SAFETY INFORMATION

Always use caution when handling and assembling this large cabinet. Be aware of the weight limit of the top surface to prevent injury or damage. The top of the buffet can hold up to 300 lbs. It is recommended to install the anti-tilt mechanism if you have small children or pets to prevent accidental tipping.

SETUP AND ASSEMBLY

This kitchen storage cabinet requires assembly. It comes with labeled parts and detailed instructions for easy setup. For optimal safety and efficiency, two people are recommended for assembly due to the large size and weight of the components. Assembly typically takes approximately three hours.

- **Preparation:** Unpack all components and verify against the parts list in the instruction manual. Ensure all

hardware is present and accounted for.

- **Tools:** A screwdriver is generally sufficient. Avoid using power drills with excessive torque to prevent stripping screws or cracking the wood.
- **Assembly Steps:** Follow the step-by-step instructions provided in the included manual. All pieces and hardware are clearly labeled for straightforward identification.
- **Anti-Tilt Mechanism:** Secure the cabinet to a wall using the provided anti-tilt strap, especially in households with children or pets.

OPERATING AND USAGE

The HOSTACK Sideboard Buffet Cabinet is designed for versatile use across various rooms in your home. Its thoughtful design provides ample storage and display options.

Storage Features:

- **Wide Top Surface:** The 55-inch wide top accommodates frequently used items, decorative pieces, or serves as a large workspace for meal prep or a coffee bar.
- **Three Drawers:** Three smooth-gliding drawers are perfect for keeping small items, cutlery, or linens organized and out of sight.
- **Glass Door Cabinets:** Two glass door cabinets allow for both display and concealed storage, ideal for showcasing dinnerware or glassware.
- **Middle Cabinet:** A large middle cabinet provides additional concealed storage for various needs.
- **Adjustable Shelves:** The interior shelves are adjustable to three different height levels, allowing you to customize the storage space to fit items of various sizes.

MAINTENANCE

To ensure the longevity and appearance of your HOSTACK cabinet, follow these simple maintenance guidelines:

- **Cleaning:** The desktop surface is designed to be waterproof and easy to clean. Wipe spills immediately with a soft, damp cloth. Avoid abrasive cleaners that may damage the finish.
- **Dusting:** Regularly dust the cabinet with a soft, dry cloth to prevent buildup.
- **Avoid Harsh Chemicals:** Do not use harsh chemicals or solvents, as these can damage the pure white finish and wood grain.
- **Protect from Heat and Moisture:** While the desktop is waterproof, prolonged exposure to excessive heat or moisture should be avoided to maintain its integrity.
