QISHOUTING Mini Panda Building Blocks

QISIHOUTING Mini Panda Building Blocks Instruction Manual

Model: Mini Panda Building Blocks

Introduction

This manual provides detailed instructions for assembling your QISIHOUTING Mini Panda Building Blocks set. This set allows you to construct a miniature panda figure using micro-sized building blocks. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.

Safety Information

- **Small Parts Warning:** This product contains small parts and is not suitable for children under 3 years of age due to choking hazards.
- Adult supervision is recommended during assembly, especially for younger users.
- Keep all packaging materials away from children.

Package Contents

Your QISIHOUTING Mini Panda Building Blocks set includes:

- Approximately 504 micro building blocks (specific count may vary slightly).
- One instruction booklet (if included, otherwise refer to this digital manual).

- (Optional) Small tool for block separation (if provided).

Please verify all pieces are present before starting assembly. In case of missing parts, please contact customer support.

Assembly Instructions

Follow these general steps to assemble your Mini Panda Building Blocks. Refer to the visual guides within the physical instruction booklet (if provided) or the detailed steps below.

1. **Preparation:** Unpack all components and lay them out on a clean, flat surface. Sorting blocks by color and size can facilitate assembly.
2. **Base Construction:** Begin by constructing the base of the panda figure. Identify the largest base pieces and connect them according to the initial steps.
3. **Layer by Layer:** Micro building blocks are typically assembled layer by layer. Carefully follow the sequence, ensuring each block is firmly pressed into place.
4. **Body Structure:** Build the main body of the panda, paying close attention to the color patterns for the black and white sections.
5. **Head and Facial Features:** Assemble the head, including the eyes, nose, and ears. The pink cheek details are added in this stage.
6. **Appendages and Details:** Attach the legs and any additional decorative elements, such as the green bamboo shoot on the head for the Grass Panda variant.
7. **Final Check:** Once assembled, gently press all blocks to ensure a secure connection.

Care and Maintenance

- **Cleaning:** To clean the assembled model, gently wipe with a dry, soft cloth. Avoid using harsh chemicals or abrasive materials.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.

- **Disassembly:** If disassembling, do so carefully to avoid damaging the blocks. A small block separator tool (if available) can be helpful.

Troubleshooting

- **Difficulty Connecting Blocks:** Ensure blocks are aligned correctly and apply firm, even pressure. Micro blocks can sometimes require more force than larger blocks.
- **Missing Pieces:** Double-check the packaging and assembly area. If pieces are genuinely missing, contact QISHOUTING customer support with your product details.
- **Model Instability:** Ensure all blocks are fully connected. If a section feels loose, re-examine the assembly steps for that area.

Specifications

Feature	Detail
Brand	QISHOUTING
Model	Mini Panda Building Blocks (Grass Panda)
Number of Pieces	Approximately 504
Recommended Age	9 years and up
Package Dimensions	6.3 x 4.61 x 1.81 inches
