# anwickjeff Twin Metal Loft Bed with Desk and Grid Instruction Manual

Model: B0CGV6JPZP

## 1. Safety Information

Please read and understand all safety information before assembly and use of the anwickjeff Twin Metal Loft Bed. Failure to follow these instructions may result in serious injury.

- Always supervise children when using the ladder.
- Be cautious around the ladder and guardrails to prevent injury.
- Do not use the bed frame when wet to avoid slipping.
- Always follow the assembly instructions carefully to ensure stability and safety.
- Ensure all connections are securely tightened before use and periodically check for loose hardware.
- The maximum weight capacity for the upper bed is 250 LBS. Do not exceed this limit.
- Recommended age for use of the loft bed is 6 years and older.
- Use only a twin-size mattress with a recommended thickness of 4-6 inches.

**Warning:** This product is designed for sleeping and light desk work. Avoid jumping on the bed or using it for purposes other than its intended design.

## 2. Setup and Assembly

Assembly of the anwickjeff Twin Metal Loft Bed with Desk and Grid is required. It is recommended that two adults perform the assembly. Please ensure all parts are present before beginning.

### 2.1 Package Contents

- Metal frame components
- Desk surface components
- Metal grid panel
- Hardware pack (screws, bolts, washers, Allen wrench)
- Assembly instructions (separate document)

*Note:* A detailed step-by-step assembly guide is included in the product packaging. Please refer to that document for specific assembly instructions and diagrams.

### 2.2 Assembly Tips

- Clear a spacious area for assembly.
- Lay out all components and hardware, matching them against the parts list.
- Do not fully tighten all bolts until the entire frame is assembled to allow for adjustment.
- Once fully assembled, tighten all bolts securely.

## 3. Operating Instructions

This section provides guidance on the proper use of your anwickjeff Twin Metal Loft Bed with Desk and Grid.

### 3.1 Using the Loft Bed

- Access the bed using the integrated ladder. Always face the ladder when climbing up or down.
- Ensure the mattress is properly seated within the bed frame and does not extend beyond the guardrails.
- The full-length guardrails are designed to prevent accidental falls. Do not attempt to climb over them.

### 3.2 Using the Integrated Desk

The L-shaped desk provides a dedicated workspace beneath the loft bed.

- Place your computer, books, or other study/work materials on the desk surface.
- Avoid placing excessively heavy items on the desk to prevent damage.

### 3.3 Using the Metal Grid

The integrated metal grid can be used for personalization and organization.

- Hang lightweight decorations, photos, or small organizers using clips or hooks (not included).
- Do not hang heavy objects that could destabilize the bed frame or damage the grid.

Figure 3.3.1: Detail of the integrated L-shaped desk and metal grid for organization.

## 4. Maintenance

Regular maintenance will help ensure the longevity and safety of your loft bed.

- **Cleaning:** Wipe the metal frame and desk surfaces with a damp towel. Avoid harsh chemicals or abrasive cleaners that could damage the finish.
- **Hardware Check:** Periodically inspect all bolts, screws, and connections to ensure they remain tight. Re-tighten any loose hardware immediately.
- **Structural Integrity:** Check the bed frame for any signs of damage, bending, or stress. If any damage is found, discontinue use and contact customer support.

## 5. Troubleshooting

This section addresses common issues you might encounter with your loft bed.

### 5.1 Bed Wobbles or Feels Unstable

- Ensure all bolts and screws are fully tightened.
- Verify that the bed is placed on a flat, level surface.
- Check if any components were assembled incorrectly. Refer to the assembly instructions.

### 5.2 Missing or Damaged Parts

- Carefully check all packaging materials for small parts.
- If parts are genuinely missing or damaged upon arrival, contact anwickjeff customer support immediately for assistance. Provide your model number and purchase details.

## 6. Specifications

Detailed specifications for the anwickjeff Twin Metal Loft Bed with Desk and Grid.
