2. SAFETY INFORMATION

- Always assemble the table according to the provided instructions.
- Do not overload the table beyond its maximum weight recommendation of 15 pounds to maintain stability.
- Secure the table to the wall using the included anti-tip kit to prevent accidental tipping, especially in households with children or pets.
- Keep small parts and packaging materials away from children during assembly.
- Ensure all screws and fasteners are tightened securely before use. Periodically check and re-tighten if necessary.

3. PACKAGE CONTENTS

Please verify that all components are present before beginning assembly. If any parts are missing or damaged, please contact customer service.

- Tabletop Panels (Engineered Wood)

- Metal Frame Components
- Fabric Drawers (2 units)
- Metal Mesh Shelves (2 units)
- Adjustable Feet (4 units)
- Anti-Tip Kit
- Hardware (screws, bolts, etc.)
- Assembly Guide
- Tools Recommended: Screwdriver (not included)

4. SETUP (ASSEMBLY INSTRUCTIONS)

Follow these steps carefully for proper assembly. It is recommended to assemble the table on a soft, clean surface to prevent scratches.

1. **Unpack and Identify Parts:** Lay out all components and hardware. Refer to the parts list to ensure everything is accounted for. Each accessory is labeled for easy identification.
2. **Assemble the Metal Frame:** Connect the vertical and horizontal metal frame components using the provided hardware. Ensure all connections are secure but do not fully tighten screws until the entire frame is assembled.
3. **Attach Shelves:** Place the metal mesh shelves onto the designated frame supports. Secure them with the appropriate screws.
4. **Install Tabletop Panels:** Carefully align and attach the engineered wood tabletop panels to the top of the frame. The tabletop consists of multiple pieces; ensure they are aligned evenly for a smooth surface.
5. **Insert Fabric Drawers:** Unfold the two fabric drawers and insert them into their respective slots under the tabletop. Attach the handles to the drawers.
6. **Attach Adjustable Feet:** Screw the adjustable feet into the bottom of the table legs. Adjust them to stabilize the table on uneven floors.
7. **Install Anti-Tip Kit:** For safety, attach the anti-tip kit to the back of the table and secure it to a wall stud according to the instructions provided with the kit.
8. **Final Tightening:** Once all components are in place and aligned, fully tighten all screws and fasteners.
