Lyromix Mini Trampoline

Lyromix 36-Inch Kids Trampoline User Manual

Brand: Lyromix
Model: Mini Trampoline

1. Introduction

Thank you for choosing the Lyromix 36-Inch Kids Trampoline. This indoor mini trampoline with a handle is designed for toddlers and can also be used by adults for fitness. It provides a fun and safe way to burn energy and improve coordination for children, while also serving as a versatile rebounder for adult exercise.

Key features include a sturdy metal frame, high tensile steel springs, a strong elastic PP mat, and a safety handrail with a soft foam cover for enhanced protection and stability. It is suitable for both indoor and outdoor use.

2. Setup and Assembly

Assembly of the Lyromix Mini Trampoline is designed to be straightforward, typically taking less than 10 minutes. Please follow these steps carefully:

1. **Unpack Components:** Carefully remove all parts from the packaging. Verify that all components listed in the

package list are present.

2. **Assemble the Frame:** Connect the stainless steel frame sections to form a complete circle. Ensure the holes align correctly for the support poles.
3. **Attach Support Poles:** Securely attach the six anti-slip support poles to the trampoline frame.
4. **Install Springs:** Using the provided tool, attach the high tensile springs to the frame and the PP mat. It is recommended to attach springs in a cross-pattern (e.g., 12 o'clock, 6 o'clock, 3 o'clock, 9 o'clock) to ensure even tension.
5. **Place Waterproof Cover Pad:** Lay the waterproof cover pad over the springs and frame, ensuring it is securely fitted to prevent access to the springs.
6. **Assemble and Attach Handrail:** Connect the handrail sections and attach the complete handrail to the designated points on the trampoline frame. Ensure it is bolted tightly for stability.

For detailed visual instructions, please refer to the official User Manual (PDF) provided with your product.

3. Operating Instructions and Safety Guidelines

The Lyromix trampoline is versatile for both indoor and outdoor environments. Its compact size makes it suitable for various spaces. Always ensure proper supervision for children.

General Use:

- Ensure the trampoline is placed on a flat, stable surface.
- Only one user should be on the trampoline at a time to prevent collisions and injuries.
- Hold onto the safety handrail for balance, especially for younger children or during fitness routines.

- Avoid somersaults or flips, as this can lead to serious injury.
- Do not allow children under 3 years of age to use the trampoline without direct adult supervision.
- Remove all hard objects, jewelry, or sharp items before jumping.

Indoor and Outdoor Use:

This trampoline is versatile for both indoor and outdoor environments. Its compact size makes it suitable for various spaces.

4. Maintenance

Regular maintenance ensures the longevity and safety of your Lyromix trampoline.

- **Daily Pre-Inspection:** Before each use, inspect the legs for proper attachment and cracks. Check the mat for tears or worn stitching. Inspect the frame for any damage.
- **Cleaning:** Wipe down the jumping mat and frame with a damp cloth and mild soap. Avoid harsh chemicals.
- **Springs and Cover:** Periodically check the springs for rust or damage. Ensure the waterproof cover pad remains securely in place to protect the springs and prevent injury.
- **Storage:** If storing outdoors, consider covering the trampoline to protect it from harsh weather conditions.

5. Troubleshooting

If you encounter any issues with your trampoline, please refer to these common solutions:

- **Trampoline feels unstable:** Ensure all legs are securely attached and placed on a flat, even surface. Check that the handrail bolts are tightened.
- **Reduced bounce:** Inspect all springs to ensure they are properly attached and not stretched or damaged. Replace any damaged springs.
- **Noise during use:** Check all connections, especially where the handrail attaches to the frame and where the legs meet the frame. Tighten any loose bolts.

For issues not covered here, please contact Lyromix customer support.

6. Specifications

Attribute	Detail
Color	Bright Pink
Brand	Lyromix
Material	Sturdy Metal Frame, High Tensile Steel Springs, Polypropylene (PP)
Frame Size	36 Inches
Pad Type	Foam Pad
