Image description: A warning label illustrating the danger of furniture tip-over. It shows a child climbing on an unstable furniture piece (crossed out) and a furniture piece securely anchored to the wall (checked). The text emphasizes: **ALWAYS** secure it with an anchor device, **NEVER** allow children to stand, climb or hang on drawers, doors, or shelves, **NEVER** open more than one drawer at a time, Place heavy items down low, and **NEVER** put a TV on this furniture.

## PRODUCT OVERVIEW

The vidaXL Aquarium Stand is designed to provide stable support and a secure display area for your aquarium. This stand is suitable for various aquatic setups, whether you are raising ornamental fish or arranging aquatic plants.

- **Durable Material:** Constructed from high-quality engineered wood, ensuring a smooth surface, strength, stability, and moisture resistance.
- **Storage Function:** Features ample storage space with compartments and shelves, ideal for organizing fish food, nets, disinfectants, water treatment solutions, and other aquarium accessories.
- **Trendy Design:** Its sleek design complements various interior styles, serving as both a practical aquarium stand and an elegant home decoration.

## SETUP AND ASSEMBLY

This aquarium stand requires assembly. Please follow the instructions provided in the packaging carefully. Ensure all components are present before beginning assembly.

1. **Unpack Components:** Carefully remove all parts from the packaging and lay them out on a clean, soft surface to prevent scratches. Verify all hardware and panels are accounted for against the parts list (typically included in the product packaging).
2. **Assemble Frame:** Begin by assembling the main frame of the stand. Connect the side panels to the base and top panels using the provided fasteners. Ensure all connections are secure.
3. **Install Shelves and Dividers:** Insert the central shelf and any internal dividers into their designated slots or attach them with the appropriate hardware.
4. **Attach Doors:** Mount the cabinet doors to the side panels using the hinges. Adjust the hinges as needed to

ensure the doors align properly and close smoothly.

5. **Attach Handles:** Secure the handles to the cabinet doors.
6. **Wall Attachment:** As a critical safety measure, attach the provided anti-tip device to the back of the stand and secure it to a solid wall stud. This prevents accidental tipping.

## OPERATING INSTRUCTIONS

Once assembled and securely anchored, the vidaXL Aquarium Stand is ready for use.

1. **Placement:** Choose a level, stable surface for the stand. Ensure it is away from direct sunlight, heat sources, and areas with high foot traffic to prevent accidental bumps.
2. **Aquarium Placement:** Carefully place your aquarium centered on the top surface of the stand. Ensure the weight is evenly distributed.
3. **Storage:** Utilize the internal compartments and open shelves for storing aquarium supplies, fish food, cleaning tools, and other related items. Keep heavier items on lower shelves for better stability.

## MAINTENANCE

Proper maintenance will ensure the longevity and appearance of your aquarium stand.

- **Cleaning:** Wipe the surfaces regularly with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Spills:** Immediately wipe up any water spills from the aquarium to prevent moisture damage to the engineered wood.
- **Inspection:** Periodically check all fasteners and connections to ensure they remain tight. Re-tighten if necessary.
- **Avoid Overloading:** Do not exceed the weight capacity of the stand. Refer to your aquarium's specifications for its filled weight.

## TROUBLESHOOTING

Problem	Possible Cause	Solution
Stand is wobbly	Uneven floor; loose fasteners; improper assembly.	Ensure the stand is on a level surface. Check and tighten all assembly fasteners. Re-check assembly steps.
Doors do not align	Hinges are not adjusted correctly.	Adjust the screws on the hinges to align the doors.
Surface damage (scratches, water marks)	Sharp objects; prolonged water exposure.	Use coasters or protective mats under items. Wipe spills immediately. For minor scratches, consider furniture repair kits.
