### Benzara BM300170

# Benjara Lupe California King Bed Instruction Manual

MODEL: BM300170

## Introduction

---

This manual provides detailed instructions for the assembly, use, and maintenance of your Benjara Lupe California King Bed. Please read all instructions carefully before beginning assembly and retain this manual for future reference.

## Safety Information

---

### **WARNING:**

- This bed frame has detailed moldings that may have sharp edges or pinch points. Always be cautious when assembling, using, and maintaining the bed frame to avoid injury.
- The maximum weight recommendation for this bed frame is 500 pounds. Exceeding this weight limit may cause the bed frame to collapse or become unstable, leading to serious injury or damage.
- Ensure all bolts and screws are securely tightened before use. Periodically check and re-tighten fasteners as needed.
- Do not allow children to play on or around the bed frame without supervision.

## Included Components

---

Your Benjara Lupe California King Bed package includes the following main components:

- Headboard (Upholstered Scalloped Frame)
- Footboard (Traditional Curved Design)
- Side Rails (2)

- Support Slats
- Hardware Pack (bolts, washers, nuts, Allen wrench)

## Setup and Assembly

---

Assembly of the Benjara Lupe California King Bed is required. It is recommended that two adults assemble this bed frame. Please ensure all parts are present before beginning.

1. Unpack all components and lay them out on a soft, clean surface to prevent scratching.
2. Attach the side rails to the headboard using the provided bolts, washers, and nuts. Do not fully tighten at this stage.
3. Attach the footboard to the other end of the side rails, again using the provided hardware.
4. Once all four sides are connected, carefully align the frame and tighten all bolts securely.
5. Place the support slats evenly across the side rails. Ensure they are properly seated and secured if applicable.
6. Place your California King mattress (not included) onto the assembled bed frame.

*For detailed diagrams and specific hardware identification, please refer to the separate assembly instruction sheet included in your product packaging.*

## Operating and Usage

---

The Benzara Lupe California King Bed is designed for comfortable and stable sleep. Ensure the bed is placed on a level surface to prevent wobbling. This bed is compatible with a standard California King size mattress.

- Use with a California King mattress only.
- Avoid jumping on the bed, as this can damage the frame and slats.
- Distribute weight evenly across the bed surface.

## Maintenance

---

Proper care will extend the life and appearance of your bed frame.

- **Wood Frame:** Wipe clean with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners. For the distressed finish, use a dry cloth to dust regularly.
- **Upholstered Headboard:** Vacuum regularly with an upholstery attachment to remove dust. For spills, blot immediately with a clean, dry cloth. Do not rub. For stubborn stains, consult a professional upholstery cleaner.
- **Hardware:** Periodically check all bolts and screws to ensure they remain tight. Re-tighten as necessary to maintain stability.

## Troubleshooting

---

If you encounter any issues with your bed frame, consider the following common solutions:

- **Wobbling or Instability:** Check all assembly bolts and ensure they are fully tightened. Verify the bed is on a level surface.
- **Squeaking Noises:** Tighten all frame connections. Ensure slats are properly seated and not rubbing against the frame. Adding felt pads between slats and side rails can sometimes help.
- **Damaged Parts:** If any part is damaged or missing, do not attempt to use the bed. Contact customer support for replacement parts.

## Specifications

---

Feature	Detail
Brand	Benzara
Model Number	BM300170
Size	California King
Product Dimensions	86"L x 74"W x 72"H
Color	Antique White and Gray
Finish Type	Distressed
Material	Wood and Fabric
Assembly Required	Yes
Item Weight	191.4 pounds

UPC

192551946958
