VECELO Tilt Out Kitchen Trash Bin Cabinet,

VECELO Tilt Out Kitchen Trash Bin Cabinet User Manual

Model: Tilt Out Kitchen Trash Bin Cabinet

1. IMPORTANT SAFETY INFORMATION

Please read and understand all safety instructions before assembly and use. Failure to follow these instructions may result in injury or product damage.

- This kitchen trash cabinet is intended for home use only.
- For safety reasons, children should not climb on or play with the product.
- Do not exceed the product's weight limit of approximately 35 pounds (16 kilograms) on the countertop.
- Ensure the cabinet is placed on a stable, level surface to prevent tipping.
- Keep all assembly tools and small parts away from children during assembly.

2. PRODUCT OVERVIEW

The VECELO Tilt Out Kitchen Trash Bin Cabinet offers a discreet and hygienic solution for managing kitchen waste. Its innovative design conceals your trash bin, contributing to a cleaner and more organized living space. Equipped with an advanced ozone purification system, it actively eliminates odors and harmful substances, ensuring a fresh environment.

Key Features:

- **Versatile Design:** Functions as a hidden trash can, laundry hamper, or general storage cabinet.
- **Deodorization and Purification:** Features negative ion and ozone functions to eliminate odors and decompose formaldehyde.
- **Space-Saving Concealment:** Keeps trash bins out of sight, enhancing kitchen aesthetics and preventing pet access.
- **Sturdy Construction:** Made from durable MDF wood, supporting up to 35 pounds on the countertop.
- **Easy Access:** Smooth pull-out mechanism for convenient trash disposal and removal.

Concealed and Odorless

4. SETUP AND INSTALLATION

Assembly of the VECELO Tilt Out Kitchen Trash Bin Cabinet is required. All necessary tools are included in the package. Please follow the step-by-step instructions provided in the included User Manual for a smooth installation process.

1. Unpack all components and verify against the parts list in the manual.
2. Identify each part and hardware according to the labels.
3. Follow the numbered steps in the assembly manual carefully.
4. Ensure all screws and fasteners are securely tightened before use.
5. Place the assembled cabinet on a flat, stable surface.

For detailed visual instructions, you may refer to the official Installation Manual (PDF) available for download [Download Installation Manual](#)

5. OPERATING INSTRUCTIONS

Using the Tilt-Out Mechanism:

1. To open the cabinet, gently pull the handle located at the top of the front panel. The panel will tilt forward and down, revealing the interior compartment.
2. Place a 10-13 gallon trash bin (not included) inside the compartment. Ensure the bin fits properly and does not obstruct the closing mechanism.
3. To close, push the front panel upwards until it clicks securely into place.

Activating the Ozone Purification System:

The integrated ozone purifier helps to neutralize odors and purify the air within the cabinet. The control panel for the

purifier is located on the top interior edge of the cabinet.

1. Ensure the cabinet is connected to a 5V power source (e.g., USB adapter, not included).
2. Locate the control panel inside the cabinet.
3. Press the power button to turn on the purification system. Indicators on the panel will light up.
4. The system will automatically cycle to maintain air quality. Refer to the purifier's specific instructions for detailed mode operations if available.

6. MAINTENANCE

Proper maintenance will ensure the longevity and optimal performance of your VECELO Tilt Out Kitchen Trash Bin Cabinet.

- **Regular Cleaning:** Wipe the cabinet surfaces with a damp cloth to remove dust and spills. Avoid abrasive cleaners or harsh chemicals that could damage the lacquered finish.
- **Interior Cleaning:** Periodically clean the interior compartment where the trash bin is housed.
- **Avoid Overfilling:** Do not overfill the trash bin, as excessive weight or bulk can put strain on the tilt-out mechanism and potentially damage the cabinet doors.
- **Ozone Purifier Care:** Keep the ozone purifier unit clean and free from obstructions. Refer to the purifier's specific instructions for any filter replacement or maintenance requirements.
- **Check Connections:** Periodically check all screws and fasteners to ensure they remain tight. Retighten if necessary.

7. TROUBLESHOOTING

If you encounter any issues with your VECELO Tilt Out Kitchen Trash Bin Cabinet, please refer to the following common solutions:

Problem	Possible Cause	Solution
Cabinet door does not close completely.	Trash bin is too large or improperly placed.	Ensure the trash bin is within the recommended 10-13 gallon size and is positioned correctly inside the compartment. Adjust or replace the bin if necessary.
Tilt-out mechanism feels stiff or jammed.	Obstruction in the mechanism or loose hardware.	Check for any debris or objects blocking the movement. Verify that all assembly screws are tightened.
Ozone purifier is not working.	No power or unit is off.	Ensure the cabinet is connected to a 5V power source. Press the power button on the purifier control panel to turn it on.
Cabinet appears unstable or wobbly.	Uneven surface or loose assembly.	Place the cabinet on a flat, level surface. Check and tighten all assembly screws.

8. WARRANTY AND SUPPORT

VECELO is committed to providing high-quality products and customer satisfaction. While specific warranty details are not provided in this manual, we encourage you to retain your proof of purchase for any potential warranty claims.
