# MEGATEK Portable CD Player User Manual

Model: CP27BR

## INTRODUCTION

Thank you for choosing the MEGATEK Portable CD Player. This device is designed to provide a versatile and high-quality audio experience, supporting various media formats and offering multiple connectivity options. Please read this manual carefully to ensure proper use and maintenance of your new CD player.

Image: The MEGATEK Portable CD Player, showcasing its compact design, integrated speakers, control buttons, and included accessories like headphones and USB-C charging cables.

## SAFETY INFORMATION

To ensure safe operation and prevent damage, please observe the following precautions:

- Do not expose the device to extreme temperatures, humidity, or direct sunlight.
- Avoid dropping or subjecting the device to strong impacts.
- Do not disassemble or attempt to repair the device yourself. Refer all servicing to qualified personnel.
- Use only the provided charging cable and a compatible power adapter.
- Keep the device away from water and other liquids.
- Clean the device with a soft, dry cloth. Do not use abrasive cleaners or solvents.
- Prolonged listening at high volume levels may cause hearing damage. Adjust volume to a safe level.

## PACKAGE CONTENTS

Verify that all items are present in the package:

- MEGATEK Portable CD Player - Black
- Wired Headphones
- USB-C Charging Cable
- User's Manual

Image: A visual representation of the package contents, including the CD player, headphones, USB-C cable, and user manual.

## PRODUCT OVERVIEW

Familiarize yourself with the various parts and controls of your MEGATEK Portable CD Player.

# All-in-One

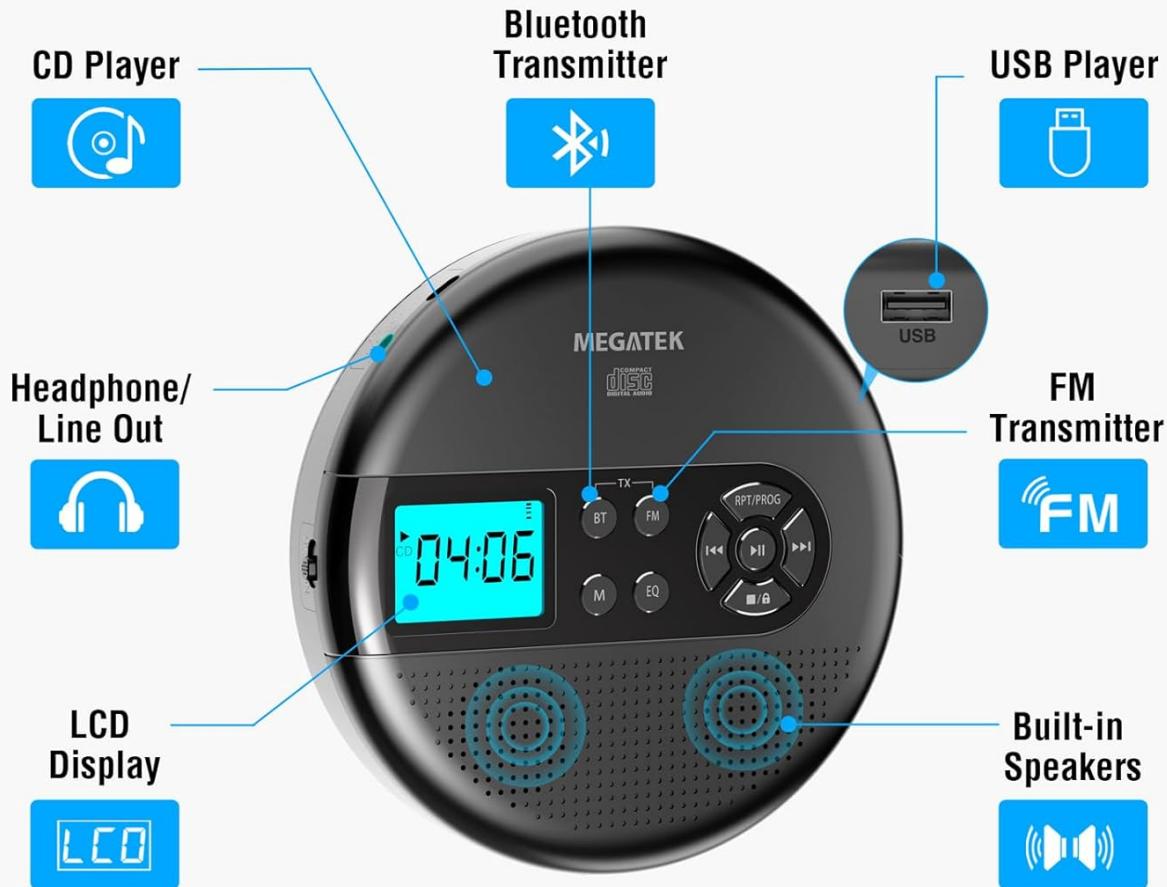

Image: An "All-in-One" diagram highlighting key features such as the CD Player, Bluetooth Transmitter, USB Player, FM Transmitter, Built-in Speakers, LCD Display, and Headphone/Line Out port.

