## EVEO B0CGDTS9FR

# EVEO Screen Cleaner Spray and Microfiber Cloth Kit Instruction Manual

Model: B0CGDTS9FR

## INTRODUCTION

Thank you for choosing the EVEO Screen Cleaner Spray and Microfiber Cloth Kit. This kit is designed to provide a safe and effective solution for cleaning a wide range of electronic screens, ensuring a crystal-clear, streak-free finish. Our alcohol-free and ammonia-free formula, combined with premium microfiber cloths, protects your devices while delivering superior cleaning performance.

## What's Included:

- 2 x EVEO Screen Cleaner Spray Bottles (4 fl oz / 118 ml each)
- 2 x Premium Microfiber Cleaning Cloths

## SETUP

The EVEO Screen Cleaner Spray is ready for use right out of the box. No assembly is required for the spray bottles. The microfiber cloths are pre-washed and ready for immediate use.

## Preparation:

1. Ensure the electronic device you intend to clean is powered off and cooled down.
2. Remove any loose dust or debris from the screen surface using a dry microfiber cloth or a soft brush.

**QUICK-DRY  
FORMULA**

**ALCOHOL FREE**

**NO AMMONIUM  
HYDROXIDE**

**Includes a  
premium  
microfiber  
cleaning cloth!**

## OPERATING INSTRUCTIONS

Follow these simple steps for optimal cleaning results and to protect your electronic screens.

### Cleaning Procedure:

- Spray onto Cloth:** Lightly spray the EVEO Screen Cleaner solution onto one of the provided microfiber cloths. Do not spray directly onto the electronic screen.
- Wipe the Screen:** Gently wipe the screen surface in a circular or back-and-forth motion. Apply light pressure to remove smudges, fingerprints, and dust.
- Buff for Shine:** Use a dry, clean section of the microfiber cloth to buff the screen until it is completely dry and streak-free.

## MAINTENANCE

Proper care of your EVEO Screen Cleaner Kit components will ensure long-lasting performance.

### Microfiber Cloth Care:

- Machine wash the microfiber cloths with similar colors in cold water.
- Do not use fabric softener or bleach, as these can damage the microfiber and reduce its effectiveness.
- Tumble dry on low heat or air dry.

### Storage:

- Store the screen cleaner bottles in a cool, dry place away from direct sunlight.
- Ensure the spray nozzle is securely closed to prevent leakage or evaporation.

## TROUBLESHOOTING

If you encounter any issues while using your EVEO Screen Cleaner, refer to the following common solutions:

### Issue: Streaks or Residue Remain on Screen

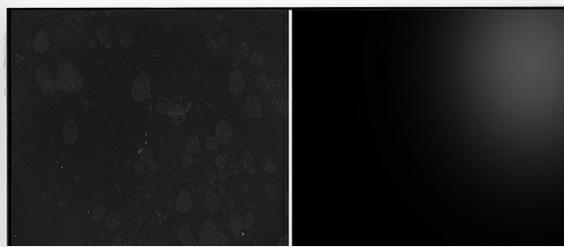

- **Solution 1:** Ensure your microfiber cloth is clean. A dirty cloth can transfer oils and debris back onto the screen.
- **Solution 2:** Avoid over-saturating the cloth. A light mist is sufficient. Excess liquid can lead to streaks.
- **Solution 3:** Use a dry section of the microfiber cloth to buff the screen immediately after wiping with the damp section.
