## Lamshaw Parsonver FF1-Charger

# Lamshaw Magnetic USB Charging Cable for Parsonver FF1 Smartwatch

Model: Parsonver FF1-Charger

## INTRODUCTION

---

This instruction manual provides essential information for the safe and effective use of your Lamshaw Magnetic USB Charging Cable, specifically designed for the Parsonver FF1 1.91 Inch Smart Watch. This cable features a magnetic interface for secure connection and built-in short-circuit protection for enhanced safety during charging.

## PACKAGE CONTENTS

---

- 1 x Lamshaw Magnetic USB Charging Cable (Black)

*Note: Smartwatch is not included.*

## SETUP

---

Follow these steps to set up your charging cable:

1. **Unpack the Cable:** Carefully remove the charging cable from its packaging.
2. **Identify Components:** The cable has two ends: a magnetic charging dock for your smartwatch and a standard USB-A connector for power sources.
3. **Connect to Power Source:** Insert the USB-A connector into a compatible USB power source such as a computer USB port, laptop USB port, power bank, or a wall charger with a USB output. Ensure the power source provides 5 Volts.

## OPERATING INSTRUCTIONS

---

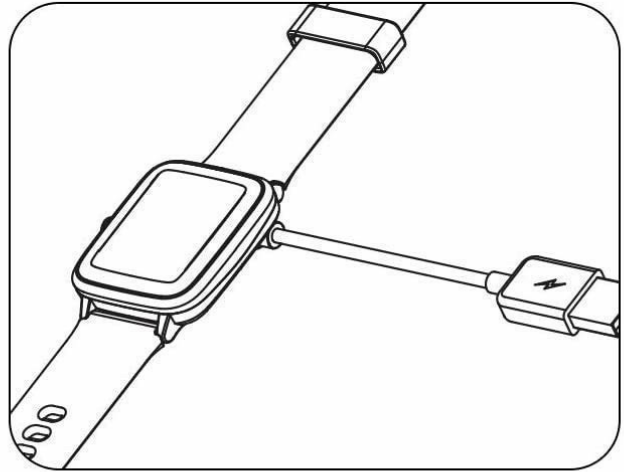

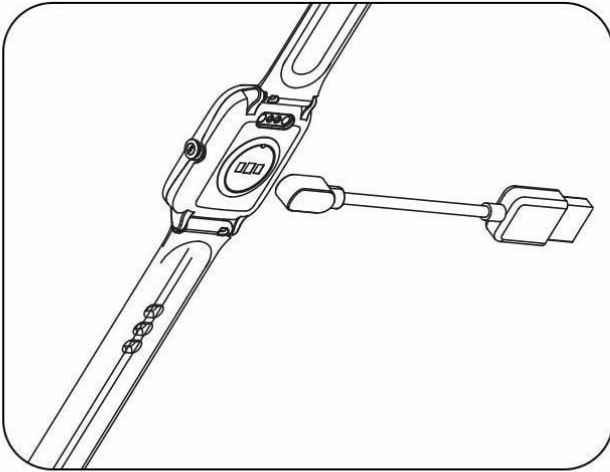

To charge your Parsonver FF1 Smart Watch:

1. **Position the Smartwatch:** Place your Parsonver FF1 Smart Watch near the magnetic charging dock of the cable.
2. **Magnetic Connection:** The magnetic dock will automatically align and attach to the charging points on the back of your smartwatch. Ensure the magnets attract correctly for a secure connection. If the magnets repel, the device will not charge; reverse the orientation of the dock.
3. **Verify Charging:** Once connected, your smartwatch display should indicate that it is charging (e.g., a battery icon with a charging animation).
4. **Charging Time:** A full charge typically takes approximately 2.5 hours with a 1A output current.
5. **Safety Feature:** The built-in short-circuit protection IC prevents overvoltage and overcurrent. If a short-circuit occurs, the protection IC will automatically cut off the circuit.

## MAINTENANCE

---

Proper care will extend the life of your charging cable:

- **Cleaning:** Gently wipe the cable and magnetic contacts with a dry, soft cloth. Avoid using liquid cleaners or abrasive materials.
- **Storage:** Store the cable in a cool, dry place away from direct sunlight and extreme temperatures. The flexible PVC cable is designed for easy rolling and convenient storage.
- **Handling:** Avoid bending the cable sharply or pulling it by the cord when disconnecting. Always grasp the plug or magnetic dock.
- **Protection:** The cable features a durable ABS+PC housing and pure copper probes for stable conduction.

## TROUBLESHOOTING

| Problem                  | Possible Cause                                        | Solution                                                                                                                                     |
|--------------------------|-------------------------------------------------------|----------------------------------------------------------------------------------------------------------------------------------------------|
| Smartwatch not charging. | Magnetic connection is not secure or is repelling.    | Ensure the magnetic dock is correctly aligned and attracting to the smartwatch's charging points. Try reversing the orientation of the dock. |
| Smartwatch not charging. | USB power source is not providing power or is faulty. | Try connecting the USB-A end to a different USB port or power adapter. Ensure the power source is active.                                    |
| Charging is slow.        | Low output current from the USB power source.         | Use a USB power source that provides at least 1A output current for optimal charging speed.                                                  |

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

|                        |                                             |                                                                           |
|------------------------|---------------------------------------------|---------------------------------------------------------------------------|
| Cable appears damaged. | Physical damage to the cable or connectors. | Discontinue use immediately. Do not attempt to repair. Replace the cable. |
|------------------------|---------------------------------------------|---------------------------------------------------------------------------|

## SPECIFICATIONS

- Model Number:** Parsonver FF1-Charger
- Brand:** Lamshaw
- Connectivity Technology:** USB
- Connector Type:** Magnetic (for smartwatch connection), USB-A (for power source)
- Compatible Devices:** Smartwatches
- Compatible Smartwatch Model:** Parsonver FF1 1.91 Inch Smart Watch
- Included Components:** Charger cable
- Special Features:** Magnetic connection, Short Circuit Protection, Portable for Travel
- Color:** Black
- Input Voltage:** 5 Volts
- Cable Length:** Approximately 3.3 feet (1 meter)
- Dimensions (Package):** 3.94 x 1.97 x 0.39 inches
- Weight (Item):** 1.76 ounces

## WARRANTY AND SUPPORT

For warranty information or technical support regarding your Lamshaw Magnetic USB Charging Cable, please refer to the seller's policy on the platform where the product was purchased. For direct inquiries, you may contact Lamshaw customer service through their official channels.

**Seller:** lamshaw

**Return Policy:** Typically 30 days for refund/replacement (check specific purchase terms).

### ASK A QUESTION ABOUT THIS MANUAL

Ask about setup, troubleshooting, compatibility, parts, safety, or missing instructions. Manuals+ will review the question and use this page's manual context to help answer it.
