COLSUR S29-Back-IM-DE

COLSUR Bluetooth Speaker with Wireless Charger

USER MANUAL

Model: S29-Back-IM-DE

1. Product Overview

The COLSUR Bluetooth Speaker is a versatile 6-in-1 device designed to enhance your home or office environment. It integrates a Bluetooth speaker, FM radio, digital alarm clock, 15W wireless charger, 4-level adjustable LED night light, and a phone holder into a single, sleek unit. This manual provides detailed instructions for setup, operation, and maintenance.

4. Setup

1. **Initial Charging:** Before first use, please charge the product for at least 5 minutes by connecting it to a power source. The device has a 2500mAh rechargeable battery for portability, but the wireless charging function requires the device to be plugged in.

2. **Power Connection:** Connect the provided Type-C data cable to the USB-C port on the back of the speaker and plug the power adapter into a standard wall outlet.

3. **Placement:** Place the speaker on a stable, flat surface. Ensure there is adequate ventilation around the device.

5. Operating Instructions

5.1 General Controls

The control buttons are located on the top panel of the device. Refer to the product diagram for exact locations.

- **Power Button:** Press and hold to turn on/off. Short press to switch modes.
- **Volume Buttons (+/-):** Adjust audio volume.
- **Light Button:** Short press to cycle through light brightness levels (Off, Dim, Low, Medium, High).
- **Alarm Button:** Used for setting and activating alarms.
- **Snooze/Play/Pause Button:** Short press to snooze alarm, play/pause audio.

5.2 Setting Time and Alarm

Detailed instructions for setting the time and alarm will be provided in the full manual. Generally, use the Alarm button to enter alarm setting mode and the Volume buttons to adjust values.

Image: The COLSUR Bluetooth Speaker displaying the time 20:52, with a person sleeping in the background, illustrating its alarm clock functionality and 16 precision volume levels.

5.3 Bluetooth Pairing

1. Turn on the COLSUR speaker. It will automatically enter Bluetooth pairing mode (indicated by a flashing "BT" on the display).

2. On your smartphone or other Bluetooth device, enable Bluetooth and search for "COLSUR Speaker" (or similar

name).

3. Select the speaker from the list to pair. Once connected, the "BT" indicator will stop flashing.

4. You can now play audio through the speaker. The Bluetooth 5.0 connection provides a wireless range of up to 33 feet.

((♪)) **High-Fidelity Sound Bluetooth Speaker**

The greater wireless range of **33ft** provides a hearing feast exclusively for you.

2500mAh
batteryfor long-lasting use

5.4 FM Radio Operation

1. Short press the Mode button (or similar, refer to specific button labels on your device) to switch to FM Radio mode. The display will show "FM" characters.

2. Long press the Play/Pause button (or a dedicated search button) to automatically search for and save available radio stations.

3. Use the Volume +/- buttons to navigate between saved stations or fine-tune the frequency.

5.5 Wireless Charging Usage

The speaker features a 15W intelligent QI charging protocol for fast and safe wireless charging.

1. Ensure the COLSUR speaker is plugged into a power supply for the wireless charging function to operate.

2. Place your Qi-compatible smartphone or device on the wireless charging area located on top of the speaker.

3. Ensure the device is centered on the charging pad for optimal charging. Charging will begin automatically.

4. Note: For best performance, phone cases should be less than 5mm thick. Magnetic cases, phone holders, metal cases, and credit cards should be removed from the phone before charging.

6. Maintenance and Care

- **Cleaning:** Use a soft, dry cloth to clean the surface of the speaker. Do not use abrasive cleaners or solvents.
- **Storage:** When not in use for extended periods, store the device in a cool, dry place away from direct sunlight and extreme temperatures.
- **Water Exposure:** This device is not waterproof. Avoid exposure to water or excessive moisture.
- **Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly.

7. Troubleshooting

Problem	Possible Cause	Solution
Device does not turn on.	Low battery or not connected to power.	Connect the power adapter and charge for at least 5 minutes before attempting to turn on.
Wireless charging not working.	Device not plugged in; phone not centered; thick phone case; foreign objects.	Ensure the speaker is plugged in. Reposition the phone. Remove thick cases, metal objects, or credit cards.

Problem	Possible Cause	Solution
Bluetooth connection unstable or not pairing.	Device too far from speaker; interference; speaker not in pairing mode.	Move device closer to speaker. Restart both devices. Ensure speaker is in Bluetooth pairing mode.
FM radio reception is poor.	Weak signal; interference.	Adjust the position of the speaker. Try rescanning for stations.
Alarm is not sounding.	Alarm not set or volume too low.	Verify alarm settings and ensure alarm volume is set to an audible level.

8. Specifications

- **Brand:** COLSUR
- **Model:** S29-Back-IM-DE
- **Color:** Black
- **Display Type:** Digital LED
- **Product Dimensions:** 4.5"W x 3.4"H
- **Power Source:** Corded Electric, Battery Powered
- **Battery:** 2500mAh rechargeable (1 12V battery required, included)
- **Wireless Charging Output:** 15W (Qi-compatible)
- **Bluetooth Version:** 5.0
- **Bluetooth Range:** Up to 33 feet (10 meters)
- **Night Light:** 4-level adjustable LED
- **Material:** Acrylonitrile Butadiene Styrene (ABS)
- **Item Weight:** 1.12 pounds (508 Grams)
- **Indoor/Outdoor Usage:** Indoor
- **Manufacturer:** COLSUR
- **Date First Available:** October 12, 2023
- **Country of Origin:** China

9. Safety Information
