SEDETA Corner Desk User Manual

Model: home-office-desks corner desk 2

1. INTRODUCTION

Thank you for choosing the SEDETA Corner Desk. This desk is designed to maximize space efficiency in small home offices or gaming setups, offering integrated power solutions, customizable lighting, and ample storage. This manual provides detailed instructions for assembly, operation, and maintenance to ensure optimal use and longevity of your product.

2. SAFETY INFORMATION

- Read all instructions carefully before assembly and use.
- Keep all small parts and packaging materials away from children and pets to prevent choking hazards.
- Ensure all screws and fasteners are securely tightened before use. Periodically check and re-tighten as necessary.
- Do not overload the desk or shelves beyond the maximum weight capacity of 325 lbs.
- Place the desk on a flat, stable surface to prevent tipping.
- Avoid exposing the desk to excessive moisture or direct sunlight.
- Use only the provided power outlets and USB ports as intended. Do not attempt to modify the electrical components.

3. PACKAGE CONTENTS

Before beginning assembly, verify that all components are present and undamaged. Refer to the included parts list in your packaging for specific quantities. Typically, your package will include:

- Desktop panels (main corner piece, side extensions)
- Metal frame components (legs, support bars)
- Storage shelves

- Keyboard tray and slides
- Power outlet unit with USB ports
- LED light strip
- Assembly hardware (screws, bolts, nuts, L-wrench, screwdriver)
- Adjustable leg pads

4.2. Step-by-Step Assembly

1. **Assemble the Side Shelf Unit:** Attach the shelf panels to the vertical frame pieces using the designated screws. Ensure all connections are firm.
2. **Construct the Main Desk Frame:** Connect the horizontal and vertical metal frame components to form the L-shaped base. Use the provided screws and L-wrench. Attach the corner support brackets for added stability.
3. **Install Keyboard Tray Slides:** Secure the M1 and M2 keyboard tray slides to the underside of the main desktop panel and the corresponding frame sections.
4. **Attach Desktop Panels:** Place the main corner desktop panel onto the assembled frame and secure it with screws. Then, attach the side desktop extensions, ensuring they align properly with the main panel and frame.
5. **Integrate the Side Shelf:** Connect the pre-assembled side shelf unit to the main desk frame.
6. **Install Monitor Stand Extensions:** Attach the monitor stand panels to the top of the desk frame, creating elevated surfaces for monitors.
7. **Mount Power Outlet Unit:** Secure the power outlet unit into its designated slot on the desktop.
8. **Attach Keyboard Tray:** Slide the keyboard tray onto its installed slides.
9. **Adjust Leg Pads:** Adjust the leg pads at the bottom of the desk to ensure stability on uneven floors.

5.2. LED Light Strips

The RGB LED light strip offers multiple colors and 29 flashing modes. Control the lights via a dedicated app. The music sync function allows the LED colors to change with sound and music rhythm, thanks to a built-in sensitivity-adjustable microphone. A timer function is also available for scheduled operation.

6. MAINTENANCE

To maintain the appearance and longevity of your SEDETA Corner Desk, follow these simple care instructions:

- **Cleaning:** Wipe the desk surfaces with a dry or damp cloth. Avoid using harsh chemicals or abrasive cleaners, which can damage the finish.
- **Spills:** Immediately wipe up any spills to prevent staining or damage to the engineered wood.
- **Fasteners:** Periodically check all screws and bolts to ensure they remain tight. Re-tighten as needed to maintain structural integrity.
- **Electrical Components:** Ensure the power outlet unit and LED lights are kept dry. Do not immerse in water or spray directly with liquids.

7. TROUBLESHOOTING

If you encounter any issues with your SEDETA Corner Desk, please refer to the following common solutions:

- **Desk Wobbles:** Adjust the leg pads at the bottom of the desk to stabilize it on uneven surfaces. Ensure all assembly screws are tightened.
- **LED Lights Not Working:** Check the power connection of the LED strip. Ensure the app is correctly installed and connected to the lights. Verify that the power outlet is functioning.
- **Keyboard Tray Sticks:** Ensure the slides are clean and free of debris. Lubricate with a silicone-based spray if necessary. Check that the slides are correctly installed and aligned.
- **Missing or Damaged Parts:** If your item arrives damaged, scratched, or with missing parts, please contact SEDETA customer service for assistance.
