

BANTI B-SDE-SZ01

BANTI B-SDE-SZ01-63WE 63-inch White L-Shaped Standing Desk with Monitor Stand User Manual

Model: B-SDE-SZ01

INTRODUCTION

This manual provides essential information for the assembly, operation, maintenance, and troubleshooting of your BANTI B-SDE-SZ01-63WE 63-inch White L-Shaped Standing Desk with Monitor Stand. Please read these instructions carefully before assembly and use to ensure safe and efficient operation.

The BANTI L-Style Height Adjustable Electric Standing Desk is designed to facilitate a dynamic work environment, allowing users to easily switch between sitting and standing positions. This can contribute to reduced discomfort and improved focus during extended work periods.

SAFETY INFORMATION

- Ensure all components are present and undamaged before beginning assembly.
- Assembly typically requires two people due to the size and weight of the components.
- Keep children and pets away from the desk during operation to prevent injury.
- Do not overload the desk. Refer to the specifications for maximum weight capacity.
- Ensure power cables are routed safely to avoid tripping hazards or damage.
- The desk features an anti-collision system. Do not obstruct the desk's movement.
- Only use the provided power adapter and components.

SETUP AND ASSEMBLY

Detailed installation instructions are included in the product package. Please follow them carefully. Assembly is generally straightforward, but having two people will significantly ease the process, especially when handling larger components and flipping the assembled desk upright.

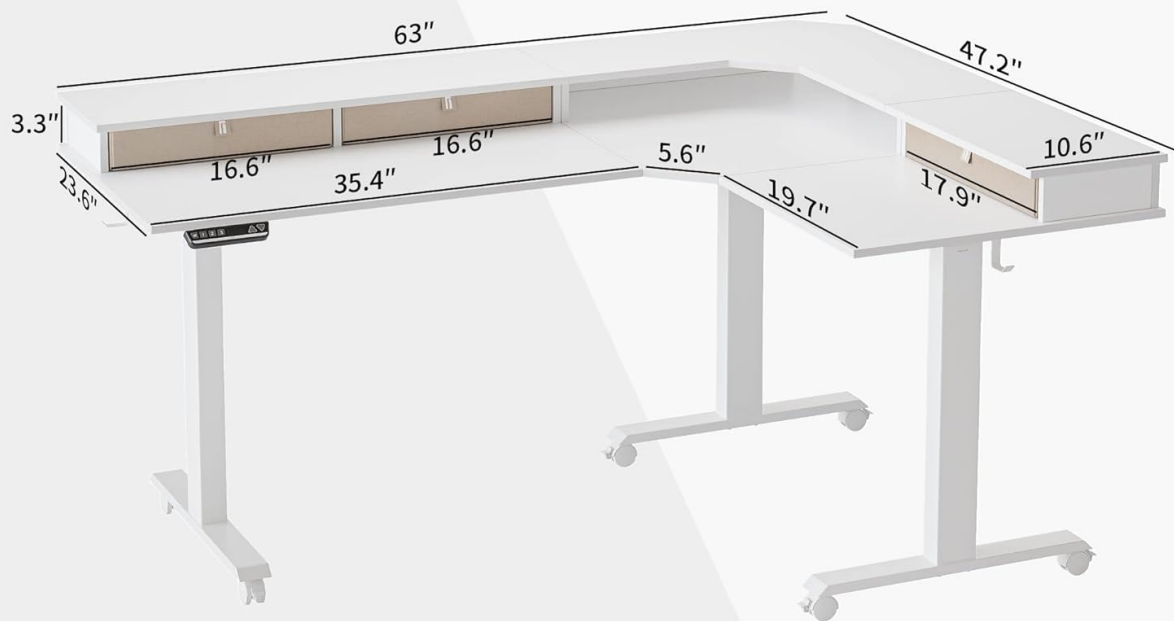

Included Components:

- Desk Frame and Desktop Sections
- 1 Cable Management Tray
- 1 Installation Instruction Manual
- 2 Headphone Hooks

- 1 Monitor Stand
- 6 Movable Casters (optional installation)
- Required Installation Tools

Assembly Tip: It is recommended to assemble the desk upside down on a soft, clean surface to protect the desktop and facilitate frame attachment. Once assembled, carefully flip the desk upright with assistance.

