YOUSHEME 3-in-1 Ceramic Car Coating Spray

YOUSHEME Rayhong 3-in-1 Ceramic Car Coating Spray Instruction Manual

1. INTRODUCTION

The YOUSHEME Rayhong 3-in-1 Ceramic Car Coating Spray is a multi-functional product designed to clean, restore, and protect various vehicle surfaces. This advanced formula provides a waterless wash, enhances the vehicle's appearance, and offers durable protective properties against environmental elements.

2. PRODUCT FEATURES

This coating spray incorporates nanotechnology to deliver multiple benefits for vehicle care:

- **3-in-1 High Protection Quick Car Coating Spray:** Offers a convenient solution for cleaning, restoring, and polishing vehicle surfaces without water. It creates a clean, shiny appearance.
- **Multi-Functional Coating Renewal Agent:** Effectively restores the shine of dull plastics and trims, and provides a protective layer for new surfaces.
- **Protects Car Paint:** The specialized formula is safe for rubber, trim, plastic, and paint, preventing damage or drying out. It is compatible with all colors of plastic and rubber.
- **Premium Car Paint Restorer:** Helps to repair minor scratches, scuffs, and swirls, while restoring the paint's luster. It also imparts oil-proof, hydrophobic, and scratch-resistant properties to the surface.
- **Multiple Use:** Designed for a wide range of vehicles and solid surfaces, including automobiles, boats, motorcycles, RVs, four-wheelers, painted surfaces, plastic, and glass.

AS BRIGHT AS A MIRROR

- ✓ **Waterproof and antifouling**
- ✓ **Fast decontamination**
- ✓ **Restore luster**
- ✓ **Protecting the car from scratches**
- ✓ **Save time and effort**

3. SETUP AND PREPARATION

Proper preparation of the vehicle surface is crucial for optimal results.

1. **Clean the Surface:** Thoroughly wash the vehicle to remove all dirt, dust, grime, and contaminants.
2. **Dry the Surface:** Ensure the vehicle surface is completely dry before applying the coating spray. Any moisture can affect adhesion and finish.

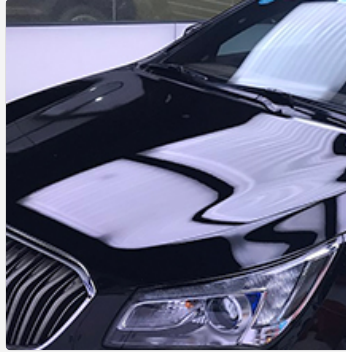

Image 3.1: Step 1 - Clean and dry the car surface first.

4. OPERATING INSTRUCTIONS

Follow these steps for effective application of the 3-in-1 Ceramic Car Coating Spray:

1. **Step 1: Clean and Dry:** As mentioned in the preparation section, ensure the car surface is clean and completely dry.
2. **Step 2: Spray Evenly:** Spray the product evenly onto the desired car surface. Work on one section at a time to ensure thorough coverage.
3. **Step 3: Wipe and Dry:** Immediately wipe the sprayed area evenly with a clean, soft microfiber towel. Allow the surface to dry naturally. Do not let the product dry on the surface without wiping.

USAGE METHOD

STEP 1

Clean and dry the car surface first

STEP 2

Spray the product evenly on the car surface

STEP 3

Wipe it evenly with a towel and let it dry naturally

Image 4.3: Visual summary of the usage method.

5. MAINTENANCE

To prolong the life and effectiveness of the ceramic coating:

- Wash your vehicle regularly using a pH-neutral car wash soap.
- Avoid using abrasive cleaners, harsh chemicals, or automatic car washes with brushes that could damage the coating.
- For best results, reapply the coating spray periodically as needed, depending on environmental exposure and desired protection level.

6. TROUBLESHOOTING

If you encounter issues during or after application, consider the following:

- **Blotchy or Uneven Finish:** This often occurs if the product was not wiped evenly or allowed to dry before wiping. Re-clean the affected area thoroughly and reapply, ensuring immediate and even wiping.
- **Product Not Spraying:** Check if the sprayer nozzle is clogged. Remove and rinse the nozzle with warm water. Ensure the sprayer is securely attached to the bottle.
- **No Visible Improvement:** Ensure the surface was properly cleaned and dried before application. For heavily oxidized or damaged surfaces, multiple applications or prior surface correction may be necessary.

7. SPECIFICATIONS

Attribute	Detail
Product Dimensions	0.39 x 0.79 x 0.39 inches (per bottle)
Item Weight	0.26 Kilograms (per bottle)
Item Form	Aerosol Spray
Number of Items	1 (per unit, typically sold in multi-packs)
Recommended Uses	Car, Motorcycle, Boat, RV, Four-wheeler, Paint, Plastic, Glass

8. SAFETY INFORMATION

Please observe the following safety precautions:

- Keep out of reach of children and pets.
- Avoid direct contact with eyes. In case of accidental contact, rinse thoroughly with water for several minutes. If irritation persists, seek medical attention.
- Use in a well-ventilated area to avoid inhaling fumes.
- Do not ingest. If swallowed, do not induce vomiting; seek immediate medical advice.
- Store in a cool, dry place away from direct sunlight and extreme temperatures.
- Refer to the product label for any specific warnings or disposal instructions.

9. WARRANTY AND SUPPORT

For detailed warranty information, product support, or to address any concerns not covered in this manual, please refer to the contact information provided on the product packaging or visit the official YOUSHEME website. Please retain your proof of purchase for warranty claims.
