FINTIE CDE0837

Fintie Keyboard Case for Samsung Galaxy Tab A9 Plus 11 Inch 2023 Instruction Manual

Model: CDE0837

INTRODUCTION

Thank you for choosing the Fintie Keyboard Case for your Samsung Galaxy Tab A9 Plus 11 Inch 2023. This versatile case provides robust protection and enhances your tablet's functionality with a magnetic, removable Bluetooth keyboard. Designed for seamless integration, it allows for faster and more comfortable typing, transforming your tablet into a portable workstation. This manual provides essential information for setup, operation, maintenance, and troubleshooting to ensure optimal performance of your device.

COMPATIBILITY AND PACKAGE CONTENTS

Compatibility Notice

This keyboard case is specifically designed for the **Samsung Galaxy Tab A9 Plus 11 Inch 2023** models: **SM-X210, SM-X216, and SM-X218**. It is not compatible with other Samsung Galaxy tablet models. Please verify your tablet's model number before use.

Image: Compatibility chart for Fintie Keyboard Case. This image illustrates the compatible tablet models (Samsung Galaxy Tab A9 Plus 11 Inch 2023, models SM-X210/X216/X218) and provides instructions on how to locate your tablet's model number via the device settings (Settings > About tablet > Model number).

How to Find Your Tablet Model Number:

1. Open your tablet's **Settings** application.
2. Navigate to **About tablet**.
3. Locate and confirm the **Model number** (e.g., SM-X210, SM-X216, SM-X218).

Package Contents

Upon unpacking, please ensure all the following items are present:

- 1 x Fintie Ultra-thin Case
- 1 x Bluetooth Keyboard
- 1 x USB-C Charging Cable
- 1 x User Manual (this document)

1. Attaching Your Tablet to the Case

The Fintie case features a durable faux leather exterior and a non-slip inner lining designed to securely hold your tablet. Simply align your Samsung Galaxy Tab A9 Plus with the case's frame and gently press it into place. The case provides full access to all tablet features, including ports and buttons.

2. Charging the Bluetooth Keyboard

Before initial use, fully charge the keyboard. Use the included USB-C charging cable. Connect the small end of the cable to the keyboard's charging port and the larger end to a USB power adapter (not included) or a computer's USB port. The charging indicator light will illuminate during charging and turn off once fully charged.

3. Pairing the Bluetooth Keyboard with Your Tablet

Follow these steps to establish a Bluetooth connection:

1. Ensure the keyboard is charged.
2. Turn on the keyboard by sliding the **ON/OFF** switch to the 'ON' position. The power indicator light will briefly turn on.
3. Press the '**Connect**' button on the keyboard. The Bluetooth indicator light will start blinking, indicating it is in pairing mode.
4. On your Samsung Galaxy Tab A9 Plus, go to **Settings > Connected devices > Bluetooth**.
5. Ensure Bluetooth is enabled on your tablet.
6. Your tablet will search for available devices. Select '**Bluetooth Keyboard**' (or a similar name) from the list of found devices.
7. If prompted, enter the pairing code displayed on your tablet onto the keyboard and press **Enter**.
8. Once paired, the Bluetooth indicator light on the keyboard will stop blinking and remain solid for a moment, then turn off to save power. The keyboard is now ready for use.

Magnetically Integrated Keyboard

MAINTENANCE

Cleaning the Case and Keyboard

- **Case:** Wipe the faux leather exterior with a soft, damp cloth. Avoid harsh chemicals or abrasive cleaners.
- **Keyboard:** Use a soft, dry cloth to clean the keyboard surface. For dust between keys, use compressed air. Do not immerse the keyboard in water or use liquid cleaners directly on the keys.

Battery Care

- To prolong battery life, avoid fully discharging the keyboard battery frequently.
- Charge the keyboard regularly, even if not in constant use.
- Store the keyboard in a cool, dry place when not in use for extended periods.

TROUBLESHOOTING

Keyboard Not Connecting/Pairing

- **Check Battery:** Ensure the keyboard is fully charged. Low battery can prevent connection.
- **Restart Devices:** Turn off and on both the keyboard and your tablet's Bluetooth.
- **Re-pair:** Go to your tablet's Bluetooth settings, 'forget' or 'unpair' the keyboard, then repeat the pairing steps in the 'Setup' section.
- **Distance:** Ensure the keyboard is within the 10-meter Bluetooth range of your tablet.
- **Interference:** Move away from other wireless devices that might cause interference.

Keys Not Responding

- **Connection:** Verify the keyboard is still connected via Bluetooth. If not, re-pair it.
- **Power:** Ensure the keyboard is turned on and has sufficient battery.

- **Restart:** Turn the keyboard off and on.

Auto Sleep/Wake Not Working

- Confirm the keyboard is removed from the case. The auto sleep/wake function is designed to work only when the keyboard is detached.
- Ensure your tablet's screen lock settings are configured for auto sleep/wake.
