onerbl DCAU1R0-01

onerbl AC Adapter for DirecTV DCAU1R0-01 Instruction Manual

Model: DCAU1R0-01

1. Product Overview

This document provides instructions for the onerbl AC Adapter, designed as a compatible replacement power supply for the DirecTV Adapter DCAU1R0-01 Broadband DC Power Supply Charger Cord Cable. It is engineered to deliver reliable power with built-in safety features.

Image 1.1: Front and side view of the onerbl AC Adapter, showing the two-prong plug and the adapter body with ventilation slots.

2. Safety Information

Please read and understand all safety instructions before using this product. Failure to follow these instructions may result in electric shock, fire, or other hazards.

- **Indoor Use Only:** This adapter is designed for indoor use. Do not expose it to rain, moisture, or extreme temperatures.
- **Proper Ventilation:** Ensure the adapter is placed in a well-ventilated area. Do not cover the adapter or place it in an enclosed space during operation.
- **Avoid Damage:** Do not use the adapter if the casing, cord, or plug is damaged. Do not attempt to open or repair the adapter.
- **Correct Voltage:** Only connect the adapter to power outlets within the specified input voltage range (AC 100-240V).
- **Children and Pets:** Keep the adapter out of reach of children and pets.
- **Disconnect When Not in Use:** Unplug the adapter from the power outlet when not in use for extended periods.

Image 2.1: The adapter features a smart chip providing multiple protections, including short-circuit, over-voltage, and over-current safeguards.

3. Setup

Follow these steps to properly set up your onerbl AC Adapter:

1. **Verify Compatibility:** Ensure that your device requires a power supply compatible with the DirecTV Adapter DCAU1R0-01 specifications. This adapter is a replacement for that specific model.
2. **Inspect the Adapter:** Before use, visually inspect the adapter for any signs of damage to the casing, cable, or connectors. Do not use if damaged.
3. **Connect to Device:** Plug the DC output connector of the onerbl AC Adapter into the power input port of your DirecTV Adapter DCAU1R0-01 or compatible device. Ensure a firm connection.
4. **Connect to Power Outlet:** Insert the AC input plug of the adapter into a standard wall power outlet (AC 100-240V, 50/60Hz).

Image 3.1: The AC adapter connected to a power strip, ready for use with a compatible device.

4. Operating Instructions

The onerbl AC Adapter operates automatically once connected. There are no user-adjustable controls on the adapter itself.

- Once the adapter is correctly connected to both the power outlet and your device, the device should power on or begin charging, depending on its function.
- If your device does not power on, refer to the Troubleshooting section.

5. Maintenance

Proper care and maintenance will extend the life of your AC adapter.

- **Cleaning:** Disconnect the adapter from all power sources before cleaning. Use a soft, dry cloth to wipe the exterior. Do not use liquid cleaners or solvents.

- **Storage:** When not in use, store the adapter in a cool, dry place, away from direct sunlight and extreme temperatures. Avoid tightly coiling the cable to prevent damage.
- **Cable Care:** Do not bend, twist, or pull the cable excessively. Avoid placing heavy objects on the cable.

