## Hot Wheels Chevy Silverado, 2007 New Models 20/36 20/180

# Hot Wheels Chevy Silverado, 2007 New Models 20/36 [Black] 20/180 Instruction Manual

### INTRODUCTION

---

This manual provides essential information for the proper use and care of your Hot Wheels Chevy Silverado, 2007 New Models 20/36 [Black] 20/180 die-cast vehicle. Please read these instructions carefully before use to ensure optimal performance and longevity of the product.

This image shows the Hot Wheels Chevy Silverado, a 1:64 scale die-cast model from the 2007 New Models™ series, featuring a black finish.

## SETUP

1. **Unboxing:** Carefully remove the Hot Wheels Chevy Silverado from its packaging. Retain packaging for

future reference if needed.

2. **Initial Inspection:** Examine the vehicle for any visible damage or manufacturing defects. If any issues are found, refer to the Warranty and Support section.
3. **Preparation for Play:** No assembly or battery installation is required for this die-cast model. It is ready for immediate use.

## OPERATING INSTRUCTIONS

---

The Hot Wheels Chevy Silverado is a simple push-and-play die-cast vehicle. To operate:

1. Place the vehicle on a flat, smooth surface.
2. Gently pull the car backward a short distance.
3. Release the car to allow it to move forward.

This model is designed for imaginative play and collection.

## MAINTENANCE

---

- **Cleaning:** To clean the vehicle, wipe it gently with a soft, dry cloth. Avoid using harsh chemicals, abrasive cleaners, or excessive water, as these can damage the paint finish or decals.
- **Storage:** Store the vehicle in a cool, dry place away from direct sunlight and extreme temperatures to prevent fading or material degradation. Keep it in its original packaging or a display case for protection.
- **Handling:** Handle the die-cast model with care to avoid bending axles, chipping paint, or breaking small parts.

## TROUBLESHOOTING

---

This product is a simple die-cast model with minimal moving parts. Most issues are related to physical damage.

- **Wheels not rolling smoothly:** Check for any debris caught in the axles or wheels. Gently remove any obstructions. Ensure the axles are not bent.
- **Paint chipping or decals peeling:** This can occur with rough handling or prolonged exposure to harsh conditions. Such wear is typically not covered under warranty unless present upon initial inspection.

For other concerns, please refer to the Support section.
