

Tribesigns YS0134

Tribesigns Dining Table User Manual

Model: YS0134
Brand: Tribesigns

INTRODUCTION

This manual provides essential information for the assembly, use, and maintenance of your Tribesigns Black Dining Table. Designed for versatility, this table can comfortably accommodate 6-8 persons, making it suitable for various settings including dining rooms and offices. Its robust construction and minimalist design ensure long-lasting performance and aesthetic appeal.

KEY FEATURES

- **Large Seating Capacity:** Designed to comfortably seat 6-8 individuals, ideal for family meals and entertaining guests.
- **High-Quality Materials:** Constructed from 0.59-inch thick particle board, ensuring exceptional sturdiness and durability. The tabletop features a smooth, easy-to-clean surface.
- **Reinforced Structure:** Features 1.97-inch high-quality metal legs for enhanced stability and a contemporary aesthetic.
- **Adjustable Foot Pads:** Equipped with adjustable foot pads to ensure stability on uneven surfaces and protect flooring from scratches.
- **Easy Assembly:** Includes all necessary hardware and tools for straightforward assembly.
- **Minimalist Design:** Seamlessly integrates into various interior decors, offering a timeless appeal.

PACKAGE CONTENTS

- Dining Table Components
- Assembly Guide
- Hardware (screws, bolts, etc.)
- Assembly Tools

SETUP AND ASSEMBLY

Assembly of the Tribesigns Dining Table is designed to be straightforward. Please follow the included assembly guide for detailed, step-by-step instructions. All necessary hardware and tools are provided.

Assembly Tip: It is often easier to assemble the frame and legs first, then carefully attach the tabletop. This can help manage the weight and ensure proper alignment. Once the frame is assembled, flip it over before attaching the tabletop. Ensure all screws are tightened securely after the table is fully assembled. The table features adjustable foot pads. After assembly, adjust these pads to level the table on any surface, preventing wobbling and protecting your floor.

OPERATING INSTRUCTIONS

The Tribesigns dining table is designed for indoor use. It can serve as a primary dining table, accommodating 6 to 8 people, or as a large computer desk, providing ample workspace. Its sturdy construction supports a maximum weight of 150 pounds.

MAINTENANCE

To maintain the beauty and longevity of your Tribesigns dining table, regularly wipe the surface with a damp cloth. Avoid using harsh chemicals or abrasive cleaners, as these may damage the finish. Promptly clean any spills to prevent staining.

TROUBLESHOOTING

Problem	Possible Cause	Solution
Table wobbles or is unstable.	Uneven floor surface or improperly adjusted foot pads.	Adjust the foot pads located at the bottom of each leg until the table is stable. Use a level to ensure proper balance.

Problem	Possible Cause	Solution
Tabletop sections are not flush or have a small gap.	Screws not fully tightened or slight manufacturing tolerance.	Ensure all screws connecting the tabletop sections and frame are fully tightened. If a slight gap persists due to design, a table runner can be used to cover it. Some users have found success by slightly loosening and then re-tightening screws while leveling the table.

SPECIFICATIONS

Attribute	Detail
Brand	Tribesigns
Model Name	Long Rectangular Kitchen Dining Table
Model Number	YS0134
Color	Black
Product Dimensions (D x W x H)	27.55"D x 78.74"W x 29.52"H
