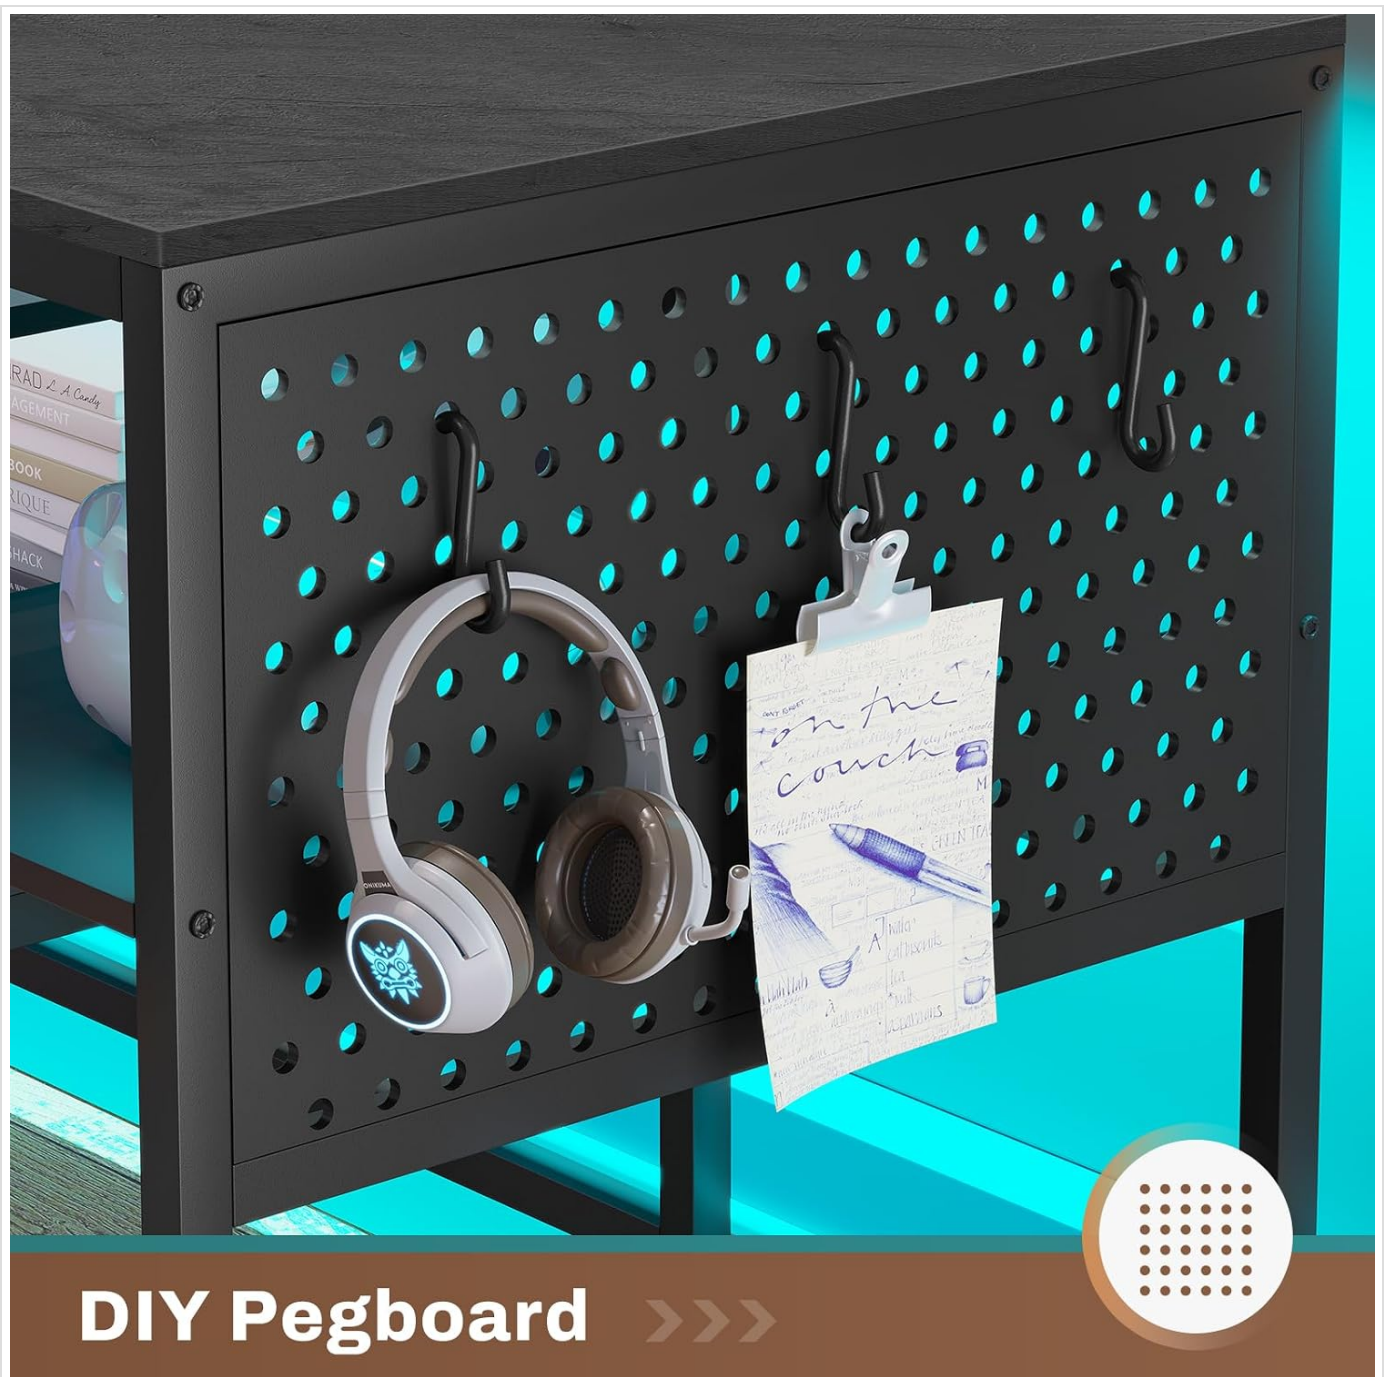

Utilize the pegboard for hanging headphones or other accessories, and the 3-tier storage shelves for books, files, or gaming equipment.

Integrated 3-tier storage and an under-desk bookshelf offer ample space for organization.

5. MAINTENANCE

To maintain the appearance and longevity of your SEDETA desk, wipe it with a dry cloth regularly. Avoid using harsh chemicals or abrasive cleaners that could damage the finish. Ensure all connections for the power outlets and LED lights are secure and free from dust.

6. TROUBLESHOOTING

If you encounter any issues with your desk, please review the assembly instructions to ensure all components are correctly installed. For problems with the power outlets or LED lights, check the connections and ensure the power switch is in the 'ON' position. If issues persist, please contact customer support.
