Livory YJ682

Livory 52" Smart Low Profile Ceiling Fan User Manual

Model: YJ682

Introduction

Thank you for choosing the Livory 52" Smart Low Profile Ceiling Fan. This manual provides detailed instructions for installation, operation, and maintenance to ensure safe and efficient use of your new ceiling fan. This smart ceiling fan features a quiet DC motor, 3 wood blades, dimmable and color-changing LED lights, and multiple control options including remote, app, and voice control via Wi-Fi with Alexa and Google Assistant.

Safety Information

Please read all instructions carefully before beginning installation. Failure to do so could result in electric shock, fire, or personal injury.

- Ensure power is disconnected at the circuit breaker before installation or servicing.
- All wiring must be in accordance with national and local electrical codes.
- Consult a qualified electrician if you are unsure about wiring procedures.
- Mount the fan only to an outlet box marked "Acceptable for Fan Support of 35 lbs (15.9 kg) or less" and use the mounting screws provided with the outlet box.
- Do not bend the blade holders during installation or cleaning.
- This fan is suitable for indoor and covered outdoor use. Do not expose to direct water.
- This fan is designed for flush mounting and is not suitable for vaulted ceilings.

Package Contents

Verify that all parts are included before beginning installation:

- Ceiling Fan Motor Housing
- 3 Wood Blades
- LED Light Kit
- Remote Control (requires 2*AAA Batteries, not included)
- Mounting Bracket
- Hardware Pack (screws, wire nuts, etc.)

- Instruction Manual

Setup and Installation

Installation is designed to be user-friendly. Follow these steps carefully:

1. **Prepare for Installation:** Turn off power at the circuit breaker. Ensure the mounting location is suitable for fan support.
2. **Install Mounting Bracket:** Secure the mounting bracket to the ceiling outlet box using the provided screws. Ensure it is firmly attached.
3. **Assemble Fan Blades:** Attach the 3 wood blades to the motor housing. Ensure screws are tightened securely.
4. **Wiring Connections:** Connect the fan's electrical wires to your household wiring. Match colors (e.g., black to black, white to white, green/bare to ground). Use wire nuts to secure connections.
5. **Mount Fan to Bracket:** Carefully lift the fan assembly and attach it to the mounting bracket. Ensure all connections are tucked safely inside the canopy.
6. **Install LED Light Kit:** Connect the LED light kit wires to the fan motor's light wires. Secure the light kit to the bottom of the fan.
7. **Attach Light Cover:** Twist or snap the light cover into place.
8. **Restore Power:** Turn power back on at the circuit breaker.

Operating Instructions

Remote Control Operation

The included remote control provides full functionality for your fan and light.

- **Fan ON/OFF:** Press the fan power button.
- **Fan Speed:** Select from 6 adjustable fan speeds (1-6).
- **Light ON/OFF:** Press the light power button.
- **Light Color Temperature:** Cycle through 3000K (warm yellow), 4000K (bright daylight), and 5000K (cool white) options.
- **Light Dimming:** Use the LED+ and LED- buttons to adjust brightness from 0% to 100%.
- **Timer Function:** Set the fan to turn off automatically after a set period (e.g., 2H for 2 hours).
- **Reversible Function:** Change the direction of the fan blades for summer (downward airflow) or winter (upward airflow to circulate warm air).

Smart Control (Wi-Fi, App, Voice)

The Livory Smart Ceiling Fan can be controlled via Wi-Fi using the dedicated app or voice commands through Alexa and Google Assistant.

1. **App Download:** Download the "Tuya Smart" or "Smart Life" app from your smartphone's app store.
2. **Pairing:** Follow the in-app instructions to pair your fan with your Wi-Fi network. Ensure your Wi-Fi is 2.4GHz.
3. **Voice Control Setup:** Once paired with the app, enable the "Tuya Smart" or "Smart Life" skill in your Alexa or Google Home app and link your accounts.
4. **Voice Commands:** Use commands such as "Alexa, turn on the fan in the bedroom" or "Hey Google, set fan speed to 3."

Maintenance

Regular maintenance ensures optimal performance and longevity of your fan.

- **Cleaning:** Use a soft, damp cloth to clean the fan blades and motor housing. Do not use abrasive cleaners or solvents.
- **Blade Inspection:** Periodically check that all blade screws are tight. Over time, they may loosen, causing the fan to wobble.
- **Light Cover:** Ensure the light cover is clean and free of dust to maintain optimal light output.
- **No Lubrication Needed:** The DC motor is permanently lubricated and does not require additional oiling.

Troubleshooting

If you experience issues with your fan, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Fan does not start	No power to the fan; Loose wire connections; Remote control battery dead.	Check circuit breaker; Verify all wire connections are secure; Replace remote control batteries.
Fan wobbles	Loose blade screws; Unbalanced blades; Loose mounting bracket.	Tighten all blade screws; Use balancing kit (if included) to balance blades; Ensure mounting bracket is securely fastened.
Light does not work	Loose light kit wiring; Faulty LED light kit.	Check light kit wire connections; Contact customer support for replacement if faulty.
Remote control not working	Dead batteries; Remote not paired with fan.	Replace batteries; Follow pairing instructions in the manual to re-pair the remote.

Problem	Possible Cause	Solution
Smart control not connecting	Incorrect Wi-Fi band (not 2.4GHz); Incorrect pairing steps; Router issues.	Ensure Wi-Fi is 2.4GHz; Re-attempt pairing process; Restart router.

Specifications

- **Model Name:** 52-YJ682-BW
- **Product Dimensions:** 52"D x 52"W x 7.8"H
- **Number of Blades:** 3
- **Blade Material:** Wood
- **Motor Type:** Quiet DC Motor
- **Noise Level:** 30 dB
- **Air Flow Capacity:** 4124 Cubic Feet Per Minute (CFM)
- **Wattage:** 39 watts
- **Voltage:** 120V
- **Light Type:** Dimmable & Color-changing LED (3000K, 4000K, 5000K)
- **Control Method:** Remote, App (Tuya Smart/Smart Life), Voice (Alexa, Google Assistant)
- **Indoor/Outdoor Usage:** Outdoor (covered), Indoor
- **Special Features:** 6 Reversible speeds, Timer function
- **Certification:** FCC