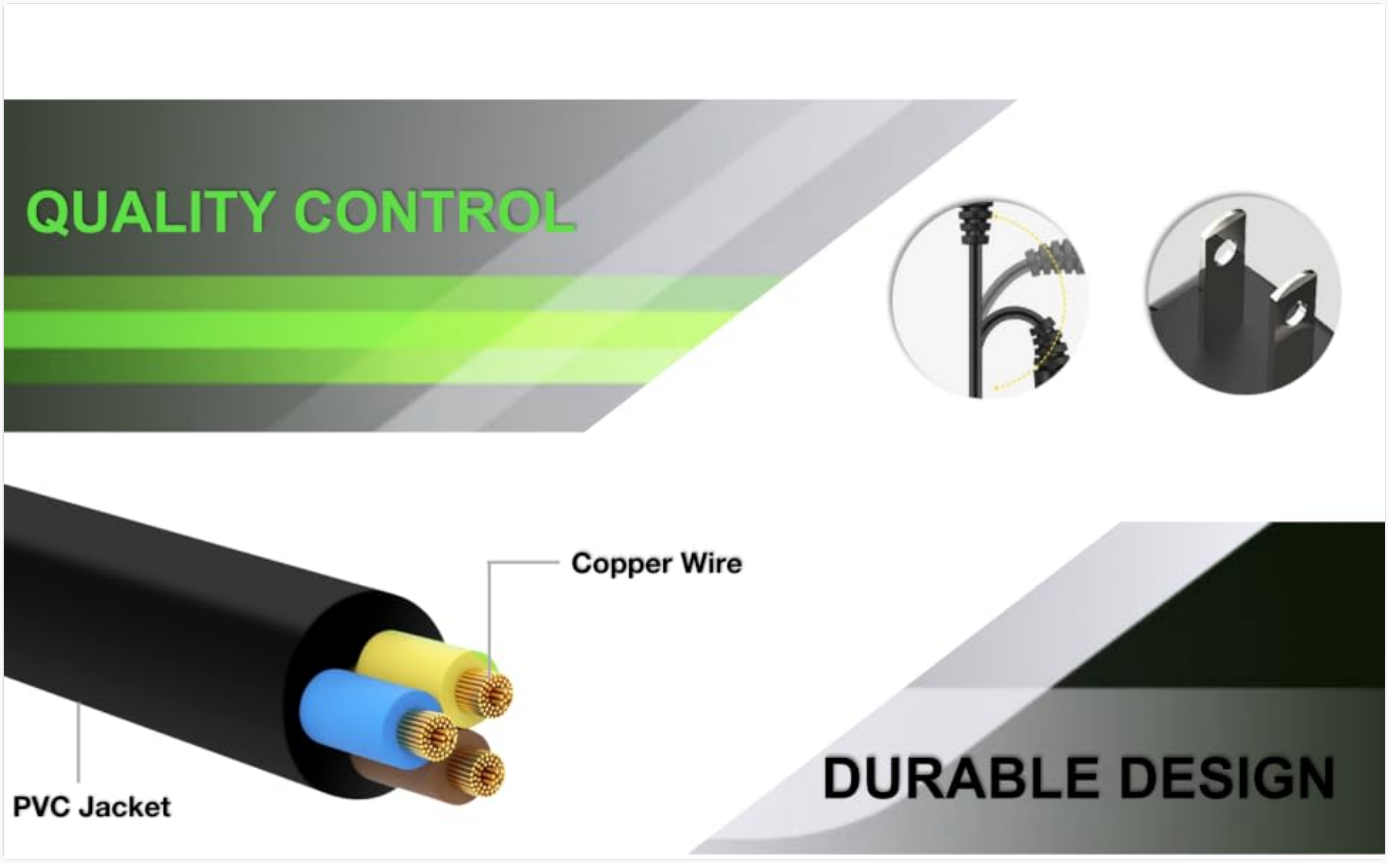

Image 5.1: The adapter cable features durable construction with copper wire and a PVC jacket, designed for longevity.

6. Troubleshooting

If you encounter issues with your onerbl AC Adapter, refer to the following common problems and solutions:

- **Device Not Powering On:**
  - Ensure the adapter is securely plugged into both the wall outlet and the device.
  - Try plugging the adapter into a different wall outlet to rule out a faulty outlet.
  - Verify that your device is compatible with the DirecTV Adapter DCAU1R0-01 power requirements.
  - Check if the device itself is functioning correctly with its original power supply (if available).
- **Adapter Overheating:**
  - Immediately disconnect the adapter from the power source and the device.
  - Ensure the adapter is in a well-ventilated area and not covered.
  - If overheating persists after ensuring proper ventilation, discontinue use and contact support.
- **Loose Connection:**
  - Ensure both the AC plug and the DC output connector are fully inserted into their respective ports.
  - Check for any debris in the ports that might prevent a secure connection.

7. Specifications

Model	DCAU1R0-01 (Compatible Replacement)
Brand	onerbl
Input Voltage	AC 100-240V, 50/60Hz
Output	Designed to meet DirecTV Adapter DCAU1R0-01 requirements
Protections	Over Voltage, Over Heat, Short-circuit, Over-current
Cable Length	Approximately 76 inches (6.3 feet)
Dimensions (Adapter Body)	Approx. 2.6 inches (Length) x 1.6 inches (Width) x 1.2 inches (Height)

