### Flieks LP000342AAP-MZJ

# Flieks Full Size Wooden Bed with All-in-One Cabinet and Shelf Instruction Manual

Model: LP000342AAP-MZJ

## 1. INTRODUCTION

Thank you for choosing the Flieks Full Size Wooden Bed with All-in-One Cabinet and Shelf. This product is designed to provide a comfortable sleeping solution with integrated storage and display options. This manual provides essential information for safe assembly, operation, and maintenance of your new bed. Please read these instructions carefully before beginning assembly and retain them for future reference.

## 2. SAFETY INFORMATION

- Always follow the assembly instructions step-by-step.
- Assembly should be performed by two adults to ensure safety and ease.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten hardware as needed.
- Do not exceed the maximum weight capacity of 600 LBS for the bed.
- Do not allow children to climb on the bed frame, headboard, or shelves.
- Keep small parts and packaging materials away from children.
- Place the bed on a flat, stable surface.

## 3. PACKAGE CONTENTS

Before assembly, verify that all parts and hardware are present. If any items are missing or damaged, please contact customer support.

- Bed frame components (side rails, footboard, slats)
- Headboard components (main panel, side cabinets, shelves)
- Under-bed drawers (drawer boxes, drawer fronts, handles)

- Hardware pack (screws, bolts, nuts, washers, Allen wrench)

*Note: This product ships in 3 separate packages and may not arrive simultaneously.*

## 4. SETUP (ASSEMBLY INSTRUCTIONS)

Clear a spacious area for assembly. It is recommended to lay out all components on a soft, clean surface to prevent scratches. Basic tools such as a Phillips head screwdriver may be required (not included).

### 4.1. Assemble the Bed Frame

1. Attach the side rails to the footboard using the provided hardware. Ensure connections are secure.
2. Insert the wooden slats into the designated slots on the side rails. Evenly space and secure them if required by the hardware.

### 4.2. Assemble the Headboard with Shelves and Cabinets

1. Connect the main headboard panel to the side cabinet structures.
2. Install the shelves into the headboard and side cabinets.
3. Attach the cabinet doors to the side cabinets using the provided hinges.

Image: A front view of the bed, showcasing the headboard with all cabinet doors open, revealing the internal shelving.

#### **4.3. Attach Headboard to Bed Frame**

1. Align the assembled headboard with the bed frame.
2. Securely attach the headboard to the bed frame using the appropriate hardware.

#### **4.4. Install Under-Bed Drawers**

1. Assemble the drawer boxes according to the instructions, attaching the drawer fronts and handles.
2. Slide the assembled drawers into the designated spaces under the bed frame.

## 5. OPERATING INSTRUCTIONS

---

### 5.1. Using the Under-Bed Drawers

The four under-bed drawers provide convenient storage for bedding, clothing, or other items. Gently pull the handles to slide the drawers out. Push them back in until they are flush with the bed frame for a tidy appearance.

### 5.2. Utilizing the Headboard Storage

The integrated headboard features 10 shelf cubes and 4 cabinets. These can be used to store books, decorative items, or personal belongings. The shelves also include two holes on the left and right sides, allowing for convenient cable management for lamps or charging devices.

Image: The Flieks bed with all headboard cabinet doors closed, showing the neat appearance of the integrated storage.

## 6. MAINTENANCE

---

- **Cleaning:** Wipe the wooden surfaces with a soft, damp cloth. Avoid using harsh chemicals, abrasive cleaners, or polishes that may damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Retighten as necessary to maintain stability and safety.
- **Avoid Moisture:** Protect the bed from excessive moisture and direct sunlight to prevent warping or fading of the wood.

## 7. TROUBLESHOOTING

---

- **Bed feels wobbly:** Check all assembly hardware and tighten any loose connections. Ensure the bed is on a level surface.
- **Drawers do not slide smoothly:** Verify that the drawer boxes are assembled correctly and that no obstructions are in the drawer tracks. Ensure the bed frame is level.
- **Missing parts or damaged components:** Refer to the package contents list. If items are missing or damaged upon arrival, contact customer support immediately for assistance.

## 8. SPECIFICATIONS

---
