5. MAINTENANCE AND CARE

To ensure the longevity and appearance of your WAMPAT End Table, follow these maintenance guidelines:

- **Cleaning:** Wipe with a dry cloth to remove dust and debris. Avoid using harsh chemicals or abrasive cleaners.
- **Spills:** Promptly clean any spills to prevent staining or damage to the laminate finish.
- **Heat and Moisture:** Protect the surface from excessive heat and moisture. Use coasters under drinks and heat pads under hot items.
- **Drawer Care:** Periodically check drawer slides for smooth operation. Do not force drawers if they stick.

6. TROUBLESHOOTING

If you encounter any issues with your WAMPAT End Table, please refer to the following common troubleshooting tips:

- **Wobbly Table:** Ensure all screws and cam locks are securely tightened. Check that the table is on a

level surface.

- **Sticking Drawers:** Verify that the drawer slides are correctly aligned and free from obstructions. Ensure the drawer is not overloaded.
- **Charging Station Not Working:** Check that the table's power cord is securely plugged into a functional wall outlet. Ensure devices are properly connected to the outlets/USB ports.
- **Missing Parts:** If any parts are missing or damaged upon arrival, please contact customer support immediately.
