User Manual: Full Over Full Bunk Bed with Stairs and Storage Drawers

Model: B0CG38LDCQ | Brand: Harper & Bright Designs

1. PRODUCT OVERVIEW

This Harper & Bright Designs Full Over Full Bunk Bed with Stairs and Storage Drawers is designed to provide extra sleeping space and integrated storage solutions. It features a robust construction with solid pine legs and a durable frame, ensuring stability for long-term use. The bunk bed includes a built-in staircase with four open shelves for convenient storage and three spacious drawers located beneath the bottom bed. This versatile design allows the bunk bed to be separated into two individual full-size beds, offering flexibility for various room configurations. A slat kit is included, eliminating the need for box springs. The bed's clean silhouette and elegant white finish complement a wide range of home decor styles.

2. SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in serious injury.

- **Weight Capacity:** Do not exceed the stated weight capacities. The upper bed has a weight capacity of 200 LBS, and the bottom bed has a weight capacity of 275 LBS. Exceeding these limits or improper assembly may lead to instability or collapse.
- **Guardrails:** The upper bunk is equipped with full-length guardrails for user safety. Ensure these are properly installed and secured at all times.
- **Stairs:** The integrated staircase provides safe access to the upper bunk. Always use the stairs for entry and exit from the top bunk.
- **Mattress Thickness:** For safety, the recommended mattress thickness for the upper bed is 6 inches, and for the bottom bed is 8 inches. Ensure the mattress on the upper bunk does not exceed the height of the guardrails.

- **Assembly:** This product requires assembly. Ensure all parts are correctly installed and all fasteners are tightened securely before use. Regularly check all connections and tighten as necessary.
- **Supervision:** Children using the upper bunk should be supervised, especially during initial use.

3. PACKAGE CONTENTS

The Harper & Bright Designs Full Over Full Bunk Bed is shipped in three separate boxes, which may arrive at different times. Please ensure all boxes have been received before beginning assembly.

Upon opening, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer support immediately.

- Bunk Bed Frame components (various wood panels, slats, and supports)
- Staircase components
- Storage Drawer components
- All necessary assembly tools
- Installation Manual

4. SETUP AND ASSEMBLY

Assembly of the bunk bed is required. An installation manual with clear instructions and necessary tools is included in the package. It is recommended to have at least two adults for assembly.

1. Preparation:

- Unpack all components and lay them out on a clean, soft surface (e.g., a rug or blanket) to prevent scratches.
- Identify all parts and hardware by comparing them with the parts list in the included installation manual.
- Ensure you have all required tools. While basic tools are provided, a power drill with appropriate bits can expedite the process.

2. Follow the Manual:

- Refer to the step-by-step instructions in the provided Installation Manual.
- Pay close attention to diagrams and ensure correct orientation of parts.
- Do not fully tighten all fasteners until the entire section is assembled, then go back and tighten everything securely.

3. Assembly Tips:

- Some wood pieces may not be labeled; refer carefully to the diagrams in the manual to identify them.
- If you encounter misaligned holes or missing hardware, do not force parts. Contact customer support for assistance.
- The bed can be assembled as a bunk bed or separated into two individual full-size beds. Follow the specific instructions in the manual for your desired configuration.

5. OPERATING AND USAGE

Once assembled, the bunk bed is ready for use.

- **Sleeping Arrangements:** The bunk bed accommodates two full-size mattresses. Ensure mattresses meet the recommended thickness for safety and comfort.
- **Staircase Storage:** Utilize the four open shelves integrated into the staircase for storing books, toys, bedding, or other personal items.
- **Under-Bed Drawers:** The three spacious drawers under the bottom bed provide additional storage for clothes, linens, or other belongings, helping to keep the room tidy.

- **Separation Feature:** If desired, the bunk bed can be converted into two independent full-size beds. Refer to the assembly manual for instructions on how to safely separate the units.

6. MAINTENANCE

Proper maintenance will help prolong the life and appearance of your bunk bed.

- **Cleaning:** Dust or wipe the surfaces with a damp cloth as needed. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Fastener Check:** Periodically check all bolts, screws, and other fasteners to ensure they remain tight. Retighten any loose connections to maintain structural integrity and safety.
- **Environmental Conditions:** Avoid placing the bed in direct sunlight or near heat sources, which can cause wood to dry out, crack, or warp. Maintain a stable room temperature and humidity.

7. TROUBLESHOOTING

This section addresses common issues that may arise during assembly or use.

Problem	Possible Cause	Solution
Missing or damaged parts upon delivery.	Shipping error or manufacturing defect.	Do not proceed with assembly. Contact Harper & Bright Designs customer support immediately with your purchase details and a list of missing/damaged parts.
Difficulty aligning holes during assembly.	Parts incorrectly oriented, or minor manufacturing tolerance issues.	Double-check the orientation of the parts against the manual's diagrams. Loosen adjacent fasteners slightly to allow for adjustment, then re-tighten. If the issue persists, contact customer support.
Bed feels wobbly or unstable after assembly.	Fasteners not fully tightened, or incorrect assembly step.	Review the assembly manual to ensure all steps were followed correctly. Systematically check and securely tighten all bolts, screws, and connections. Ensure the bed is on a level surface.
Drawers do not slide smoothly.	Drawer runners misaligned or debris in the tracks.	Check that the drawer runners are correctly installed and aligned. Clear any dust or debris from the tracks. A small amount of silicone lubricant can be applied to the runners if needed.