## Controls and Ports:

- LCD Display:** Shows track number, time, mode, and battery status.
- Play/Pause Button:** Starts or pauses playback.
- Previous/Next Buttons:** Skips tracks or fast-forwards/rewinds.
- Stop Button:** Stops playback.
- RPT/PROG Button:** Controls repeat modes and programming tracks.
- BT Button:** Activates Bluetooth transmission mode.
- FM Button:** Activates FM transmission mode.
- M (Mode) Button:** Switches between CD, USB, Bluetooth, and FM modes.
- EQ Button:** Cycles through equalizer presets.
- Volume Control:** Adjusts audio output level.
- USB Port:** For playing audio files from a USB drive.
- Type-C Charging Port:** For charging the internal battery.

- **3.5mm Audio Out Jack:** For connecting headphones or external speakers.
- **Built-in Stereo Speakers:** For direct audio playback.

## SETUP

### Charging the Battery:

The device is equipped with a built-in 2000mAh rechargeable Li-ion battery. Before first use, fully charge the player.

1. Connect the provided USB-C charging cable to the Type-C charging port on the player.
2. Connect the other end of the USB-C cable to a USB power adapter (not included) or a computer's USB port.
3. The battery indicator on the LCD display will show charging status. A full charge provides up to 15 hours of playtime at medium volume.

Image: The portable CD player connected to a power source via its USB-C cable, resting on a nightstand next to a bed.

### Inserting a CD:

1. Locate the CD compartment latch/button on the side of the player and slide/press it to open the lid.
2. Carefully place the CD onto the center spindle with the label side facing up.
3. Gently press the CD down until it clicks into place.
4. Close the CD compartment lid firmly until it latches.

# Programmable CD Player

Enjoy your favorite CDs, CD-R/RW, MP3 and Audiobook CDs with shuffle, repeat, and program functions.

Audio-CD

MP3

WMA

WAV

Audio-Book

Image: The portable CD player with its lid open, showing a blue CD disc inserted into the compartment, ready for playback.

## OPERATING INSTRUCTIONS

### CD Playback:

1. Insert a CD as described in the Setup section.
2. Press the **Play/Pause** button to begin playback.
3. Use the **Previous/Next** buttons to navigate between tracks. Hold to fast-forward or rewind.
4. Press the **RPT/PROG** button to cycle through repeat modes (repeat one, repeat all, random) or to program a custom playback order.
5. Press the **Stop** button to end playback.
6. Adjust volume using the dedicated volume control.

### USB Playback:

The player supports MP3, WMA, and WAV audio files from a USB drive.

1. Insert a USB flash drive into the USB port.
2. Press the **M (Mode)** button to switch to USB mode.
3. Use the **Play/Pause**, **Previous/Next**, and **RPT/PROG** buttons as you would for CD playback.

## Multiformat USB Player

Enjoy an expanded library of MP3, WMA and WAV audio files with shuffle, repeat, and program functions.

Image: The portable CD player with a USB flash drive inserted into its side port, illustrating its multi-format USB playback capability.

### Bluetooth Transmission:

Stream audio wirelessly to Bluetooth-enabled headphones or speakers. *Note: This feature does not support connections to car stereo systems.*

1. Ensure your Bluetooth headphones or speaker are in pairing mode.
2. On the CD player, press the **BT** button. The Bluetooth indicator on the display will flash.
3. The player will automatically search for and connect to nearby Bluetooth devices. Once connected, the indicator will stop flashing.

# Bluetooth Transmitter

Stream audio wirelessly to Bluetooth-enabled headphones or speakers.

**Note:** The Bluetooth transmitter does not support connections to car stereo systems.

Image: The portable CD player wirelessly transmitting audio to two external Bluetooth speakers, demonstrating its Bluetooth transmission capability.

## FM Transmission:

Transmit audio signals to nearby FM radios, including car FM stereos and home stereo systems.

1. Press the **FM** button on the CD player. The display will show an FM frequency.
2. Tune your FM radio (car stereo, home stereo) to the same frequency displayed on the CD player.
3. Adjust the frequency on the CD player using the **Previous/Next** buttons if interference occurs or to find a clearer channel.

# FM Transmitter

Transmit audio signals via FM radio frequencies to nearby car FM stereos and home stereo systems.

Image: The portable CD player placed on a car dashboard, transmitting audio to the car's FM stereo system, indicated by an FM frequency on the car's display.

