SETUP AND INSTALLATION

The Dracool Pencil Holder offers a simple, one-step installation process to secure your Apple Pencil.

- Placement:** Position the metal pencil holder on the magnetic case of your iPad. Ensure it aligns correctly with the side where the Apple Pencil magnetically attaches for charging.
- Secure Attachment (Optional):** For enhanced stability, especially if using the holder singly on your iPad or with certain cases, apply one of the provided removable adhesive strips to the back of the holder. Peel off the protective film from the adhesive strip and carefully press the holder firmly onto the desired position on your iPad or case.
- Insert Apple Pencil:** Gently slide your Apple Pencil into the holder. It should fit securely.

MAINTENANCE

To maintain the appearance and functionality of your Dracool Pencil Holder, wipe it regularly with a soft, dry cloth. Avoid using harsh chemicals or abrasive materials that could damage the surface. Ensure the adhesive strips (if used) are clean and free from debris to maintain a firm attachment. Replace them if they lose their stickiness.

TROUBLESHOOTING

Pencil Not Fitting Securely

- Ensure your Apple Pencil does not have any protective covers or skins, as these can affect the fit.
- Verify that your pencil's overall length is within the specified limit (≤ 6.53 inches / 166mm).

Holder Not Attaching Firmly

- If the holder feels loose, ensure the surface of your iPad or case is clean and dry before attachment.
- Utilize the provided removable adhesive strips for a firmer attachment. Follow the instructions for proper application.
