MIRROTOWEL B1

Vanity Desk with Mirror and Lights User Manual

Model: B1 | Brand: MIRROTOWEL

Introduction

This manual provides comprehensive instructions for the assembly, operation, and maintenance of your new MIRROTOWEL Vanity Desk with Mirror and Lights. Please read this manual thoroughly before assembly and use to ensure proper function and safety.

Safety Information

- **Sharp Edges:** Exercise caution during assembly and handling as some components may have sharp edges.
- Ensure all screws and fasteners are securely tightened before use.
- Do not overload drawers or shelves to prevent tipping or damage.
- Keep electrical components (lights, power cords) away from water and moisture.
- For stability, consider securing the vanity to a wall using appropriate hardware (not included unless specified in package contents).

Package Contents

Verify that all components are present before beginning assembly. Refer to the included User Manual (PDF) for a detailed parts list.

- Vanity Desk Panels (various sizes)
- Mirror with Integrated LED Bulbs
- Drawer Components (fronts, sides, backs, bottoms)
- Drawer Rails/Slides
- Hardware (screws, dowels, cam locks, etc.)
- Power Adapter for Lights
- Assembly Instructions (this manual and PDF)

Setup and Assembly

Assembly requires patience and attention to detail. It is recommended to have a second person for certain steps, especially when handling the mirror. All parts are numbered for easy identification.

General Assembly Tips:

- Lay out all parts and hardware before starting.
- Use a soft surface (e.g., carpet) to prevent scratching components.
- Do not overtighten screws to avoid damaging the particle board.
- Follow the step-by-step instructions provided in the included PDF manual.

Key Assembly Steps:

1. **Base Assembly:** Connect the side panels and bottom support bar to form the desk's base.
2. **Drawer Rail Installation:** Attach the drawer rails to the side panels. Note that some instructions might not perfectly match the parts; use the third hole from the wheel for proper alignment if discrepancies occur.
3. **Drawer Construction:** Assemble the two large drawers. Ensure smooth operation of the drawer slides.
4. **Mirror and Shelf Attachment:** Secure the mirror unit and the upper storage shelf to the main desk frame.
5. **Lighting Connection:** Connect the LED bulbs to the power adapter. It is always recommended to test the lights before final assembly to ensure they function correctly.

Operating Instructions

Mirror Lighting:

The vanity mirror features 11 adjustable LED bulbs with 3 lighting modes and adjustable brightness to meet all your personal make-up needs day and night.

- **Power On/Off:** Use the convenient switch located on the side of the mirror frame to turn the lights on or off.

- **Change Lighting Mode:** Press the switch repeatedly to cycle through the three available lighting modes:
    - **Warm Light:** Ideal for parties, dinners, and dates.
    - **Natural Light:** Great for outdoor activities and daytime makeup.
    - **Cold Light:** Suitable for indoor, daily, office, and most makeup applications.
- **Adjust Brightness:** Long-press the switch to dim or brighten the lights to your desired level.

Drawer Usage:

The vanity desk is equipped with two large drawers, providing generous storage space for your makeup, jewelry, hair accessories, and other beauty products. The smooth-gliding drawers ensure easy access and organization.

Maintenance

- **Cleaning:** For general cleaning, a normal wiping and cleaning is sufficient. Use a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals.
- **Moisture:** Do not soak the vanity in water for a long time. Wipe up spills immediately.
- **Mirror Care:** Clean the mirror with a glass cleaner and a lint-free cloth.
- **Bulb Replacement:** If an LED bulb needs replacement, contact customer support for guidance.

Troubleshooting

Problem	Possible Cause	Solution

Problem	Possible Cause	Solution
Lights not turning on.	Power adapter not connected or faulty; loose wiring; faulty switch.	Ensure power adapter is securely plugged into both the vanity and a working outlet. Check all wiring connections behind the mirror. If issues persist, contact customer support.
Drawers are stiff or not sliding smoothly.	Incorrect rail installation; debris in rails; overloaded drawer.	Verify drawer rails are installed correctly according to instructions. Clear any debris from the rails. Reduce the weight in the drawer.
Vanity feels wobbly.	Loose fasteners; uneven surface.	Check and tighten all screws and fasteners. Ensure the vanity is placed on a flat, level surface.