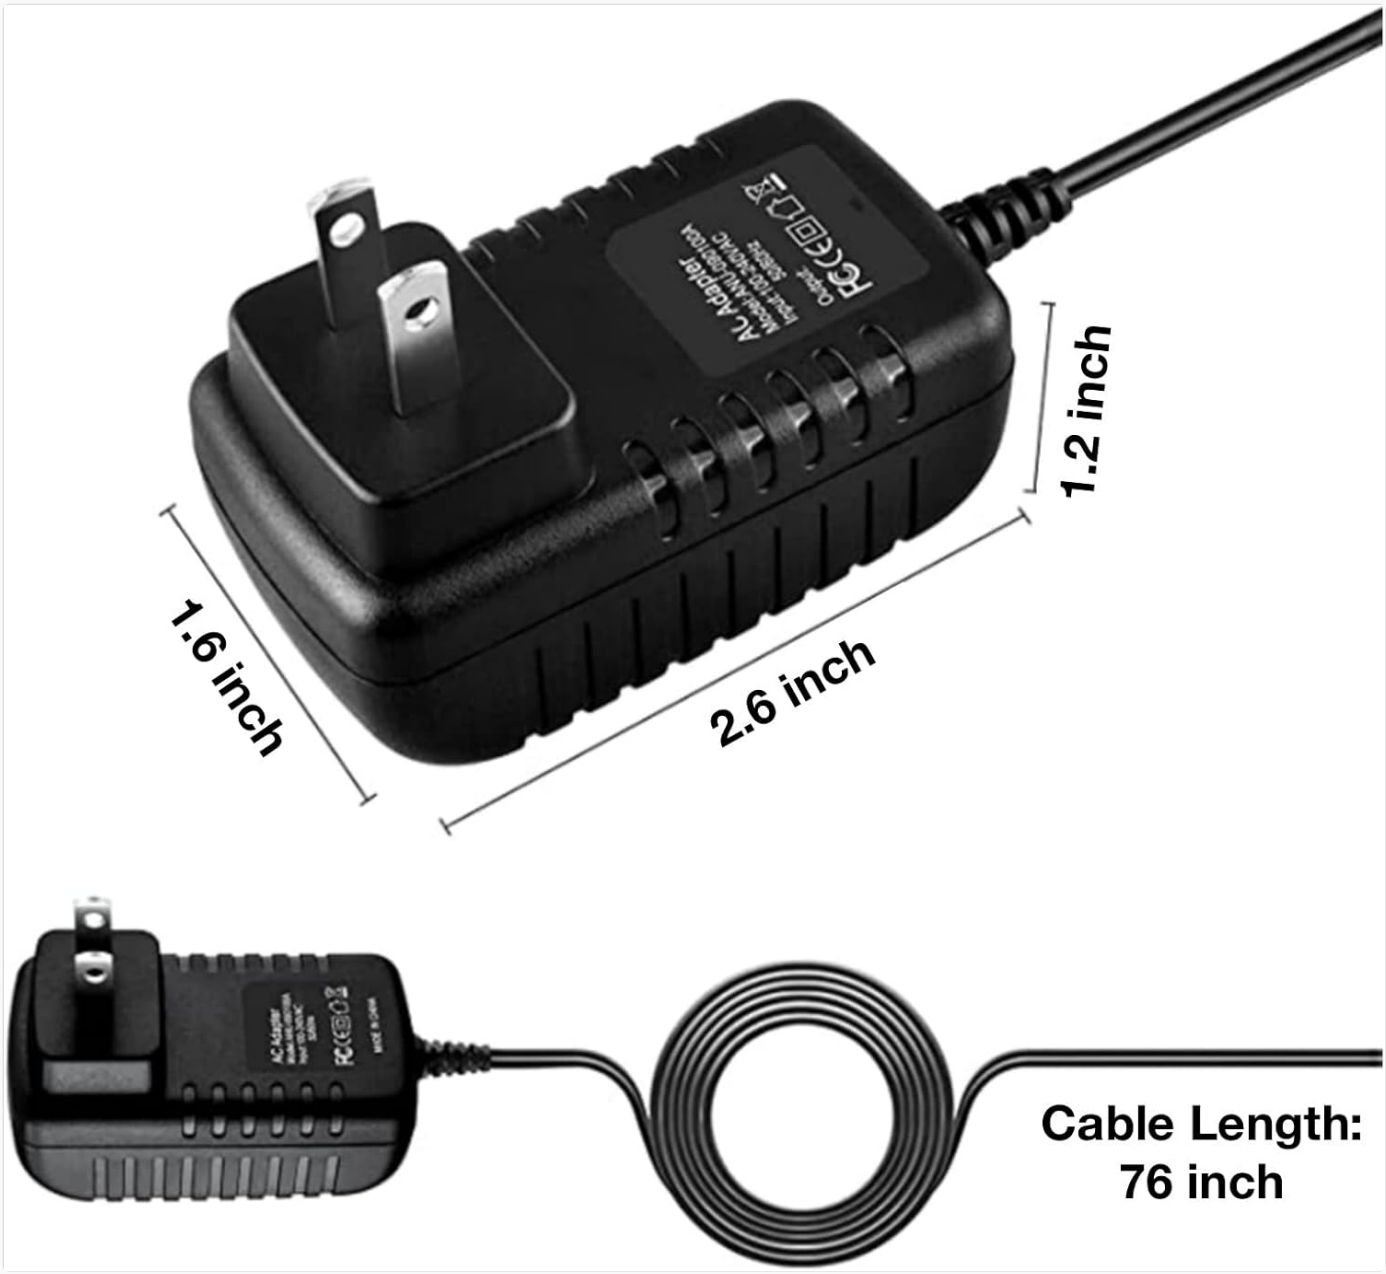

Image 7.1: Physical dimensions of the adapter and its cable length.

8. Warranty and Support

This product is subject to a 30-day refund/replacement return policy from the date of purchase. For specific warranty details beyond this period, please refer to the seller's terms and conditions.

For technical support, troubleshooting assistance, or inquiries regarding your onerbl AC Adapter, please contact the seller directly through your purchase platform. Provide your order number and a detailed description of the issue for prompt assistance.
