GAMI Tulle 2-Door Sliding Wardrobe L. 150 Instruction Manual

Model: 1H5F150

INTRODUCTION

This manual provides essential instructions for the assembly, operation, and maintenance of your GAMI Tulle 2-Door Sliding Wardrobe, model 1H5F150. Please read these instructions carefully before beginning assembly and retain them for future reference.

SAFETY INFORMATION

- Always assemble the wardrobe on a clean, soft surface to prevent scratches.
- Ensure all hardware is securely tightened before use. Periodically check and re-tighten as necessary.
- Do not allow children to climb on or play with the wardrobe.
- Distribute weight evenly within the wardrobe to prevent tipping.
- Handle the mirror with care to avoid breakage and injury.
- If wall anchoring hardware is provided, it is strongly recommended to secure the wardrobe to a wall to prevent tipping.

PACKAGE CONTENTS

Before assembly, verify that all components are present and undamaged. Refer to the parts list included in your packaging. Typical components include:

- Side panels, top and bottom panels
- Back panels
- Sliding doors (one with mirror)
- Internal shelves (4 units)
- Hanging rods (2 units)
- Hardware pack (screws, dowels, cam locks, door runners, handles)

SETUP (ASSEMBLY)

Assembly typically requires two people. Ensure you have a Phillips head screwdriver, a hammer, and possibly an Allen key (often included). Follow the step-by-step diagrams provided in your physical instruction booklet.

1. **Prepare the Area:** Clear a spacious area and lay down a blanket or cardboard to protect the furniture panels and your floor.
2. **Assemble the Frame:** Attach the side panels to the base and top panels using the provided hardware. Ensure all connections are secure.
3. **Install Back Panels:** Carefully slide or nail the back panels into place.
4. **Insert Internal Components:** Install the fixed shelves and hanging rods according to the design. The wardrobe features a 1/2 linen section with 4 shelves and a 1/2 hanging section with 2 rods.
5. **Attach Door Runners:** Secure the top and bottom door runners to the wardrobe frame.
6. **Mount Sliding Doors:** Carefully lift and place the sliding doors onto the runners. Adjust as needed for smooth operation. The mirror door should be handled with extreme care.
7. **Attach Handles:** Secure the handles to the sliding doors.
8. **Final Checks:** Verify all screws and fittings are tight. If applicable, secure the wardrobe to the wall using anti-tip hardware.

Image: The GAMI Tulle wardrobe with one sliding door open, revealing the internal configuration of hanging space and shelves. The right side shows four shelves for folded items, while the left side features a hanging rod for garments. The central door is mirrored.

OPERATING INSTRUCTIONS

- **Sliding Doors:** Gently push or pull the door handles to slide the doors open or closed. Avoid forcing the doors.
- **Internal Storage:** Utilize the two hanging rods for clothes that require hanging. The four shelves are designed for folded garments, shoes, or accessories.
- **Mirror:** The full-height mirror allows for convenient dressing and checking your appearance.

Maintenance

- **Cleaning Panels:** Wipe surfaces with a soft, damp cloth. Avoid abrasive cleaners or harsh chemicals that could damage the finish.
- **Cleaning Mirror:** Use a standard glass cleaner and a lint-free cloth. Spray cleaner onto the cloth, not directly onto the mirror, to prevent liquid from seeping into edges.
- **Hardware Check:** Periodically inspect all screws, bolts, and door runners to ensure they remain tight. Re-tighten as necessary to maintain stability and smooth door operation.
- **Door Runners:** Keep the door runners free of dust and debris to ensure smooth sliding.

Troubleshooting

Problem	Possible Cause	Solution
Doors do not slide smoothly.	Debris in runners, loose hardware, misaligned doors.	Clean runners. Check and tighten all door hardware. Adjust door alignment if necessary (refer to assembly diagrams).
Wardrobe feels wobbly.	Loose assembly screws, uneven floor.	Check and tighten all assembly screws. Ensure the wardrobe is on a level surface; use shims if needed. Secure to wall if not already done.
Mirror appears distorted.	Surface dirt, protective film not removed.	Clean the mirror with a glass cleaner. Ensure any protective film has been fully removed.

Specifications

- **Brand:** GAMI
- **Model Number:** 1H5F150
- **Type:** 2-Door Sliding Wardrobe
- **Approximate Length:** 150 cm
- **Color:** White with Natural Wood Decor (Tulle)
- **Material:** Engineered Wood
- **Weight:** Approximately 124 Kilograms
- **Internal Layout:** Half linen section (4 shelves), Half hanging section (2 rods)
- **Features:** Full-height clear silvered glass mirror, MDF handles with blond oak finish.
- **Origin:** Manufactured in Vendée, France.

Warranty and Support

This product comes with a 2-year availability for spare parts. For any questions regarding assembly, missing parts, or product defects, please contact your retailer or the manufacturer's customer service. Keep your proof of purchase for warranty claims.
