Edifier X3 Lite

Edifier X3 Lite True Wireless Earbuds User Manual

Model: X3 Lite

Brand: Edifier

INTRODUCTION

This manual provides comprehensive instructions for the Edifier X3 Lite True Wireless Earbuds. Designed for a superior audio experience, these earbuds feature advanced AI call noise cancellation, Bluetooth 5.3 connectivity, and IP55 water resistance, ensuring comfort and reliability for daily use. Please read this manual thoroughly to ensure proper usage and maintenance of your device.

WHAT'S IN THE Box

Upon unboxing your Edifier X3 Lite True Wireless Earbuds, please verify that all the following components are included:

- 1 x Pair of Edifier X3 Lite Earbuds
- 1 x Charging Case
- 1 x Type-C Charging Cable
- 3 Sets of Silicone Ear Gels (Small, Medium, Large)
- 1 x User Manual (this document)

SETUP GUIDE

1. Initial Charging

Before first use, fully charge the earbuds and the charging case. Connect the provided Type-C charging cable to the charging port on the case and a power source. The indicator light on the case will show charging status.

AI-POWERED NOISE REDUCTION FOR CALLS

Single MIC with AI ENC enables clear voice capture and reduces surrounding noise.

2. Bluetooth Pairing

1. Open the charging case. The earbuds will automatically enter pairing mode.
2. On your device (smartphone, tablet, etc.), enable Bluetooth.
3. Search for "EDIFIER X3 Lite" in the list of available Bluetooth devices and select it to connect.
4. A voice prompt will confirm successful pairing.

OPERATING INSTRUCTIONS

Touch Controls

The Edifier X3 Lite earbuds feature intuitive touch controls on each earbud. Functions such as play/pause, skipping tracks, answering/ending calls, and activating voice assistant can be managed with simple taps. Refer to the Edifier Connect App for detailed customization of these controls.

Sound Quality

Equipped with 6mm dynamic drivers, the earbuds deliver a balanced audio profile with clear highs, rich mids, and powerful bass. This design ensures an immersive listening experience across various music genres.

AI Call Noise Cancellation

The built-in AI-powered noise reduction technology effectively distinguishes human voices from background noise, ensuring crystal-clear calls even in noisy environments. This feature enhances communication clarity for both parties.

EXCEPTIONAL SOUND QUALITY

Equipped with a 6mm driver, delivers perfectly balanced highs, mids and bass.

IP55 Waterproof Rating

With an IP55 rating, the Edifier X3 Lite earbuds are protected against dust and water splashes from any direction. This makes them suitable for workouts and outdoor activities, providing reliable performance even with sweat exposure.

STABLE CONNECTION

The **Bluetooth 5.3** chip significantly enhances transmission rate and performance, delivering a smooth and seamless experience.

MAINTENANCE

Cleaning

- Regularly clean the earbuds, especially the ear tips and charging contacts, with a soft, dry, lint-free cloth.
- Remove ear tips and clean them with mild soap and water if necessary. Ensure they are completely dry before reattaching.
- Use a cotton swab to gently clean the charging contacts on both the earbuds and the case.

Storage

- Always store the earbuds in their charging case when not in use to protect them and ensure they remain charged.
- Store the case and earbuds in a cool, dry place, away from extreme temperatures and direct sunlight.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Earbuds not pairing	Bluetooth not enabled on device; earbuds not in pairing mode; previously paired with another device.	Ensure Bluetooth is on. Place earbuds in case, close, then open to re-enter pairing mode. Forget "EDIFIER X3 Lite" on your device and re-pair.
No sound or low volume	Volume too low on device/earbuds; earbuds not properly seated; low battery.	Adjust volume on both device and earbuds. Ensure earbuds are securely in ears. Charge earbuds and case.
Microphone not working	Microphone blocked; app settings.	Ensure microphone holes are clear. Check microphone permissions in Edifier Connect App.

Problem	Possible Cause	Solution
Earbuds not charging	Charging contacts dirty; cable faulty; case battery empty.	Clean charging contacts. Try a different Type-C cable. Charge the case.
