

HIFIT HFT-UP-071

HIFIT Queen Smart LED Platform Bed Frame User Manual

Model: HFT-UP-071

1. IMPORTANT SAFETY INFORMATION

Please read and understand all instructions before assembly and use. Keep this manual for future reference.

- Do not load more than 850 pounds on the bed frame.
- Follow assembly instructions carefully to prevent instability.
- Ensure all connections are secure before use.
- Keep small parts away from children during assembly.

2. PRODUCT OVERVIEW

The HIFIT Queen Smart LED Platform Bed Frame (Model: HFT-UP-071) is designed for comfort and functionality. It features a crystal button-tufted wingback headboard, integrated RGB LED lighting, and four storage drawers. This bed frame does not require a box spring.

3. SETUP AND ASSEMBLY

The bed frame is shipped in one box with all necessary parts, instructions, and tools. Assembly typically takes approximately 40 minutes with the plastic snap lock design.

3.1 Parts List

Refer to the included instruction manual for a detailed parts list and hardware identification. Key components include:

- Headboard (with integrated LED and charging ports)
- Footboard

- Side Rails
- Steel Platform Bed Frame components
- Solid Wood Slats
- Four Storage Drawers (with wheels)
- Assembly Kits (screws, Allen wrench)
- Remote Control for LED lights

3.2 Assembly Instructions

For a detailed step-by-step visual guide, please refer to the assembly video below. General steps include:

1. Assemble the main bed frame structure using the provided hardware.
2. Attach the headboard and footboard to the assembled frame.
3. Install the solid wood slats into the frame, ensuring they are secured with the snap locks.
4. Assemble the four storage drawers and attach their wheels.
5. Connect the LED light strips to the power source and ensure proper functionality.

4. OPERATING INSTRUCTIONS

4.1 LED Lighting System

The integrated RGB LED light strips can be controlled via a dedicated mobile application or the included remote control.

- **APP Control:** Download the recommended app (details in the included manual) to access over 16 million colors, 20+ preset light effects (brightness, flash, wave), and multiple modes (music, mic, time mode).
- **Remote Control:** Use the remote to easily switch colors, adjust brightness, and select various lighting modes.
- **Music Sync Mode:** The lights can synchronize with music beats for an immersive experience.
- **Timing Function:** Set schedules for the lights to turn on or off automatically.

Modern & Chic Style

- modern curved wingback design -
- studded with shining crystal and stainless-steel golden trim -

4.2 Storage Drawers

The bed frame includes four large steel drawers for convenient storage.

- Each drawer is equipped with smooth, quiet wheels for easy sliding.

- Fixtures are designed to hold drawers in place and prevent sliding during use.
- Ideal for storing bedding, seasonal clothing, books, or other items.

TWO WAYS TO SET UP

- Multi Scenes Modes -

4.3 Charging Ports

The headboard features built-in charging ports for electronic devices.

- Conveniently charge your phone, tablet, or other USB-powered devices directly from the headboard.

5. MAINTENANCE

Proper care will ensure the longevity and appearance of your bed frame.

- **Cleaning:** Wipe the upholstered surfaces with a damp cloth for general cleaning. For spills, use a dry cloth immediately.
- **Dusting:** Regularly dust the frame and headboard to prevent buildup.
- **LED Lights:** Avoid direct contact with water or harsh cleaning agents on the LED strips.
- **Drawer Wheels:** Periodically check and clean the drawer wheels to ensure smooth operation.

6. TROUBLESHOOTING

If you encounter any issues with your HIFIT bed frame, please refer to the following common solutions:

- **LED Lights Not Working:** Check if the power cable is securely connected to both the bed frame and the wall outlet. Ensure the remote control batteries are functional.
- **Squeaking Noises:** Verify that all screws and bolts are tightened securely. The bed frame is designed with noise-free strips on the slats to minimize friction.
- **Drawers Sticking:** Ensure the drawer wheels are clean and free of debris. Check that the drawers are properly aligned within their tracks.
- **Mattress Sliding:** The footboard is designed to prevent mattress sliding. Ensure the mattress is correctly positioned against the footboard.
