## ALAULM B0CGNMQJSQ

# ALAULM Aluminum Patio Furniture Set with Propane Fire Pit Table (6 Seats, Grey)

Model: B0CGNMQJSQ

## INTRODUCTION

---

Thank you for choosing the ALAULM Aluminum Patio Furniture Set. This manual provides essential information for the safe assembly, operation, and maintenance of your new outdoor furniture set. Please read all instructions carefully before use and retain this manual for future reference.

## IMPORTANT SAFETY INFORMATION

---

- **General Warnings:** This product requires an AAA battery for the fire pit ignition. The fire pit table is CSA certified, ensuring it meets safety standards.
- Always ensure proper ventilation when operating the propane fire pit.
- Keep children and pets away from the fire pit during operation.
- Do not place combustible materials near the fire pit.
- Ensure all connections are secure before operating the fire pit.

## PACKAGE CONTENTS

---

Your ALAULM Patio Furniture Set is delivered in 5 separate boxes. Components may arrive at different times. Please verify all parts are present before beginning assembly.

- 2 x Single Sofas
- 2 x Loveseat Sofas
- 1 x Propane Fire Pit Table
- 5.1" Thick Sponge Cushions (for all seating)
- Assembly Hardware and Tools
- Fire Pit Windshield (Tempered Glass)

- Blue Glass Stones for Fire Pit
- Removable Lid for Fire Pit Table

## SETUP AND ASSEMBLY

---

Assembly is required for this furniture set. Please follow the included assembly instructions carefully. It is recommended to have two people for assembly to ensure ease and safety.

- **Important Assembly Tip:** Do not tighten all screws fully until all components are in place and aligned. This allows for minor adjustments and prevents stripping or misalignment.
- **Placement:** Choose a flat, stable surface for your patio set, such as a patio, backyard, or poolside area. Ensure adequate clearance around the fire pit table.
- **Propane Tank Connection:** Connect your propane tank to the fire pit table according to the fire pit's specific instructions. Ensure all connections are tight and leak-free.
- **Ignition Battery:** Install one AAA battery into the fire pit's ignition system as per the instructions.

## OPERATING INSTRUCTIONS

---

### Fire Pit Table Operation

1. Ensure the propane tank is connected and the gas valve is open.
2. Press and hold the automatic ignition button while slowly turning the flame adjustment knob to the 'LOW' position.
3. Once the flame ignites, continue to hold the ignition button for 10-15 seconds to ensure the thermocouple is heated.
4. Release the ignition button. You can now adjust the flame height using the flame adjustment knob.
5. To turn off, turn the flame adjustment knob to the 'OFF' position and close the gas valve on the propane tank.

The fire pit burner and control panel are made of high-quality Stainless Steel for durability.

Figure 3: Detailed view of the fire pit's features, including the tempered glass windshield and control knob.

## 2-in-1 Design: Using the Fire Pit as a Table

Your fire pit table includes a removable lid. When the fire pit is not in use, place the lid over the burner area to convert it into a functional table for drinks, snacks, or other items.

## MAINTENANCE

### Cushion Care

- The 5.1" thick sponge cushions are designed for resilience and comfort.
- Cushion covers are removable via zipper for easy cleaning. They are water-resistant and UV-protected to prevent fading.
- For light cleaning, wipe with a damp cloth. For deeper cleaning, remove covers and machine wash according to fabric care instructions.
- Velcro strips are included on cushions to fix them and prevent displacement, even in windy conditions.

Figure 5: Close-up showing the 5.1-inch cushion thickness, high resilience sponge, and Velcro strip design for secure placement.

## Frame Care

- The furniture features an upgraded all-aluminum frame, which is rust-proof, strong, and durable, suitable for all weather conditions.
- Clean the aluminum frame with a soft cloth and mild soap and water. Rinse thoroughly and dry to prevent water spots.
- Avoid using harsh chemicals or abrasive cleaners that could damage the finish.

## SPECIFICATIONS

---

## TROUBLESHOOTING

If you encounter any issues during assembly or operation, please refer to the specific assembly instructions provided with your product. For common issues, ensure all connections are secure and components are correctly installed.

- **Fire Pit Not Igniting:** Check if the AAA battery is correctly installed and has sufficient charge. Ensure the propane tank valve is fully open and there is gas in the tank. Verify all gas connections are secure.
- **Missing or Damaged Parts:** If you find any missing accessories or damaged components upon delivery, please contact our customer support team immediately.

## WARRANTY AND SUPPORT

We are committed to your satisfaction. If you encounter any problems, such as missing accessories or damaged accessories, please contact us in time. Our after-sales team will reply to you within 24 hours to provide assistance.
