8. MAINTENANCE

To ensure the longevity and optimal performance of your karaoke machine, follow these maintenance guidelines:

- **Cleaning:** Use a soft, dry cloth to clean the exterior of the speaker and microphones. Avoid using abrasive cleaners or solvents.
- **Storage:** Store the device in a cool, dry place away from direct sunlight and extreme temperatures when not in use.
- **Battery Care:** For optimal battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in use for extended periods.

- **Handle with Care:** The device contains sensitive electronic components. Avoid dropping or subjecting it to strong impacts.

9. TROUBLESHOOTING

If you encounter any issues, refer to the following common solutions:

- **No Power:** Ensure the device is fully charged. Connect the charging cable and try powering on again.
- **Microphones Not Connecting:** Make sure both the speaker and microphones are powered on. If they don't pair automatically, power them off and on again. Ensure they are within range of each other.
- **No Sound from Speaker:** Check the volume levels on both the speaker and your connected device. Ensure the correct input mode (Bluetooth, AUX, TF Card) is selected.
- **Poor Sound Quality:** Ensure the microphones are not too close to the speaker to avoid feedback. Check for any obstructions between the devices.
- **Bluetooth Disconnection:** Ensure your device is within the effective Bluetooth range (typically up to 10 meters or 32 feet). Avoid interference from other electronic devices.
