## Key Features:

- **4-in-1 Versatility:** Functions as a play mat, activity gym, tummy time mat, and ball pit.
- **Early Development Focus:** Includes interchangeable plush toys with crinkle, squeaker, and rattle sound effects to stimulate senses and motor skills.
- **Easy Setup & Portability:** Designed for quick assembly and disassembly, with an exclusive storage bag for convenient transport.
- **All-in-One Activity Center:** Provides a comprehensive and engaging environment for learning through play for babies aged 0-18 months.
- **Safety & Comfort:** Constructed from soft, durable fabric (cotton) with a mesh safety fence for secure play.

## COMPONENTS

Before assembly, ensure all components are present and undamaged. The package includes:

- 1 x Main Play Mat (Pink Donut design)
- 2 x Overhead Arches (padded, striped)
- 4 x Short Padded Tubes (for base support)
- 5 x Hanging Sensory Toys (various shapes like donut, ice cream, lollipop, star)

## SETUP INSTRUCTIONS

Follow these steps to assemble your AskCat 4-in-1 Baby Play Mat & Activity Gym:

1. **Prepare Area:** Choose a large, unobstructed space for assembly.
2. **Unfold Base:** Carefully pop open the base with the mesh sides. It may unwind with some force.
3. **Insert Padded Tubes:** Place the four short padded tubes into the Velcro pockets located on the sides of the base. This may

require some gentle shoving and bending to fit securely.

4. **Position Play Mat:** Lay the main play mat (donut design) into the base.
5. **Attach Arches:** Carefully unhook the two overhead arches. Re-hook them to the designated loops located on the underside of the play mat. Ensure they are securely fastened and form a stable arch over the mat.
6. **Hang Toys:** Attach the five hanging sensory toys to the loops on the overhead arches as desired.
7. **Add Play Balls:** If using the ball pit mode, place the included play balls onto the mat within the mesh enclosure.

Disassembly is the reverse of assembly. The components are designed to fit back into the exclusive storage bag for portability.

## OPERATING MODES

The AskCat Baby Play Mat & Activity Gym offers four versatile modes to adapt to your baby's developmental stages:

### 1. Overhead Gym for Lay and Play (0-6 Months)

Ideal for newborns, this mode allows babies to lie on their back and interact with the hanging toys, promoting visual tracking and reaching skills.

## 2. Open Arches for Tummy Time and Play (6-12 Months)

As your baby grows, the arches can be adjusted or used to encourage tummy time, strengthening neck and core muscles while engaging with toys on the mat.

## MAINTENANCE AND CARE

Proper care will ensure the longevity and hygiene of your play mat:

- **Washing:** The Baby Gym Play Mat can be machine washed cold separately. Use a gentle cycle.
- **Bleach:** Do not use bleach.
- **Drying:** Dry flat.
- **Ironing:** Do not iron.
- **Dry Cleaning:** Do not dry clean.
- **Spot Cleaning:** For minor spills, spot clean with a damp cloth and mild soap.

## TROUBLESHOOTING

If you encounter any issues with your AskCat Baby Play Mat & Activity Gym, please refer to the following common solutions:

Problem	Possible Cause	Solution
Arches are not stable.	Arches not securely hooked to the mat.	Ensure both ends of each arch are firmly hooked into the loops on the underside of the play mat.
Base/mesh not fully expanded.	Base may be folded incorrectly or still compressed from packaging.	Gently but firmly unfold the base, ensuring the internal frame expands completely to form the circular shape.
Missing or damaged components.	Packaging error or transit damage.	Contact AskCat customer support immediately for assistance.
Hanging toys seem unengaging.	Individual preference or limited sensory variety.	The simple loop attachment system allows for easy replacement with other compatible baby toys that offer different textures or sounds.
