# Cien Men Caffeine Tonic User Manual

For Stronger Hair Roots and Prevention of Hair Loss

## 1. PRODUCT OVERVIEW

The Cien Men Caffeine Tonic is a specialized hair care product formulated to stimulate hair roots and help prevent hereditary hair loss. This vegan tonic is free from silicones and microplastics, making it a conscious choice for your hair care routine.

It features an active complex of Caffeine and AnaGain , which works to invigorate weakened hair roots and support their activity. Enriched with Provitamin B5 and Vitamin B3, it provides refreshing and deep-acting care, strengthening the hair at its base for robust, well-groomed men's hair.

- Contains an active complex of Caffeine and AnaGain .
- Stimulates hair roots to combat hereditary hair loss.
- Designed for strong men's hair.
- Each bottle contains approximately 150 ml.
- Shelf life: 12 months after opening.
- Vegan, free from silicones and microplastics.

## 2. SAFETY INFORMATION

Please read and adhere to the following safety guidelines to ensure proper and safe use of the product:

- **Avoid Eye Contact:** Ensure the product does not come into contact with your eyes. In case of accidental contact, rinse thoroughly with water immediately.
- **Drying Time:** Allow the product to dry briefly on the scalp before styling your hair.
- **External Use Only:** This product is intended for external use on the scalp only. Do not ingest.
- **Keep Out of Reach of Children:** Store the product in a location inaccessible to children.

## 3. USAGE INSTRUCTIONS

For optimal results, follow these application steps:

1. **Application Frequency:** Apply the tonic preferably in the morning and evening.
2. **Direct Application:** Use the dosing tip to apply the tonic directly onto the scalp.
3. **Gentle Massage:** Gently massage the tonic into your scalp to stimulate microcirculation.
4. **Do Not Rinse:** Do not rinse the product out of your hair.
5. **Drying Before Styling:** Allow the tonic to dry briefly on your scalp before proceeding with hair styling.

## 6. STORAGE AND MAINTENANCE

To maintain the quality and effectiveness of your Cien Men Caffeine Tonic, please observe the

following storage guidelines:

- **Shelf Life:** The product is best used within 12 months after opening. Refer to the packaging for the specific period after opening (PAO) symbol.
- **Storage Conditions:** Store in a cool, dry place, away from direct sunlight and extreme temperatures.
- **Cap Tightly:** Ensure the cap is tightly closed after each use to prevent evaporation and contamination.

## 7. TROUBLESHOOTING

While the Cien Men Caffeine Tonic is designed for ease of use, here are some common concerns and their resolutions:

- **Product in Eyes:** If the tonic accidentally gets into your eyes, rinse them immediately and thoroughly with plenty of clean water. If irritation persists, seek medical advice.
- **Scalp Irritation:** In rare cases, sensitive individuals might experience mild scalp irritation. If irritation occurs, discontinue use. If symptoms persist, consult a dermatologist.
- **No Visible Results:** Hair growth and reduction of hair loss can take time. Consistent daily application as directed is crucial. Results may vary between individuals. Continue use for at least 3-6 months to assess effectiveness.
