HeyDoodle Mini Toot Toot Honk (Model 07)

HeyDoodle Mini Toot Toot Honk Reusable Silicone Coloring Mat Instruction Manual

Model: Mini Toot Toot Honk (07)

1. PRODUCT OVERVIEW

The HeyDoodle Mini Toot Toot Honk Reusable Silicone Coloring Mat is an educational activity pad designed for toddlers and children aged 3-7. It features engaging illustrations of 12 different vehicles paired with corresponding letters, aiding in alphabet and vehicle name learning. Crafted from 100% food-grade silicone, this mat is durable, safe, and designed for repeated use. Its compact A4 size makes it highly portable for travel. The mat includes three non-toxic, quick-dry markers that are easily wiped clean, supporting fine motor skill development through tracing and coloring activities.

three dry erase markers and the cylindrical storage tube.

2. WHAT'S IN THE BOX

- 1 x HeyDoodle Mini Toot Toot Honk Reusable Silicone Coloring Mat
- 3 x Dry Erase Markers (assorted colors)

3. SETUP

1. Unroll the HeyDoodle silicone mat on a flat, clean, and stable surface.
2. Ensure the included dry erase markers have their caps removed and are ready for use.

4. OPERATING INSTRUCTIONS

1. **Coloring and Tracing:** Use the provided dry erase markers to color within the lines of the vehicle illustrations and trace the letters on the mat. The debossed outlines are designed to assist with tracing and improve hand-eye coordination.
2. **Learning:** Encourage children to identify the different vehicles and corresponding letters as they engage with the mat.
3. **Creative Play:** The mat can be used for free-form drawing and creative expression beyond the pre-printed designs.

Image 4.1: A child's hand coloring a vehicle illustration on the HeyDoodle mat with a dry erase marker, demonstrating typical use.

5. MAINTENANCE AND CARE

1. **Cleaning the Mat:** To clean the mat, use a damp cloth to wipe away marker residue. For more stubborn marks, a small amount of mild soap and water can be used. Ensure cleaning is done shortly after use for best results.
2. **Drying:** Ensure the mat is completely dry before rolling it up for storage to prevent any moisture-related issues.

3. **Marker Storage:** Always store the dry erase markers with their caps securely closed to prevent them from drying out.
4. **General Care:** Avoid using abrasive cleaners, harsh chemicals, or sharp objects on the mat surface, as these can damage the silicone.

Image 5.1: A child's hand wiping the HeyDoodle mat clean with a cloth, illustrating the ease of maintenance.

6. TROUBLESHOOTING

- **Markers not working or faint:** If markers appear dry or produce faint color, ensure their caps were securely closed after previous use. If a marker is new and defective (e.g., producing clear liquid instead of color), please contact customer support for assistance.
- **Difficulty erasing marks:** If marker residue is difficult to remove, use a slightly wetter cloth or a small amount of mild soap. Cleaning the mat shortly after use typically yields the best results.
- **Mat not lying flat:** If the mat retains a curl from storage, gently roll it in the opposite direction or place it under a flat, heavy object for a short period.

7. SPECIFICATIONS

Brand	HeyDoodle
Model	Mini Toot Toot Honk (07)
Material	100% Food-Grade Silicone