## Using Headphones/External Speakers:

For private listening or connecting to wired audio systems:

- Plug the included wired headphones into the 3.5mm audio out jack.
- Alternatively, connect an audio cable (not included) from the 3.5mm audio out jack to the AUX input of external speakers or an audio system.
- The built-in speakers will automatically mute when headphones or external speakers are connected.

# Built-in Stereo Speakers

Experience crisp sound through the built-in dual speakers or utilize the included headphones for private listening.

Image: A close-up of the portable CD player, visually representing sound waves emitting from its dual stereo speakers, emphasizing the built-in audio capability.

## MAINTENANCE

- Cleaning:** Use a soft, dry, lint-free cloth to clean the exterior of the player. For the CD lens, use a specialized CD lens cleaner. Do not use liquids or aerosol cleaners directly on the device.
- Storage:** When not in use for extended periods, store the player in a cool, dry place, away from direct sunlight and extreme temperatures.
- Battery Care:** To prolong battery life, avoid fully discharging the battery frequently. Charge the device regularly, even if not in active use.

## TROUBLESHOOTING

| Problem | Possible Cause | Solution |
|---------|----------------|----------|
|---------|----------------|----------|

| Problem                              | Possible Cause   | Solution  |
|--------------------------------------|--|---|
| Player does not turn on.             | Battery is depleted.   | Charge the player using the USB-C cable.  |
| No sound from speakers/headphones.   | Volume is too low; headphones not fully plugged in; incorrect mode selected.     | Increase volume; ensure headphones are securely connected; press the <b>M (Mode)</b> button to select the correct source. |
| CD skipping or not playing.          | CD is dirty, scratched, or inserted incorrectly; anti-skip function overwhelmed. | Clean the CD; ensure CD is properly seated; avoid strong vibrations.  |
| Bluetooth connection issues.         | Device not in pairing mode; too far from player; interference.                   | Ensure receiving device is in pairing mode; move closer to the player; restart both devices.                              |
| FM transmission static/poor quality. | Interference; incorrect frequency.   | Adjust the FM frequency on the player and receiver to find a clear channel.   |

## SPECIFICATIONS

| Feature               | Detail  |
|-----------------------|---|
| Model Number          | CP27BR  |
| Product Dimensions    | 5.91 x 5.91 x 1.32 inches   |
| Item Weight           | 10.9 ounces   |
| Battery               | 2000mAh Lithium Ion (rechargeable)  |
| Playtime              | Up to 15 hours (at medium volume)   |
| Supported CD Formats  | CD, CD-R/RW, MP3 CD, Audio Book CD  |
| Supported USB Formats | MP3, WMA, WAV   |
| Anti-Skip Protection  | 60 seconds  |
| Connectivity          | USB, Bluetooth Transmitter, FM Transmitter, 3.5mm Audio Out                             |
| Special Features      | Built-in Stereo Speakers, Resume Play, Shuffle, Repeat, Program Functions, 5 EQ Options |

## WARRANTY AND SUPPORT

MEGATEK offers comprehensive support for its products:

- 12-Month Replacement:** In case of product defects or issues within 12 months of purchase.
- Lifetime Technical Support:** Assistance with product usage, troubleshooting, and general inquiries.

- **24/7 Customer Service:** Available through Amazon buyer-seller messaging.

For any questions or problems, please contact MEGATEK customer service via the Amazon platform or refer to the contact information provided in the product packaging.

U.S. Agent Declaration

Shenzhen Megatek Electronics Co., LTD acknowledges their consent for the following contact located in the United States to act as agent for service of process for the equipment for which authorization is sought (FCC ID: 2ATSK-CP27BR):

Name and company of U.S. agent: FCC U.S. Agent, LLC  
Physical U.S. address of agent: 3722 Block Avenue, Saint Charles, IL 60174, USA  
Phone of U.S. agent: +1 847 391 0000  
Email address of U.S. agent: fccagent@fccagent.com

FCC U.S. Agent, LLC acknowledges their obligation to accept service of process on behalf of Shenzhen Megatek Electronics Co., LTD

Shenzhen Megatek Electronics Co., LTD with the FCC (20230524) accepts its obligation to maintain an agent for service of process in the United States. Shenzhen Megatek Electronics Co., LTD also certifies that it has permanently removed the equipment and imported the equipment into the U.S. or the location of any Correspondent/intermediary/agent for judicial proceeding involving the equipment, wherever it later.

By signing this form, we confirm the above and that we are aware of the application requirements listed under § 2.910(f).

The information provided in this letter is based on the interested party of Title 47 of the CFR as well as KDR 20240124.

An expiration date for this letter does not exist. In case the U.S. agent changes, the grantees is obliged to notify the FCC within 30 days of the granting TCR.

Sincerely,
