2. IMPORTANT SAFETY INFORMATION

Please adhere to the following safety guidelines to prevent injury or damage to the product:

- Always follow the assembly instructions carefully.
- Do not exceed the maximum weight recommendation of **44 pounds (20 kg)** on the tabletop or in the drawers.
- Secure the nightstand to the wall using appropriate anti-tipping hardware (if included) to prevent tipping, especially in households with children or pets.
- Keep fingers away from pinch points during assembly and when operating drawers.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten as needed.
- Do not stand or climb on the nightstand.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components listed below are present and undamaged. If any parts are missing or damaged, please contact customer service.

6. **Attach Handles:** Secure the metal handles to the drawer fronts.
7. **Install Legs:** Screw the solid wood legs into the designated points on the bottom of the nightstand. Ensure anti-slip rubber pads are attached to protect floors.
8. **Insert Drawers:** Carefully slide the assembled drawers into the nightstand frame, aligning them with the installed drawer slides.
9. **Final Check:** Verify that all connections are tight and the nightstand is stable.

5. OPERATING INSTRUCTIONS

Your Aiho AP36-W Nightstand is designed for convenient storage and use.

5.1 Drawer Usage

The nightstand features two spacious wooden drawers equipped with a smooth sliding system. To open, gently pull the metal handles. To close, push the drawers back until they are fully seated. Avoid forcing the drawers, as this may damage the slides.

5.2 Placement and Functionality

This nightstand is suitable for indoor use. Its compact dimensions (15"D x 18.2"W x 20"H) make it ideal for various spaces. It can function as:

- A bedside table for lamps, books, and personal items.
- An end table next to a sofa or armchair.
- A small storage unit in a hallway or living area.

6. MAINTENANCE

Proper care will extend the life and appearance of your nightstand.

6.1 Cleaning

The nightstand features a water-resistant and scratch-resistant surface, making it easy to clean. Use a soft, damp cloth to wipe down surfaces. Avoid abrasive cleaners or harsh chemicals, as these can damage the finish. For spills, wipe immediately with a dry cloth.

Image 6.1: The nightstand's surface is designed to be water-resistant, allowing for easy cleaning of spills.

6.2 General Care

- Periodically check all screws and fasteners to ensure they remain tight. Re-tighten as necessary to maintain stability.
- Avoid placing hot items directly on the surface; use coasters or protective pads.
- Keep the nightstand away from direct sunlight and extreme temperature changes to prevent material warping or fading.
- The anti-slip rubber pads on the feet protect your floors and minimize noise when moving the unit. Ensure these pads are intact.

7. TROUBLESHOOTING

If you encounter any issues with your Aiho AP36-W Nightstand, refer to the following common problems and solutions:

Problem	Possible Cause	Solution
Drawers do not slide smoothly or get stuck.	Misaligned drawer slides or loose screws.	Check that the drawer slides are correctly installed and aligned. Tighten all screws on the slides and drawer components. Ensure no obstructions are in the drawer path.
Nightstand feels wobbly or unstable.	Loose assembly screws or uneven floor.	Re-tighten all assembly screws. If the floor is uneven, place shims under the legs to stabilize the unit.
Stains on the wood surface.	Spills not cleaned promptly or use of inappropriate cleaners.	For fresh spills, wipe immediately. For existing stains, use a mild wood cleaner designed for painted surfaces. Avoid harsh chemicals. Note that the product is not stain-resistant.
Handles are loose.	Screws attaching handles are loose.	Tighten the screws on the inside of the drawer fronts that secure the handles.

If the problem persists after attempting these solutions, please contact Aiho customer service for further assistance.
