RiceBlock Champion Racing Car RB0069 Instruction Manual

Model: RB0069 | Brand: RiceBlock

Introduction

This manual provides detailed instructions for assembling, operating, and maintaining your RiceBlock Champion Racing Car RB0069 building set. Please read all instructions carefully before beginning assembly to ensure a smooth and enjoyable building experience.
The RiceBlock Champion Racing Car is a 1:14 scale MOC (My Own Creation) building set, consisting of 1314 pieces. It features a high-fidelity design with functional elements such as steerable front wheels, openable scissor doors, and a detailed interior.

Safety Information

Warning: Choking Hazard - Contains Small Parts. Not suitable for children under 3 years.
Always supervise young children during assembly. Keep small parts away from infants and pets to prevent accidental ingestion.

Setup: Assembly Instructions

The RiceBlock Champion Racing Car RB0069 is a complex model requiring careful assembly. Each part is numbered and packaged in separate bags to facilitate the building process.

1. **Unpack and Organize:** Carefully open the packaging and sort the numbered bags. It is recommended to open one bag at a time as instructed in the included printed manual (not provided in this digital format).
2. **Follow the Printed Manual:** Refer to the detailed step-by-step instructions provided in the physical instruction booklet that accompanies your building set. This digital manual provides general guidance.
3. **Identify Key Components:** Familiarize yourself with the main components as you progress through the build. The model features a detailed chassis, engine bay, cockpit, and exterior body panels.
4. **Chassis Assembly:** Begin by constructing the base chassis, which forms the structural foundation of the racing car. This includes the framework for the wheels and steering mechanism.
5. **Engine and Interior:** Proceed to build the simulated engine and the detailed interior, including the blue seats and steering wheel linkage.
6. **Bodywork and Doors:** Attach the exterior body panels, including the front hood, classic openable scissor doors, and

mechanical roof.

7. **Wheels and Finishing Touches:** Install the movable wheels and complete the streamlined rear end and other aesthetic details.

Operating the Model

Once assembled, your RiceBlock Champion Racing Car RB0069 offers several interactive features:

- **Steering:** The front wheels are linked to the steering wheel in the cockpit, allowing for manual steering. Gently turn the steering wheel to observe the front wheels pivot.
- **Doors:** The classic scissor doors can be manually opened and closed. Carefully lift the doors upwards to open them.
- **Wheels:** The model features movable wheels, allowing it to be rolled across smooth surfaces.

Maintenance

To ensure the longevity and appearance of your RiceBlock Champion Racing Car model, follow these maintenance guidelines:

- **Cleaning:** Dust the model regularly with a soft, dry cloth or a soft brush. For stubborn dirt, a slightly damp cloth can be used, but avoid excessive moisture.
- **Storage:** Store the model in a cool, dry place away from direct sunlight to prevent discoloration or material degradation.
- **Handling:** Handle the model carefully to avoid accidental detachment of parts. If parts do come loose, reattach them gently.