3 Powerful Electric Motors

Better Load Capacity
330lbs

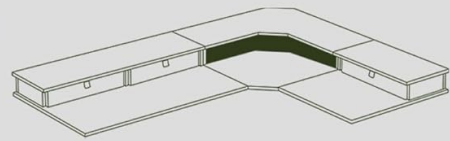

Ideal Height Range
27" to 48"

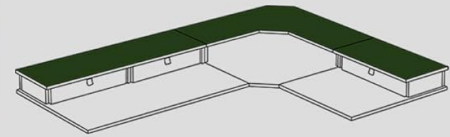

Rock-solid Stability
100-240V / 35mm/s

OPERATING INSTRUCTIONS

Your BANTI standing desk is equipped with a multi-function intelligent keypad for easy height adjustment and memory presets.

Control Panel Functions:

A Desk Designed at the Proper Ergonomic Height

Image: The intelligent keypad with buttons for up/down movement, memory presets (1, 2, 3), and a child-friendly lock/screen button.

- **Up & Down Buttons:** Use these arrows for momentary control to adjust the desk height incrementally.
- **Memory Presets (1, 2, 3):**
 1. Adjust the desk to your desired height using the Up/Down buttons.
 2. Press the "M" button, then press one of the number buttons (1, 2, or 3) to save the current height.
 3. To recall a saved height, simply press the corresponding number button.
- **Child-Friendly Memory/Screen Lock Button:** This feature helps prevent accidental adjustments. Refer to the full instruction manual for activation and deactivation procedures.
- **Automatic Anti-Collision Technology:** The desk is equipped with a sensor that detects obstacles during movement and automatically stops to prevent damage or injury.

The desk's three powerful electric motors provide smooth and quiet operation, with a lifting speed of 35mm/s and a noise level of less than 50dB during no-load operation. The adjustable height range is from 27 inches to 48 inches.

Maximum Load Capacity & Ultra Quiet Design

MAINTENANCE

To ensure the longevity and optimal performance of your BANTI standing desk, follow these simple maintenance guidelines:

- **Cleaning:** Wipe the desk surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cable Management:** Periodically check and organize cables to prevent tangling or damage, especially during height adjustments.
- **Motor Inspection:** Ensure the motor mechanisms are free from obstructions. Do not attempt to lubricate or disassemble the motors.
- **Weight Distribution:** Distribute weight evenly across the desktop to prevent strain on the lifting mechanism.
- **Regular Checks:** Periodically check all screws and fasteners to ensure they are tight. Retighten if necessary.

TROUBLESHOOTING

If you encounter any issues with your BANTI standing desk, please refer to the following common solutions:

- **Desk Not Moving:**
 - Check if the power cord is securely plugged into both the desk and the wall outlet.
 - Ensure the child-friendly lock feature is not activated.
 - Verify there are no obstructions preventing movement, which might trigger the anti-collision system.
 - If an error code is displayed on the control panel, consult the detailed instruction manual for specific error resolutions.
- **Uneven Movement:**
 - Ensure the desk is not overloaded beyond its maximum weight capacity.
 - Check that the adjustable leg pads are properly leveled on an even floor.
 - Perform a reset procedure (refer to the main instruction manual for specific steps, usually involving holding down certain buttons).
- **Noise During Operation:**
 - A slight hum is normal during operation. If the noise is excessive, ensure no cables or objects are interfering with the motor mechanisms.
 - Check for loose screws or connections in the frame.

For issues not resolved by these steps, please contact BANTI customer support.

PRODUCT SPECIFICATIONS

Brand	BANTI
Model Number	B-SDE-SZ01
Model Name	B-SDE-SZ01-63WE
Product Dimensions (D x W x H)	23.62"D x 63"W x 27"H
Size	63 inch
Color	White
Style	L Shaped with Monitor Stand
Base Material	Engineered Wood
Top Material Type	Engineered Wood
Furniture Leg Material	Alloy Steel
Finish Type	Steel
