PRODUCT FEATURES

- **10000mAh High Capacity:** Recharge your devices multiple times with the compact yet powerful 10000mAh battery, ideal for everyday use.
- **Fast Charging Technology:** Enjoy quick power-ups with advanced fast charging capabilities that get your devices back to full power swiftly.
- **Dual USB Ports:** Charge two devices at once with the dual USB ports, making it easy to keep your smartphone, tablet, or other gadgets powered up.
- **Clear LED Indicator:** The LED indicator provides an easy way to check the remaining battery life, so you always know how much power you have left.
- **Lightweight and Portable:** Designed to be lightweight, the Smart Tank is easy to carry, fitting comfortably in your bag or pocket for on-the-go convenience.
- **Multi-Protocol Support:** This power bank is versatile, supporting various charging protocols to ensure compatibility with a broad range of devices.
- **Multi-Circuit Protection:** Stay safe with built-in multi-circuit protection that guards against overcharging, overheating, and short circuits.

- **Compact and Slim Design:** Combining a sleek, slim design with powerful performance, the Smart Tank is both stylish and functional.

CHARGE MORE, CARRY LESS

Multiple Ports for All

MULTI-LAYER CHIPSET PROTECTION

Image: Diagram illustrating the multi-layer chipset protection, including over-voltage, over-current, over-load, short circuit, and circuit identification protection.

SETUP

- 1. Initial Charge:** Before first use, fully charge your LAPCARE Smart Tank power bank. Connect the power bank to a compatible USB wall adapter (not included) using a Type B or Type C cable. The LED indicators will illuminate to show the charging progress. A full charge typically takes about 3 hours.
- 2. Check Battery Level:** Press the power button once to check the current battery level via the LED indicators. Each LED light represents approximately 25% of the battery capacity.

OPERATING INSTRUCTIONS

- 1. Charging Your Devices:** Connect your smartphone, tablet, or other compatible device to one of

the dual USB output ports on the power bank using your device's charging cable. The power bank will automatically detect the device and begin charging.

2. **Simultaneous Charging:** The LAPCARE Smart Tank allows you to charge two devices simultaneously using both USB output ports.
3. **Monitoring Charge:** The LED indicators will show the remaining power in the power bank while charging your devices.

MAINTENANCE

- Keep the power bank away from extreme temperatures (above 45°C or below 0°C) and direct sunlight.
- Avoid dropping or subjecting the device to strong impacts.
- Do not disassemble, modify, or attempt to repair the power bank yourself. This will void the warranty.
- Clean the power bank with a soft, dry cloth. Do not use harsh chemicals, solvents, or abrasive cleaners.
- Store the power bank in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

- **Power bank not charging:**
Ensure the charging cable and wall adapter are working correctly and fully inserted into both the power bank and the power source. Try a different cable or power source.
- **Device not charging from power bank:**
Check if the power bank has sufficient charge. Ensure your device's charging cable is properly connected to both your device and the power bank. Verify that your device is compatible with the power bank's output specifications.
- **Slow charging:**
Use a high-quality charging cable. Ensure the power bank is adequately charged. Some devices may charge slower due to their own charging protocols or if multiple devices are connected simultaneously.
- **LED indicators not working:**
If the power bank is fully charged or completely discharged, the LEDs may not light up immediately. Try charging the power bank for a short period or connecting a device to charge.

SPECIFICATIONS

Feature	Detail
Model Name	Smart Tank
Model Number	LPB-003
Battery Capacity	10000mAh
Battery Cell Type	Lithium Polymer
Connector Type	Type B, USB Type C
Number of Ports	2 (Dual USB Output)
Output Current	2.4 Amps
Voltage	5 Volts
Rapid Charging Performance	70% in 1.5 Hours
Battery Charge Time	3 Hours
Special Features	Fast Charging, LED Indicator Lights, Lightweight, Short Circuit Protection
Item Weight	206 Grams
Item Dimensions (L x W x Thickness)	14L x 14W x 2Th Centimeters
Country of Origin	India

WARRANTY AND SUPPORT

The LAPCARE Smart Tank Power Bank (Model: LPB-003) comes with a **1-year warranty** from the date of purchase.

This warranty covers manufacturing defects and issues arising from normal use. It does not cover damage caused by misuse, accidents, unauthorized modifications, or improper storage.

For warranty claims, technical support, or any product-related inquiries, please contact the manufacturer:

Manufacturer: RX Infotech P LTD

Address: 1201-1208, 12th Floor, Puri Business Hub, Sector-81, Faridabad, Haryana

Mobile: 8800726969

Please retain your purchase receipt as proof of purchase for warranty validation.
