

Goodman's Ark Gulab 15 MI Pack Of Twelve (12)

Instruction Manual

INTRODUCTION

This manual provides essential information for the proper use and care of Goodman's Ark Gulab, a 100% Ayurvedic Medicine. This product is designed for safe and easy application.

Product Image: The image displays the packaging for Goodman's Ark Gulab. On the left, a single 15ml bottle box is shown, clearly labeled "Goodman's Ark Gulab" with "REAL ROSE WATER" at the base. On the right, the main pink retail box is visible, featuring "Goodman's Ark Gulab" in both Hindi and English, along with the text "REAL ROSE WATER 15 ml x 12 pcs". Both packaging elements prominently display an eye graphic and a "GMP Practice" seal, indicating adherence to Good Manufacturing Practices.

SETUP AND PREPARATION

Goodman's Ark Gulab is ready for immediate use upon opening the package. No complex assembly or preparation is

required.

- **Unpacking:** Carefully remove the individual bottles from the main packaging box.
- **Inspection:** Before first use, inspect each bottle to ensure the seal is intact and there are no signs of damage.

OPERATING INSTRUCTIONS

Goodman's Ark Gulab is designed for easy and safe application. Follow these steps for optimal use:

1. **Cleanse:** Ensure the area of application (e.g., face) is clean and free from impurities.
2. **Dispense:** Open the bottle cap. You may dispense a few drops onto a cotton pad or directly onto your palm.
3. **Apply:** Gently dab or wipe the product onto the desired area. For facial toning, apply evenly across the face and neck.
4. **Absorption:** Allow the product to absorb naturally into the skin. Do not rinse immediately.
5. **Frequency:** Use as directed by a healthcare professional or as part of your daily skincare routine.

Note: This product is for external use only. Avoid direct contact with eyes. In case of contact, rinse thoroughly with water.

CARE AND STORAGE

Proper care and storage will help maintain the efficacy and shelf life of Goodman's Ark Gulab.

- **Storage:** Store in a cool, dry place, away from direct sunlight and excessive heat.
- **Sealing:** Always ensure the bottle cap is tightly closed after each use to prevent contamination and evaporation.
- **Handling:** Handle bottles with clean hands to maintain hygiene.
- **Child Safety:** Keep out of reach of children.

TROUBLESHOOTING

While Goodman's Ark Gulab is generally safe and easy to use, here are some common considerations:

Issue	Possible Cause	Solution
Skin Irritation / Redness	Individual sensitivity to ingredients.	Discontinue use immediately. Consult a healthcare professional if irritation persists.
Product Leakage	Cap not securely closed or bottle damage.	Ensure cap is tightly sealed after each use. Do not use if bottle is visibly damaged.
Unusual Odor or Color Change	Improper storage or product expiration.	Check storage conditions. Do not use if product appears altered or expired.
