5. Maintenance

To keep your Mini Brands Fashion Series 3 collectibles in optimal condition, follow these simple maintenance guidelines:

- **Storage:** Store miniatures in a clean, dry place away from direct sunlight and extreme temperatures. Original capsules or display cases are ideal for protection.
- **Handling:** Handle miniatures with care to prevent damage to small parts. Avoid dropping or applying excessive force.

6. Troubleshooting

While Mini Brands Fashion Series 3 items are generally straightforward, here are solutions to common concerns:

- **Duplicates:** Receiving duplicate items is a normal part of collecting mystery capsules. Consider trading with friends or using them for creative displays.
- **Missing Parts:** Due to the small size of some components, occasionally a tiny piece might be misplaced during unboxing. Carefully check the capsule and packaging. If an item appears genuinely

incomplete or damaged upon opening, refer to the warranty and support section.

- **Difficulty Opening Capsule:** If the capsule is stiff, gently apply pressure around the seams. Avoid using tools that could damage the capsule or its contents.
